Independent Auditor's Report

To the Plan Administrator
Longfellow Real Estate Partners, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Longfellow Real Estate Partners, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan does not have sufficient accounting records and source documents relating to participant account balances for plan years prior to the year ended December 31, 2021. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a – Delinquent Participant Contributions for the year ended December 31, 2023 and Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

LONGFELLOW REAL ESTATE PARTNERS 401(k) PLAN

Notes to Financial Statements

Note A - Description of Plan

The following description of the Longfellow Real Estate Partners, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of Longfellow Real Estate Partners, LLC (the “Company”, “Plan Administrator”, or “Employer”). The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment options and monitors investment performance. Employees are eligible to participate in the Plan as of the first day of the calendar month coincident with or next following the date the eligibility requirements are met which is three months of service and have attained the age of twenty-one. The Plan was adopted by the Company on January 1, 2012. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

SECURE ACT 2.0

In December 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the SECURE Act 2.0. The SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since the SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2023 financial statements.

Contributions

Each year, participants may make pre-tax elective contributions and Roth 401(k) contributions from their eligible compensation as defined in the Plan, subject to certain Internal Revenue Service (“IRS”) limitations. Participants who have attained the age of 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Company may make discretionary non-elective employer contributions and Safe Harbor non-elective contributions. Safe Harbor non-elective contributions may not be less than 5% of Plan compensation. Employees are eligible for non-elective contributions after three months of service and have attained the age of twenty-one. The non-elective contributions are discretionary in an amount determined by the Company. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, if any, Plan earnings (losses) from investments, and is charged for specific administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant’s account.

Vesting

Participants are immediately vested in their contributions, non-elective employer contributions, and Safe Harbor non-elective contributions plus earnings thereon.

LONGFELLOW REAL ESTATE PARTNERS 401(k) PLAN

Notes to Financial Statements

Note A - Description of Plan (continued)

Payment of Benefits

Upon a disability, death, retirement, or termination of employment with the Company for any reason, the participant will be entitled to receive a cash or in-kind lump sum amount equal to the value of the participant's vested portion of their account. Partial or installment distributions are permitted only to satisfy the required minimum distribution rules. The Plan will automatically make distributions to terminated participants, without their consent, if the value of their vested account balance is greater than \$1,000.

Active participants may take a distribution from the vested portion of their account if they are at least age 59½, or from their rollover contribution account, or through a hardship distribution from the elective deferral portion of their account.

Forfeitures

As of December 31, 2023 and 2022, the balance of forfeited nonvested accounts totaled \$30,909 and \$695, respectively. The forfeitures of unvested account balances will be used to reduce future employer contributions or pay Plan administrative expenses.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made or 50% of their vested account balances. The loans are secured by the balance in the participant's account and bear a reasonable interest rate comparable to the current interest rates charged by financial institutions for similar loans and interest is paid ratably through after-tax payroll deductions.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Dividend income includes capital gain distributions from the investments. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

LONGFELLOW REAL ESTATE PARTNERS 401(k) PLAN

Notes to Financial Statements

Note B - Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent notes receivable from participants meeting such terms are reclassified as deemed loans. The balance of deemed loans at December 31, 2023 and 2022 was \$47,739 and \$46,589, respectively. The balance continues to be included in notes receivable from participants until the participant repays the notes receivable or when the account balances of the defaulted borrower(s) are distributed from the Plan.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions and recordkeeping fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events

The Plan has evaluated the effect which subsequent events may have on these financial statements. The Plan's evaluation was completed on October 15, 2024, the date the financial statements became available to be issued.

Note C - Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, *Level 2* inputs in general consist of quoted prices for similar assets in active markets and *Level 3* inputs are unobservable and significant to the fair value measurement priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

LONGFELLOW REAL ESTATE PARTNERS 401(k) PLAN

Notes to Financial Statements

Note C - Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of each year end.

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 13,332,946	\$ -	\$ -	\$ 13,332,946
Total investments at fair value	<u>\$ 13,332,946</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,332,946</u>

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,387,692	\$ -	\$ -	\$ 8,387,692
Total investments at fair value	<u>\$ 8,387,692</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,387,692</u>

There were no transfers between levels for the years ended December 31, 2023 and 2022.

Note D - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note E - Tax Status

The Plan adopted a non-standardized pre-approved profit sharing 401(k) plan. The non-standardized preapproved profit plan received a favorable opinion letter from the IRS on June 30, 2020 which stated that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since the non-standardized pre-approved profit plan received the favorable opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest expense or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

LONGFELLOW REAL ESTATE PARTNERS 401(k) PLAN

Notes to Financial Statements

Note F - Information Certified by Custodian (Unaudited)

For the years ended December 31, 2023 and 2022, the Capital Bank and Trust Company (“Custodian”) held the Plan’s investments as custodian. The following is a summary of the Plan’s financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note G - Related Party Transactions and Parties-In-Interest Transactions

Certain operating expenses of maintaining the Plan are paid by the Company. Additionally, employees of the Company perform certain routine administrative services for the Plan without charge.

Certain Plan investments are invested in shares of registered investment companies managed by Capital Bank and Trust Company and its affiliates, the Custodian of the Plan’s investments and, therefore, these transactions are regarded as party-in-interest transactions.

Capital Bank and Trust Company and its affiliates receives certain investment management or distribution revenue directly from the Plan’s investments. For the year ended December 31, 2023, the Plan made a direct payment to Capital Group Retirement Plan Services and The Retirement Advantage Inc. for recordkeeping and third-party administrative services, respectively.

Notes receivable from participants also qualify as party-in-interest transactions.

Note H - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements

Note I - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 13,680,978	\$ 8,608,387
Deemed distributed loans	<u>(47,739)</u>	<u>(46,589)</u>
Net assets per Form 5500	<u><u>\$ 13,633,239</u></u>	<u><u>\$ 8,561,798</u></u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2023 to net income per Schedule H of Form 5500:

Net increase per the financial statements	\$ 5,072,591
Deemed loan activity	<u>(1,150)</u>
Net income per Form 5500	<u><u>\$ 5,071,441</u></u>

Upon withdrawal for the Plan, deemed loans are applied against the participant's distribution. However, for the Form 5500 reporting purposes delinquent loans are removed from Plan assets and reported as a benefit paid to the participant.

Note J – Delinquent Participation Contributions

Plan related salary deferrals and loan repayments withheld from employees' paychecks must be deposited into the Plan as soon as reasonably possible. When this regulation is not satisfied, the Plan sponsor has engaged in a prohibited transaction.

During the Plan years ended December 31, 2023, 2020, and 2019, contributions totaling \$155,390 were not remitted to the Plan in a timely manner. Plan management is in the process of funding the lost earnings for \$154,223 of the contributions. On January 19, 2024, a corrective contribution totaling \$1,167 plus lost earnings were funded relating to Plan year ended December 31, 2023.

Note K – Subsequent Events

In April 2024, Capital Bank and Trust Company became the trustee of the Plan.

Effective January 1, 2024 the Plan amended the definition of compensation.
