INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The Wawanesa Salary Deferral Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Wawanesa Salary Deferral Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of the year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE WAWANESA SALARY DEFERRAL PLAN

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of The Wawanesa Salary Deferral Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement or the summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all United States employees of the Wawanesa General Insurance Company (the Company), who have completed ninety days of service, with the exception of leased employees and employees whose compensation and conditions of employment are established by the terms of a collective bargaining agreement. On December 22, 2021, the Plan was amended and adopted a non-standardized pre-approved plan document, which was effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2019, the Plan was amended to include provisions of an "Enhanced Plan" for employees hired or rehired after December 31, 2018. Employees hired prior to January 1, 2019 and participants of the previously existing "Standard Plan" were given the option to switch to the "Enhanced Plan" effective January 1, 2020.

Plan Administration: The Plan is administered by the Company's benefit committee. The Plan's Custodian and Trustee is the Empower Trust Company, LLC (Empower). FuturePlan by Ascensus prepares the Form 5500 and performs the regulatory compliance tests.

Contributions: The Plan includes an automatic enrollment provision. Under the provision, eligible employees will automatically have 3% of their pre-tax annual compensation, as defined in the Plan, withheld as an employee contribution unless they elect another amount or no deferral. The automatic deferral will increase 1% effective on the first payroll of each subsequent Plan year in January until it reaches 6% of the employee's eligible compensation. Participants may also make contributions to the Plan on an after-tax basis by designating deferrals as Roth contributions. Under the Standard Plan, the Company match is equal to 100% of the first 1% plus 50% of the next 5% of eligible participant's gross earnings deferred. Under the Enhanced Plan, the Company match is equal to 200% of the first 2% plus 50% of the next 4% of eligible participant's gross earnings deferred. Participants of the Enhanced Plan also receive a profit-sharing contribution equal to 1% of eligible compensation. The maximum employee contribution permitted by the Internal Revenue Service (IRS) was \$22,500 and \$20,500 for calendar years 2023 and 2022, respectively. However, participants who had attained age 50 by year end could also make catch-up contributions of \$7,500 and \$6,500 for 2023 and 2022, respectively.

Participant contributions are recorded and remitted to the Custodian each bi-weekly payroll period and recorded in the year withheld from a participant's check. Company matching contributions are also recorded and remitted to the Custodian each bi-weekly payroll period.

Notes to Financial Statements

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited with the participant's contribution and rollovers, the Company's matching contribution, and allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account subject to the vesting provisions of the Plan.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions plus earnings thereon is based on years of continuous service. A participant is 100% vested upon the completion of 2 years of credited service. A participant is 0% vested if they have less than 2 years of credited service, but may become 100% vested prior to 2 years of service upon retiring on or after the normal retirement age of 65.

Forfeitures: Forfeitures are used to restore re-employed participants' accounts, if they are re-employed before incurring five consecutive 1-year breaks in service. Any remaining forfeitures may be used to pay plan administrative expenses or reduce future employer contributions. During the years ended December 31, 2023 and 2022, forfeitures of \$72,350 and \$138,566 were used to reduce employer contributions, respectively. The forfeiture balance was \$98,411 and \$69,293 at December 31, 2023 and 2022, respectively.

Payments of Benefits: Upon termination of service, if a participant's vested account does not exceed \$5,000, the Plan will roll over their account into an IRA. If a participant's vested account balance is greater than \$5,000, the participant must give consent and elect to receive payments as a single lump sum or installments, otherwise the participant may elect to defer the receipt of payments according to the Plan provisions.

Hardship Withdrawals: Participants may withdraw all or a percentage of their account balances attributable to their own employee contributions upon approval of the Plan Administrator and subject to IRS hardship withdrawal rules.

In-Service Withdrawals: Participants who have reached age 59 1/2 may make a cash withdrawal at any time from their accounts which are 100% vested.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits during the reporting periods and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounting for Fully Benefit-Responsive Investments: Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Risks and Uncertainties: The Plan provides for various investment options in mutual funds and other securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in those factors in the near term would materially affect participants' account balances and the amount reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value.

The Plan presents in the statement of changes in net assets the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: Plan administrative expenses are made from the Plan assets and are allocated among all participant accounts, except for the Empower account maintenance fees which are charged directly to the participants' accounts.

NOTE 3. FAIR VALUE MEASUREMENTS

The fair value measurement topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1. Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2. Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- **Mutual funds:** Valued at the net asset value of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at fair value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 67,292,795	\$ --	\$ --	\$ 67,292,795
Total investments at fair value	<u>\$ 67,292,795</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 67,292,795</u>

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 54,143,969	\$ --	\$ --	\$ 54,143,969
Total investments at fair value	<u>\$ 54,143,969</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 54,143,969</u>

NOTE 4. NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow, from his or her account, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Approved participant loans will only be granted in the event of a participant's financial hardship. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1%. Participants may have only one loan outstanding at a time. The repayment term of the loan is not to exceed five years, except for loans used to purchase or improve the participant's primary residence, which has a repayment term not to exceed 15 years. Principal and interest is paid through payroll deductions.

NOTE 5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan participates in unallocated insurance contracts with Empower by investing in the Empower Fixed Account - Series Class V Fund (FAF). The principal investments underlying the FAF are primarily high-quality fixed income bonds. As discussed in Note 2, the investment contracts are included in the statements of net assets available for benefits at contract value.

The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. There is no minimum interest crediting rate; however, in no event is the crediting rate less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting interest rate is most impacted by the performance of the underlying funds in the portfolios.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 5. INVESTMENT CONTRACTS WITH INSURANCE COMPANY (CONTINUED)

In the event that the Plan terminates the contract with Empower, the Plan's ability to transact with the FAF (the Fund) would be restricted and could result in the Fund not being fully benefit-responsive. Such event would also limit the Plan's ability to transact at contract value with the Plan participants. The Plan Administrator, however, believes that the occurrence of such event is not probable.

NOTE 6. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AND TRUSTEE

The Custodian and Trustee of the Plan certified certain information and that information was not audited in accordance with the Plan Administrator's instructions and as permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information included in the accompanying financial statements and supplementary schedule, certified to by the Custodian and Trustee, consists of the following:

December 31,	2023	2022
Investments, at fair value		
Mutual funds	\$ 67,292,795	\$ 54,143,969
Investments, at contract value		
Fixed income fund	\$ 3,598,969	\$ 4,661,811
Receivables		
Notes receivable from participants	\$ 414,994	\$ 474,619
Net investment income (loss)	\$ 11,232,000	\$ (12,373,414)
Interest income on notes receivable from participants	\$ 24,425	\$ 25,090

NOTE 7. FEDERAL INCOME TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan qualifies and, the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authority. The Plan Administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 8. PARTICIPANT WITHDRAWALS AND DISTRIBUTIONS

At December 31, 2023 and 2022, there were no unpaid distributions included in accounts of participants who have elected to withdraw from participation in the Plan.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 10. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments in the Fixed Account - Series Class V Fund, and Empower mutual funds and money market funds are managed by Empower, a party-in-interest to the Plan. The Company, a party-in-interest to the Plan, provides certain administrative services to the Plan at no charge. Total expenses paid by the Company were nominal for the years ended December 31, 2023 and 2022. These transactions qualify as party-in-interest transactions for which statutory exemption exists.

NOTE 11. RECONCILIATION TO FORM 5500
