INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Frank Kent Cadillac, LLC Employees' 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Frank Kent Cadillac, LLC Employees' 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those derived from or agreed to the certified investment information, are presented fairly, in all material respects,

in accordance with accounting principles generally accepted in the United States of America (“US GAAP”).

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“US GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Frank Kent Cadillac, LLC Employees' 401(k) Savings Plan
Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note 1. Description of Plan

The following description of the Frank Kent Cadillac, LLC Employees' 401(k) Savings Plan (the "Plan") provides general information about the Plan's Provisions. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Frank Kent Cadillac, LLC (the "Company") January 1, 1996, under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of Employment Retirement Income Security Act of 1974 ("ERISA").

Plan Administration

John Hancock Trust Company, LLC ("JHTC") is the trustee of the Plan's investment assets. JHTC holds the Plan's investments and executes investment transactions at the direction of plan participants, receives contributions, interest and dividend income, pays administrative expenses, and makes distributions to participants. John Hancock Retirement Plan Services, LLC ("JHRPS") is the recordkeeper and maintains participant account information along with performing annual compliance testing and preparing the Plan's Form 5500. The plan administrator is one of the owners of the Company. No owner or employee receives compensation for their services.

Eligibility

Employees of the Company become eligible to participate in the Plan upon attaining the age of 18 and completing sixty days of service. Eligible employees may commence contributing to the Plan on the first day of the month coinciding with or following the date on which the employee becomes eligible to participate in the Plan. The Plan excludes union employees.

Contributions

Each year, participants may elect to contribute up to 100% of pretax annual compensation, as defined in the Plan document and subject to certain limitations under the IRC. Participants may choose to change their deferral percentage at any time. The Plan also includes an automatic contribution arrangement that applies to all employees of the Company. The automatic deferral amount is 2% of eligible compensation. The Plan auto-escalated participants' deferral rate by 1% annually on the participant's anniversary date of participation until a 10% deferral rate is achieved. Employees who do not wish to be automatically enrolled or auto-escalate may elect not to defer or to defer another percentage. The Plan also allows participants who reach the age of 50 during the taxable year to make catch-up contributions. Catch-up contributions are 401(k) elective deferral contributions in excess of any limit on such contributions under the Plan subject to IRC limitations. The Plan also allows participants to contribute monies as Roth contributions, subject to the same limitations as are in place for pretax contributions.

Note 1. Description of Plan (Continued)

Contributions (continued)

The Company may make a discretionary contribution equal to a uniform percentage or dollar amount of the participant's elective deferrals each payroll period. Each year, the Company will determine the formula for the discretionary matching contribution. In addition, the Company may make a discretionary non-elective contribution to the Plan which is divided among Plan participants in proportion to their compensation. During 2023, there were no discretionary non-elective contributions made. The matching Company contribution is invested as directed by the participant. Contributions are subject to certain limitations.

Investment Options

Participants direct the investment of their contributions and Company contributions into investment options offered by the Plan. The investment options include various mutual funds and common/collective trusts.

Participant Accounts

Each participant's account is credited with (a) the participant's contributions and rollovers, if any, (b) allocations of the Company's discretionary contribution, if any, and (c) Plan earnings (losses). Transaction fees, such as those related to distributions, are paid from the account of the participant who made the transaction. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferrals and rollover contributions, if any, plus actual earnings thereon. Vesting in the Company's contribution portion of a participant's account is based on years of continuous service with the Company. Participants become 20 percent vested in employer contributions after two years, and an additional 20 percent each year thereafter until 100 percent vested upon six years of credited service.

However, a participant's vesting percentage increases to 100 percent if, while employed with the Company, the participant dies or becomes disabled.

Forfeited Accounts

Participants, whose employment is terminated prior to being fully vested, forfeit the non-vested portions of their accounts. Forfeitures can be used in any manner permitted under the Plan. At December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately \$48,000 and \$24,000, respectively. During 2023, no forfeited non-vested accounts were used.

Note 1. Description of Plan (Continued)

Notes Receivable from Participants

Participants are allowed to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The term of loan cannot exceed five years, except in the case of a loan used to acquire a participant's principal residence, for which the term cannot exceed 15 years.

The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent. Notes receivable from participants, as of December 31, 2023 and 2022, bear interest rates between 3.25 percent and 9.50 percent. Maturities at December 31, 2023 and 2022, are February 2024 through January 2029. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

The normal retirement age is 65, as defined by the Plan. On termination of service due to death, disability, or termination of employment, participants may receive their distribution as a lump-sum payment or elect to transfer their account balance into an individual retirement account or another qualified plan. Participants who have attained the age of 55 may take an in-service withdrawal of vested employer contributions, and after attaining the age of 59-1/2 may take an in-service withdrawal of deferral contributions. Hardship distributions are not permitted under the Plan.

Recent Legislative Changes in Plan Provisions

Changes to Plan provisions have been or may be made due to the enactment in recent years of various laws. Some of the changes are required by law and some become effective only if adopted by the Plan. Changes which may affect participants relate to required minimum distributions, distribution of lifetime income investments, and participation of long-term, part-time employees.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with US GAAP.

Used of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and Company contributions are recorded in the year in which the employees' contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payments of Benefits

Benefit distributions are recorded when paid. At December 31, 2023, there were no benefits approved for payment but not paid.

Administrative Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered Investment companies (Mutua Funds)

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 3. Fair Value Measurement (Continued)

Common/Collective Trust Funds

These investments are public investment vehicles valued at NAV, or its equivalent, as a practical expedient, provided by the administrator of the fund. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. In accordance with US GAAP, since the common/collective trust funds are measured using the NAV per share practical expedient, these investments are not classified in the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,289,717	\$ -	\$ -	\$ 9,289,717
Common/collective trusts ^(a)	-	-	-	546,479
	<u>\$ 9,289,717</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,836,196</u>

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,634,135	\$ -	\$ -	\$ 7,634,135
Common/collective trusts ^(a)	-	-	-	206,661
	<u>\$ 7,634,135</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,840,796</u>

- (a) In accordance with U.S. GAAP, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation to the amounts in the statement of net assets available for benefits.

The following table sets forth additional disclosures of Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2023 and 2022:

	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2023	2022			
Common/collective trusts	\$ 546,479	\$ 206,661	\$ -	Daily	N/A

Note 4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest, and participant loan interest for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company, LLC, the trustee of the Plan.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions and earnings thereon.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the participants' account balances, and the amounts reported in the Statement of Net assets Available for Benefits.

Note 7. Related Party Transactions and Party-in-Interest Transactions

Plan investments are offered and managed by John Hancock Trust Company, LLC. John Hancock Trust Company, LLC, is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA.

During 2023, the Plan made the following direct payments to related parties and parties-in-interest: \$37,676 to John Hancock for recordkeeping fees. This amount is recorded in the Statement of Changes in Net assets Available for Benefits as administrative expenses.

Note 8. Tax Status

The Plan is based on the pre-approved defined contribution plan document developed by John Hancock Retirement Plan Services, LLC. John Hancock Retirement Plan Services, LLC received a favorable opinion letter dated June 30, 2020, from the IRS stating that the form of the plan is acceptable under Section 401 of the IRC. The Plan Administrator believes that the Plan, as adopted and amended, is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Notes to Financial Statements
For the Years Ended December 31, 2023 and 2022

Note 8. Tax Status (Continued)

US GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 10,082,255	\$ 8,134,600
Less: employer contributions receivable	<u>(69,872)</u>	<u>(51,254)</u>
 Net assets available for benefits per schedule to the Form 5500	 <u>\$ 10,012,383</u>	 <u>\$ 8,083,346</u>

Note 10. Subsequent Events

The Plan Administrator has evaluated subsequent events and transactions occurring after December 31, 2023, the Statement of Net Assets Available for Benefits date, through October 14, 2024, the date the financial statements were available to be issued. No events came to the attention of the Plan's Administrator that would require adjustments to or disclosure in the financial statements.
