Independent Auditors' Report

To the Plan Participants and Plan Administrator
Duane Morris Employee Incentive Savings 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Duane Morris Employee Incentive Savings 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DUANE MORRIS EMPLOYEE INCENTIVE SAVINGS 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of the Plan

The following description of the Duane Morris Employee Incentive Savings 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan established as a savings plan for nonlegal employees and partners of Duane Morris LLP (the Partnership), and for employees of subsidiary and affiliate companies of the Partnership that have adopted the Plan.

(b) Eligibility

Full-time individuals are eligible to begin participating in the Plan as of the first of the month following their date of hire or promotion to partner. Part-time individuals are eligible to begin participating in the Plan as of the first of the month following their date of hire if they are regularly scheduled to work a minimum of 20 hours per week.

(c) Contributions

Participants may contribute up to the lesser of 50% of their compensation or \$22,500 for 2023. Participants who have attained age 50 by December 31, 2023 may contribute up to \$30,000 for 2023 if they have elected to make a catch-up contribution. Participants may elect to contribute on a pretax and/or after-tax (Roth) basis.

The Partnership may elect to make an employer discretionary profit sharing contribution in addition to the Salary Deferral Contribution and employer matching contributions made for any plan year. The Partnership, in its sole discretion, shall determine the amount of the employer contribution for any plan year. Additional employer contributions of \$279,932 and \$209,044 were made in 2023 and 2022, respectively.

(d) Rollovers

The Plan will accept rollover contributions from eligible tax-qualified retirement plans on behalf of any active participant.

(e) Transfers

Transfers to the Plan are principally from newly promoted partners transferring their investment funds from the Duane Morris Associates' 401(k) Plan. In 2023, these transfers totaled \$1,415,440.

(f) Vesting

Participants are immediately 100% vested in both their own and employer contributions to the Plan.

(g) Distributions to Participants

The Plan provides for single-sum distributions of amounts due to participants or their beneficiaries upon their death, disability, retirement, or separation from the Partnership.

DUANE MORRIS EMPLOYEE INCENTIVE SAVINGS 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(h) Administration of the Plan

The Plan is administered by the Pension Committee of the Partnership, which is designated as the plan administrator for purposes of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Partnership pays substantially all administrative expenses of the Plan. All record-keeping expenses are paid by the Plan.

(i) Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum amount of the lesser of 50% of their vested account balance or \$50,000 and a minimum of \$500. Loans must be repaid within five years except for a purchase of a primary residence, which may be repaid within 15 years. A fixed rate of interest of prime plus 1% (ranging from 4.25% to 8.75% for loans outstanding at December 31, 2023) is established at the time of the loan and interest payments are credited to the participant's account when received. Principal and interest are paid ratably through semi-monthly or monthly payroll deductions. Participant loans are valued at amortized cost, which approximates fair value.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

(b) Valuation of Investments

The Plan's investments are stated at fair value. Refer to note 8 for additional information on the Plan's fair value measurement policy.

Security transactions are accounted for on the date securities are purchased or sold (trade date). Dividend income is recorded on the ex-dividend date. Interest income is recognized when earned. Appreciation and depreciation in the fair value of investments are recorded based upon the ending fair value of securities.

(c) Contributions

Employee contributions are recorded in the period during which the Partnership makes payroll deductions from the plan participants' earnings.

(d) Distributions to Participants

Distributions are recorded when paid. There were no pending distributions to plan participants as of December 31, 2023 and 2022.

(e) Use of Estimates

The preparation of financial statements requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

DUANE MORRIS EMPLOYEE INCENTIVE SAVINGS 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(3) Federal Income Taxes

The Partnership has requested and received an updated determination letter, dated September 27, 2013, from the Internal Revenue Service (IRS). The plan administrator and the Plan's tax counsel believe that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan continues to qualify under Section 401(a) and the related trust continues to be tax-exempt as of December 31, 2023 and 2022. Therefore, no provision for income taxes is included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The IRS has the ability to examine the Plan's tax return filings for all open tax years, which is generally the three prior years.

(4) Related-Party Transactions

During 2023 and 2022, certain plan investments were shares of mutual funds managed by the Charles Schwab Trust Bank. The Charles Schwab Trust Bank is the trustee and custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses of the Plan amounted to \$34,730 during 2023.

(5) Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants remain fully vested in their accounts and distributions occur pursuant to the Plan.

(6) Certified Information

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the trustee and custodian. The trustee and custodian has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- (a) Investments and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2023 and 2022;
- (b) Investment activity (interest, dividend and other income, and net (depreciation) appreciation in the fair value of investments), as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2023; and
- (c) The Schedule of Assets (Held at End of Year), December 31, 2023, as shown on Schedule H, Line 4i

DUANE MORRIS EMPLOYEE INCENTIVE SAVINGS 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(7) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances in the statement of net assets available for benefits.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

(8) Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standard Codification (ASC) Topic 820, *Fair Value Measurement* (ASC 820), defines fair value, establishes a framework for measuring fair value in U.S. GAAP, and enhances disclosures about fair value measurements. ASC 820 applies when other accounting pronouncements require fair value measurements, but does not require new fair value measurements. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are further described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Shares of mutual funds are valued at the quoted net asset value of shares held by the Plan at year end.

DUANE MORRIS EMPLOYEE INCENTIVE SAVINGS 401(k) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

The investments in the collective limited trust are securities traded on an exchange or in the over-the-counter market and are valued at the net asset value for a given day, or if a sale is not reported for that day, at the mean between the most recent quoted bid and asked prices.

The following table sets forth by level, within the fair value hierarchy, the Plan's participant-directed assets at fair value as of December 31, 2023 and 2022. There were no transfers into or from Levels 1 and 2 of the fair value hierarchy in 2019. The Plan's policy is to recognize transfers between levels as of the end of the reporting period.

Assets at fair value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 340,475,420	—	—	340,475,420
Collective investment trust	—	33,586,675	—	33,586,675
Total	\$ 340,475,420	33,586,675	—	374,062,095

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 297,976,058	—	—	297,976,058
Collective investment trust	—	29,997,411	—	29,997,411
Total	\$ 297,976,058	29,997,411	—	327,973,469

The Plan has \$33,586,675 and \$29,997,411 of investments in a collective limited trust, which are reported at fair value and categorized as Level 2 in the tables above for 2023 and 2022, respectively. The Plan has concluded that the net asset value reported by the underlying fund approximates the fair value of the investment. These investments are redeemable with the fund at net asset value under the original terms of the partnership agreements and/or subscription agreements and operations of the underlying funds. However, it is possible that these redemption rights may be restricted or eliminated by the funds in the future in accordance with the underlying fund agreements. Due to the nature of the investments held by the funds, changes in market conditions and the economic environment may significantly impact the net asset value of the fund and, consequently, the fair value of the Plan's interest in the funds. Furthermore, changes to the liquidity provisions of the fund may significantly impact the fair value of the Plan's interest in the fund.

(9) Prohibited Party-in-Interest Transactions

During 2023, participants' contributions totaling \$250,709 were withheld from the participants' pay, but were not remitted to the Plan's trust within the time frame required by the Department of Labor under the plan asset rules. These late remittances constituted a \$250,709 loan from the Plan to the Plan Sponsor for the periods such plan assets would have been otherwise remitted through the dates such plan assets were remitted during 2023. The Plan is taking corrective action to correct these instances of late remittances.

(10) Subsequent Events

The Plan has evaluated subsequent events through October 15, 2024, the date at which the financial statements were available to be issued, and determined that there are no other items to disclose.
