INDEPENDENT AUDITORS' REPORT

**To the Investment Committee of
New Story Retirement Plan
Baltimore, Maryland**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of New Story Retirement Plan, formerly known as Salisbury House, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of New Story Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Story Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Story Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Story Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Story Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedules, schedule of assets (held at end of year) and schedule of delinquent contributions as of and for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NEW STORY RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A – DESCRIPTION OF THE PLAN

The following brief description of New Story Retirement Plan formerly known as Salisbury House, LLC 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. Effective August 1, 2021 the Plan formally changed its name to New Story Retirement Plan. Effective January 3, 2023, the Plan merged with SchoolCo Intermediate, LLC 401(k) plan. Eligible employees for the SchoolCo Intermediate, LLC 401(k) plan became immediately eligible for this Plan.

1. General

The Plan is a 401(k) defined contribution plan effective July 1, 1996. The Plan covers substantially all employees of Salisbury House, LLC and its consolidated entities named in the adoption agreement (collectively, the Sponsor) who have met the eligibility requirements. Nonresident aliens, leased employees, interns, consumer work program employees, and temporary employees are not eligible for the Plan. The Plan is subject to Employee Retirement Income Security Act of 1974 (ERISA). The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the plan administrator.

2. Eligibility

Employees are eligible to make contributions to the Plan on the first day of the month coinciding with or next following the attainment of age eighteen and two months of service.

3. Contributions

Each year, participants may contribute up to 80 percent of eligible pretax compensation as defined by the Plan. Participants who have attained age 50 before year end are eligible to make catch-up contributions. Participants may also make rollover contributions representing distributions from other qualified defined benefit or defined contribution plans, and Roth contributions are permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan implemented an auto-enrollment provision in June 2017, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 1 percent of eligible pretax compensation and their contributions are invested in a designated balanced fund until changed by the participant. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

The Sponsor will make safe harbor matching contributions equal to 100% of employee elective deferrals contributions up to 3% of compensation, plus 50% of elective deferral contributions which are over 3% but not over 5% of compensation. The Sponsor has the right to make an additional discretionary contribution which is allocated to each eligible employee in proportion to his or her compensation as a percentage of the compensation of all eligible employees.

NOTE A – DESCRIPTION OF THE PLAN – Continued

3. Contributions – Continued

Participants are eligible to receive the discretionary profit sharing contribution if they have completed one year of service. During the years ended December 31, 2023 and 2022, the Sponsor did not make discretionary profit sharing contributions.

4. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, without regard to their intended use of the funds. Participants may have only one note outstanding at a time. Notes are collateralized by the participant's vested account balance and are measured at their unpaid principal balance plus any accrued but unpaid interest. The notes bear interest at prime plus 1.00% at the time of origination which ranges from 4.25% to 9.50%. Interest and principal payments are made ratably through bi-weekly payroll deductions. Note terms range from one to five years except when used for the purchase of a primary residence. Notes become due immediately upon termination of the participant's employment. Delinquent notes are treated as distributions based upon the terms of the Plan document.

5. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Sponsor's contributions and (b) Plan earnings and losses, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

6. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in Sponsor safe harbor matching and discretionary profit sharing contributions plus earnings thereon according to the following schedule:

<u>Years of service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	33%
3	66%
4	100%

Participants become 100 percent vested in Sponsor safe harbor matching and discretionary profit sharing contributions upon attainment of normal retirement age or in the event of death or disability.

NOTE A – DESCRIPTION OF THE PLAN – Continued

7. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or the participant's estate or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in the participant's account, a single sum distribution of a portion of their vested balance, or installments for a specified term. If the vested account balance is less than \$1,000, it will be paid in a lump sum. If the vested balance is between \$1,000 and \$5,000, it will be rolled over to an IRA account. In service distributions for participants 59 ½ are permitted and upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose from a participant's account.

8. Forfeited Accounts

Forfeited non-vested account balances are applied to reduce future Sponsor contributions or pay administrative expenses. Forfeited non-vested accounts totaled \$59,800 and \$47,400 as of December 31, 2023 and 2022, respectively. The amount of forfeitures used to reduce the Sponsor contributions totaled \$13,075 for the year ended December 31, 2023.

9. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Sponsor. Expenses paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in the administrative expenses. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements.

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

3. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are reported on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefits are recorded when paid.

5. Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 14, 2024, the date the financial statements were available to be issued. Subsequent to year end as a result of acquisitions by the Sponsor there were three plans that were merged with the Plan after year end. Sage Thrive, Inc. Plan merged into the Plan effective January 1, 2024 and the Plan received assets in the amount of \$1,575,189. All eligible participants in that plan became eligible for the New Story Retirement Plan upon merger. The Greenwich Education Group Plan was merged into the Plan on April 17, 2024 and the Plan received assets in the amount of \$3,222,153. All eligible participants in that plan became eligible for the New Story Retirement Plan on April 1, 2024. The Learning Spectrum Plan was merged into the Plan on July 26, 2024 and the Plan received assets in the amount of \$1,433,273. All eligible participants in that plan became eligible for the New Story Retirement Plan on April 1, 2024.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee, Reliance Trust Company.

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS – Continued

The hierarchy includes three levels. Level 1 includes instruments whose inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 includes instruments whose inputs to the valuation methodology include quoted market prices for similar assets or liabilities in active markets, quoted market prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 includes instruments whose inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies are valued at quoted market prices on the active market on which the shares are traded. These are level 1 assets.

Common collective trusts valued at the net asset value, which is based on the values of the underlying investments as determined by quoted market prices, less any liabilities. These are Level 2 assets.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Description	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total

Investments measured at fair value	\$ 43,729,225	\$ 1,070,019	\$ -	\$ 44,799,244

Investments measured at fair value	\$ 29,875,760	\$ 924,313	\$ -	\$ 30,800,073

NOTE D – FAIR VALUE OF FINANCIAL INSTRUMENTS – Continued

Fair Value of Investments in Entities that use NAV

The common collective trust investment objective is to preserve invested principal while providing a competitive current rate of return. There are no restrictions on redemption and there were no unfunded commitments as of December 31, 2023 and 2022.

NOTE E –RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ADP Inc. (ADP) is the Plan's record keeper, and transactions between the Plan and ADP qualify as party-in-interest transactions. The total amount paid to ADP by the Plan for record keeping services totaled \$70,731 and \$61,000 during the years ended December 31, 2023 and 2022, respectively. RBC Wealth Management (RBC) is the current investment advisor to the Plan and UBS Financial Services, Inc. (UBS) was the previous investment advisor to the Plan. Transactions with RBC and UBS qualify as party-in-interest transactions. RBC received compensation for advisory services totaling \$38,677 for the year ended December 31, 2023 and UBS received compensation for advisory services totaling \$72,128 for the year ended December 31, 2022.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS OF THE PLAN

The Plan is a qualified prototype plan under Section 401(a) of the Internal Revenue Code (IRC) from ADP, Inc. The Internal Revenue Service (IRS) issued an opinion letter to ADP, Inc. dated October 6, 2020 stating that its prototype plan document was designed in accordance with IRC requirements as of that date.

Although the Sponsor has not applied for a determination letter for the Plan and the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan has not taken any uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
