Independent Auditor's Report

Participants and Administrative Committee
Essendant 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Essendant 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 **DESCRIPTION OF THE PLAN**

General

Essendant 401(k) Savings Plan (the Plan) is a Section 401(k) plan with a discretionary employer contribution component. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. A brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for more complete information, including funding, vesting, distributions, loans, and investment options.

Eligibility and Participation

The Plan covers substantially all full-time Essendant Co. (the Company) employees who are not covered by a collective bargaining agreement, unless the bargaining agreement provides for participation. Employees are eligible to participate on the first day after completing a consecutive 30-day period of employment with the Company.

Administration

The Company is the Plan Administrator and Plan Sponsor. Investment and policy decisions related to the Plan are the responsibility of the Company's Administrative and Investment Committees. Fidelity Management Trust Company (Fidelity) is the Trustee of the Plan.

Contributions

The Company and its Plan participants fund the Plan's contributions. Participants may elect to make pre-tax contributions of up to 75% of their eligible compensation, limited to the Internal Revenue Service (IRS) cap on pre-tax deferrals. In addition, participants may make after-tax contributions ranging from 1% to 10% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified plans.

Additionally, employees who have reached age 50 during the Plan year may make catch-up contributions ranging from 1% to 75% of their eligible compensation, limited to \$7,500 in 2023.

The Plan provides for eligible participants to enroll automatically. Participants shall be deemed to have entered into a salary deferral agreement, whereby the Company will withhold and contribute an amount equal to 4% of their compensation. However, participants may revoke or amend such salary deferral agreement in accordance with the Plan document.

The Plan provides for a discretionary matching contribution by the Company. For 2023, the Company matched 50% of the first 8% contributed by exempt and non-exempt employees.

Investments

Participants may direct all contributions to be invested in any of the Plan's investment options offered by Fidelity.

Participant Accounts

Each participant's account is credited with their contributions, the Company's contributions, and an allocation of the Plan's earnings, if any. A participant's account is charged with withdrawals, administrative expenses, and an allocation of the Plan's losses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings thereon is based on the number of years of continuous service. Generally, participants become vested at a rate of 20% per year over five years. Participants who attain normal retirement age of 65, die, or become disabled, as defined, are vested immediately in the Company's contributions.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts amounted to \$540,766 and \$56,349, respectively. These amounts can be used to reduce future Company matching contributions and pay plan expenses. During 2023, forfeitures of \$47,728 were used to reduce contributions, and approximately \$60,125 were used to pay plan expenses.

Benefit Payments

Upon retirement, death, termination, or disability, participants or their beneficiaries receive a lump-sum payment or installment payments, which span over a period not to exceed 10 years or the participants' or participants' joint beneficiary's life expectancy.

NOTE 1 DESCRIPTION OF THE PLAN *(continued)*

Notes Receivable from Participants

Participants may apply for a loan up to 50% of their vested account balance, limited to a maximum of \$50,000. The Plan allows for a participant to only have one loan outstanding at a time. Loans are secured by the participant's vested account balance and bear interest at the prevailing interest rate established at the time the loan is approved. The Investment Committee establishes fixed interest rates which are reviewed on a quarterly basis in accordance to the Reuter's rate to ensure that loan recipients are being charged a reasonable rate. Both principal and interest are paid ratably through payroll deductions ranging from one to five years or, in the case of the purchase of a primary residence, the term may be extended to 10 years, as agreed to by the Administrative and Investment Committees.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by its investment advisors, custodian and trustee. See Note 4 for further discussion and disclosures related to fair value measurements.

NOTE 2 **SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator determines that a distributable event has occurred, the participant loan balance is reduced and a benefit payment is recorded. Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, schedule H, line 4i—schedule of assets (held at end of year).

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation.

Benefits

Benefits are recorded when paid.

Administrative Expenses

Recordkeeping and trustee fees are paid by the Plan; all other administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Expenses relating to purchases, sales, or transfers of the Plan's investments are deducted from the particular investment fund to which the expenses relate. The loan fees and distribution fees are paid by the participants.

Subsequent Events

Management evaluated subsequent events for the Plan through October 15, 2024, the date the financial statements were available to be issued, and determined that there were no subsequent events to be included in the financial statements.

NOTE 3 INFORMATION CERTIFIED OR PROVIDED BY FIDELITY

The following is a summary of the Plan's asset and income information as of December 31, 2023 and 2022, and for the year ended December 31, 2023 included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided Fidelity, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520. 103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets and income:

	2023	2022
Mutual funds, at fair value	\$ 229,376,008	\$ 206,051,537
Common/collective trust fund, at fair value	174,169,793	159,245,137
Notes receivable from participants	5,159,128	5,575,903
Net appreciation in fair value of investments	62,754,302	
Interest and dividends	4,810,769	
Interest income on notes receivable from participants	361,920	

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy and prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4 **FAIR VALUE MEASUREMENTS** *(continued)*

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level in the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measure. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in methodologies used at December 31, 2023 and 2022.

Valuation methodologies used for each major class of assets measured at fair value are described as follows:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund at practical expedient: Valued at NAV of units of the common/collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Common/collective trust fund at readily determinable fair value: Valued based on Vanguard's daily published NAV per unit. The NAV is based upon the fair value of the underlying investments comprising the trust less liabilities.

NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 229,376,008	\$ —	\$ —	\$ 229,376,008
Common/Collective Trust funds	\$ —	\$ 163,648,594	\$ —	\$ 163,648,594
Investments measured at net asset value (a)				\$ 10,521,199
Investments at fair value				\$ 403,545,801

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 206,051,537	\$ —	\$ —	\$ 206,051,537
Common/Collective Trust funds	\$ —	\$ 145,075,115	\$ —	\$ 145,075,115
Investments measured at net asset value (a)				\$ 14,170,022
Investments at fair value				\$ 365,296,674

- a. In accordance with Accounting Standards Codification 820, certain investments that were measured at NAV per share (or its equivalent), solely Units of Common Collective Trust, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Investment	2023 Fair Value	2022 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice
Units of Common Collective Trust	\$ 10,521,199	\$ 14,170,022	\$ —	Daily	up to 12 months
	<u>\$ 10,521,199</u>	<u>\$ 14,170,022</u>	<u>\$ —</u>		

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

NOTE 4 FAIR VALUE MEASUREMENTS *(continued)*

Plan management evaluates the significance of transfer between levels based upon the nature of the investment and size of the transfer relative to the net assets available for benefits. For the year ended December 31, 2023, there were no transfers in or out of Level 3.

NOTE 5 PLAN TERMINATION

Although it has not expressed any such intent, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon the termination or partial termination of the Plan, participants become fully vested in their account balances. The assets of the trust fund shall be liquidated and distributed in accordance with the terms of the Plan, the Internal Revenue Code (IRC), ERISA, and applicable regulations issued thereunder.

NOTE 6 TAX STATUS

The Plan has received a determination letter from the IRS dated December 14, 2016, stating that the Plan is qualified under Section 401(a) of the IRC, and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and that the related trust is tax-exempt.

U.S. GAAP requires that Plan management evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RISKS AND UNCERTAINTIES

Plan participants are able to invest in various investment securities that are exposed to risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

The Plan holds certain investments which are managed by Fidelity, the Trustee of the Plan. The Plan also invests in certain mutual funds managed by Fidelity. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees paid by the Plan to Fidelity were \$188,461 for the year ended December 31, 2023.
