INDEPENDENT AUDITOR'S REPORT

To the Trustee
Preservation Partners Management Group 401(k) Plan
Hermosa Beach, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Preservation Partners Management Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Preservation Partners Management Group 401(k) Plan 's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Preservation Partners Management Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As further discussed in Notes 1 and 6, the Trustee made a decision to terminate the Preservation Partners Management Group 401(k) Plan. As a result, in accordance with accounting principles generally accepted in the United States of America, the Preservation Partners Management Group 401(k) Plan, effective December 31, 2023, is presented under the liquidation basis of accounting. All plan assets were distributed by June 25, 2024.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Preservation Partners Management Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Preservation Partners Management Group 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Preservation Partners Management Group 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules listed in the accompanying table of contents as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRESERVATION PARTNERS MANAGEMENT GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1-DESCRIPTION OF PLAN

The following description of the Preservation Partners Management Group (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- A. General. The Plan, established August 3, 2007, is a defined contribution plan and, as such, is subject to some, but not all, of the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees at least 18 years of age are eligible to participate at the beginning of the month in which they were hired upon the completion of 3 months of service. Employees are automatically enrolled in the Plan on the first day of the following month in which they become eligible unless they opt out. The Plan Administrator is Preservation Partners Management Group, LLC. The Plan's Trustee is William E. Szymczak and the Plan's Custodian is John Hancock Life Insurance Company (John Hancock). The Plan's Third Party Administration and record keeper is Futureplan by Ascensus and its fiduciary is RBC Capital Markets, LLC. Effective December 31, 2023, the Plan Document was amended to terminate the Plan.
- B. Contributions. Employees may elect to contribute pre-tax dollars to the Plan, through payroll deductions, amounts up to an annual limit of the lesser of 90% of eligible compensation or \$22,500 for 2023 and \$20,500 for 2022. Additionally, participants may elect to make after-tax contributions to the Plan. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to \$7,500 for 2023 and \$6,500 for 2022, in addition to the IRS limit of and \$22,500 for 2023 and \$20,500 for 2022. Participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan into the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. As of December 31, 2023, the Plan offered 11 mutual funds and 11 collective investment trusts as investment options for participants.

If a participant meets certain requirements related to employment date, age, and service hours, the Company may contribute to the participant's account. The matching amount will be at the discretion of the Company. Matching contributions are typically credited to participants' accounts at the same time as the related participant contributions are credited.

- C. Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and plan earnings. Company contributions are invested in the investment options in the same allocation percentages as each participant's contributions. The benefit for a participant is the benefit that can be provided from the participant's vested account.

PRESERVATION PARTNERS MANAGEMENT GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

- D. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 in certain circumstances as defined in the Plan document. The loans are collateralized by the balance in the participant's account, have various maturity dates through November 2, 2027, and bear interest ranging from 5.25% to 8.25%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through bi-weekly after-tax payroll deductions. All principal and interest payments are allocated to the Plan's investment funds based on the participant's investment elections at the time of payment. Loans which are granted and repaid in compliance with the Plan provisions will not be considered distributions to the participant for tax purposes. There were 10 and 17 loans outstanding at December 31, 2023 and 2022 totaling \$100,412 and \$142,316, all respectively.
- E. Vesting. Participants are immediately vested in their elective deferral contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon is based on years of Vesting Service, as defined in the Plan document. A participant is vested in all contributions other than those which are fully vested when contributed under the following schedule:

<u>Vested</u>	<u>Years of Service</u>
0%	Less than 1
20%	1
40%	2
60%	3
80%	4
100%	5 or more

In the event of plan termination, participants will become 100 percent vested in their accounts. See Note 6.

- F. Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may request a withdrawal of all or a portion of their elective contribution account balance if they can demonstrate financial hardship as defined by the Plan. Such amounts will be considered distributions to the participant for income tax purposes.
- G. Forfeitures. Forfeited funds are used to offset Plan expenses and/or reduce future employer contributions for the next plan year. As of the years ended December 31, 2023 and 2022, \$23,340 and \$7,543, respectively, of forfeited nonvested accounts remain in the Plan and are available to pay benefit claims payables, reduce future employer contributions and pay administrative expenses of the Plan.

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2-SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared under the liquidation basis of accounting.

The Plan adopted the liquidation basis of accounting effective December 31, 2023. This basis of accounting is required when, among other things, liquidation of the Plan is imminent, as defined in the Presentation of Financial Statements – Liquidation Basis of Accounting topic of the FASB issued Accounting Standards Codification 205-30. On December 31, 2023, the Plan Trustee amended the Plan Document to terminate the Plan, at which the termination of the Plan was deemed imminent. The statement of net assets available for benefits as of December 31, 2023 is presented under the liquidation basis of accounting.

Investment valuation and income recognition

A stable value fund's investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Under the liquidation basis of accounting, fully benefit-responsive investment contracts are measured at surrender value. See Note 4. The statements of net assets available for benefit present the fair value of the investment contracts. The statement of changes in net assets for benefits is prepared using the fair value basis.

The Plan offers investments in various registered investment companies (mutual funds) maintained by John Hancock, which are valued and reported at fair value. Fair value is the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. See Note 3. Quoted market prices represent the net asset value of shares held by the Plan at year end. The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the related gains (losses) and the unrealized appreciation (depreciation) on those investments.

Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are reflected on a trade-date basis.

Earnings on investment are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

PRESERVATION PARTNERS MANAGEMENT GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

Notes receivable from participants

Notes receivable from participants are stated at the outstanding principal balance of the loan plus all accrued but unpaid interest, which approximates fair value. As of December 31, 2023 and 2022, the Plan does not have an allowance for credit losses, as repayments of principal and interest are generally received through payroll deductions, and the notes are collateralized by the participants' account balances.

The Plan is subject to the Loans to Participants topic of the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2010-25, Reporting Loans to Participants by Defined Contribution Pension Plans (ASU 2010-25), which requires loans to participants in an entity's defined contribution plan be classified as notes receivable. These loans are to be reported separately from plan investments.

Plan administration costs

The Company absorbs Plan administration costs related to accounting and legal services. The Company passes on the following Plan administration costs to participants: asset based fees, distribution fees, record keeping fees and general administration fees.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with accounting standards generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Accounting for uncertainty in income taxes

The Plan is subject to the Income Taxes topic of the FASB Accounting Standards Codification (ASC) 740, which provides guidance for how uncertain income tax positions should be recognized, measured, presented and disclosed in the financial statements. The Plan is required to evaluate the income tax positions taken or expected to be taken to determine whether the positions are more-likely-than-not to be sustained upon examination by the applicable tax authority. The Plan has determined that the application of the Income Taxes Standard does not impact the operations of the Plan and that no provision for income tax is required in the Plan's financial statements. There has been no interest or penalties recognized in the Plan's statements of net assets available for benefits as of December 31, 2023 and 2022 or its statement of changes in net assets available for benefits for the year ended December 31, 2023. Generally, federal and state returns are subject to examination for three years after the later of the original or extended due date or the date filed with the applicable tax authorities.

Subsequent events

The Plan Administrator performed an evaluation of the Plan's activity through October 14, 2024, the audit report date, and has concluded that there are no significant subsequent events requiring disclosure through the date these financial statements were available to be issued, except as disclosed in Note 6.

NOTE 3-FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Accounting guidance establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following provides a description of the valuation methodology used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2023, compared to December 31, 2022. The Company's policy for determining the timing of significant transfers between levels is at the end of the reporting period, if applicable. There were no transfers between Level 1, 2 or 3 assets or liabilities during the year ended December 31, 2023.

Mutual funds - These investments are public investment securities valued using the Net Asset Value (NAV) provided by John Hancock. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, if applicable, and then divided by the number of shares outstanding. The NAV is quoted in an active market. The mutual funds held by the Plan are deemed to be actively traded.

PRESERVATION PARTNERS MANAGEMENT GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4-COLLECTIVE INVESTMENT TRUSTS

The Plan offers a stable value fund, the John Hancock Stable Value Fund (the Fund), that seeks to preserve a participant's principal investment while earning a level of interest income that is consistent with principal preservation. The Fund seeks to maintain a stable net asset value, but it cannot guarantee that it will be able to do so. The yield of the Fund will fluctuate.

The Fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions (Contracts), fixed income securities, and money market funds. Under the terms of the Contracts, the assets of the Fund are invested in fixed income and shares of money market funds. The Fund may also invest in futures contracts, option contracts, and swap agreements. Contract value, as reported by the Fund, is the beginning balance plus any deposit and credited interest, less any withdrawals, charges or expenses at measurement that approximates fair value. Participants may ordinarily direct or withdraw or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the Fund or otherwise.

PRESERVATION PARTNERS MANAGEMENT GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

The fair value of the Fund at December 31, 2023 and 2022 was \$108,213 and \$141,727, respectively, and was included in interests in collective investment trusts on the statements of net assets available for benefits. Fair value was obtained directly from John Hancock as a practical expedient for fair value.

The Plan also offers retirement date funds, the John Hancock Lifetime Blend CITs (CITs), that are valued using the NAV provided by John Hancock. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The Plan acquires investment units in the CITs, which represent undivided interests in the underlying assets of the CITs. The purchase or redemption price of the units is determined periodically by the CITs based on the current market values of the underlying assets of the fund. The fair value of the CITs at December 31, 2023 and 2022 was \$2,846,968 and \$-0-, respectively, and was included in interests in collective investment trusts on the statements of net assets available for benefits.

NOTE 5-PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and CITs managed by John Hancock. Transactions with the investment Custodian, as defined by the Plan, qualify as party-in-interest transactions. Fees paid by the Plan for the investment management fees and services amounted to \$4,183 for the year ended December 31, 2023.

The President of the Company is currently a participant in the Plan. The President serves as the Trustee of the Plan.

Notes receivable from participants are permitted party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 6-PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. The Company ceased the majority of its operations on March 31, 2023. The Plan's Trustee approved the termination of the Plan, effective December 31, 2023. Subsequent to December 31, 2023, no contributions, loan payments or new loans were allowed into or out of the Plan. Participant balances were distributed to Participant IRA accounts or the participant's current employer's plan. The Company terminated the plan and distributed all assets as of June 25, 2024.

NOTE 7-INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIAN

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedules, including investments from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock. The information prepared and certified is as follows:

	<u>2023</u>	<u>2022</u>
Noninterest-bearing cash	\$ 23,340	\$ 7,543
Interests in collective investment trusts	2,955,181	141,726

Net appreciation (depreciation) in registered investment companies (mutual funds)	392,420	(910,006)

NOTE 8-TAX STATUS

The Plan qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code (Code), and therefore, is exempt from federal income taxes under Section 501(a) of the Code. A favorable tax determination letter has been obtained from the Internal Revenue Service. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan sponsor believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code, and therefore, believe the Plan is qualified as tax-exempt.

Under a plan qualified pursuant to Section 401(k) of the Code, participants generally will not be taxed on contributions or matching contributions, or earning thereon, until such amounts are distributed to participants or their beneficiaries under the Plan. The tax-deferred contributions and matching contributions are deductible by the Company for tax purposes when those contributions are made, subject to certain limitations set forth in Section 404 of the Code.

Participants or their beneficiaries will be taxed, at ordinary income tax rates, on the amount they receive as a distribution from the Plan at the time they receive the distribution. However, if the participant or beneficiary receives a lump sum payment of the balance under the Plan in a single taxable year, and the distribution is made by reason of death, disability, or termination of employment of the participant, or after the participant has attained age 59 1/2, then certain special tax rules may be applicable.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities.

PRESERVATION PARTNERS MANAGEMENT GROUP 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2023 AND 2022 AND FOR THE YEAR ENDED DECEMBER 31, 2023

The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in process. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 9-RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across 11 mutual funds and 11 collective investment trusts elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 10-NON-COMPLIANCE CONTRIBUTIONS

The Plan Administrator identified instances in which employee compensation was withheld to be contributed to the Plan by the Company, but was not deposited to the Plan as of December 31, 2023 and 2022. As of December 31, 2023 and 2022, \$3,263 and \$662, respectively, of employee contributions remained receivable and are included in contributions receivable - employee on the statements of net assets available for benefits. As of December 31, 2023 and 2022, \$706 and \$0, respectively, of employer matching contributions remained receivable and are included in contributions receivable - employer on the statements of net assets available for benefits. As of October 14, 2024, the audit report date, the Plan has been terminated and all Plan assets have been distributed.
