Board of Directors and Plan Administrator
Advanced Industrial Devices 401(k) Profit Sharing Plan
Tulsa, Oklahoma

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Advanced Industrial Devices 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all

material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2022 Financial Statements

Management is responsible for the accompanying financial statements of Advanced Industrial Devices 401(k) Profit Sharing Plan which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended and, the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements of Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the Association of International Certified Public Accountants. We did not audit or review the 2022 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express any opinion, a conclusion, nor provide any form of assurance on the 2022 financial statements.

ADVANCED INDUSTRIAL DEVICES 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Advanced Industrial Devices 401(k) Profit Sharing Plan (the Plan and the Trust) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Advanced Industrial Device, LLC. (the Plan Sponsor and the Company) under the provisions of Section 401(a) of the United States Internal Revenue Code (the IRC), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company and any adopting participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as certain provisions of the federal income tax laws.

The Plan is administered by the Company, whereby employees of the Company serve as the Administrative Committee of the Plan. John Hancock (JH) serves as recordkeeper of the Plan. Russell Claybrook serves as the sole individual Trustee of the Plan.

Eligibility

Eligible employees may begin participation on the first day of each month. To be eligible to participate, the employee must have been employed by the Company for 60 days (elapsed time) and have attained the age of 18. Union employees, nonresident aliens, and leased employees are not eligible to participate in the Plan.

Upon satisfying the eligibility requirements, employees may participate in the Plan on the first day of the month coinciding with or following the date that requirements are met.

Contributions

The Plan is funded through employee elective deferrals and Company contributions. Each year, participants may elect to contribute a portion of their compensation, subject to certain maximum limitations imposed by Section 402(g) of the IRC. At the discretion of the Plan Administrator, participants may be permitted to deposit or “rollover” into the Plan distributions they have received from other plans and certain Individual Retirement Accounts (IRAs).

The following contribution types are allowed by the Plan:

- Elective Deferrals
- Roth Elective Deferrals
- Qualified Automatic Contribution Arrangement (QACA) Safe Harbor
- Employer Matching
- Employer Nonelective
- Rollover

ADVANCED INDUSTRIAL DEVICES 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matching contributions, not to exceed 8% of eligible compensation, and discretionary Company contributions, which the employer will designate as qualified non-elective contributions.

The Plan has an automatic enrollment provision 3% salary deferral with 1% increases beginning in year three until reaching a maximum of 6% whereby employees must elect out of the Plan if they do not wish to participate. Additionally, the Plan permits participants permissible withdrawals within 60 days of the first automatic deferral.

The Company has elected to operate the Plan as a QACA safe harbor 401(k) plan, which makes the Plan exempt from certain compliance testing requirements. The Company makes a safe harbor matching contribution of 100% of the participant's deferral up to 3% and then 50% up to 5% of their compensation.

The Company may make discretionary nonelective contributions which will be allocated in accordance with the plan document provisions. Participants must be employed on the last day of the plan year and have earned 1,000 hours of service to be eligible to receive discretionary nonelective contributions.

The combined total of employee deferrals and Company matching contributions cannot exceed the lesser of \$66,000 during 2023 and \$61,000 during 2022, or 90% of the participant's annual compensation. Participants aged 50 and over as of year-end are eligible to make catch-up contributions to the extent permissible under law and regulations.

Participant Accounts

Participants have the right to designate the investment of their account balances, including their contributions and deferrals and the Company's matching contributions. Participants may direct the investment of their account balances to more than one option. However, the minimum investment that can be directed to any one option is 1% and whole increments of 1% must be used. Investment options are changed from time to time by the Plan Administrative Committee.

Participants may direct the sale or other disposition of securities in their account and may change their investment instructions prior to the processing of any pay cycle. Neither the Company nor John Hancock guarantees the value of investments, nor do they indemnify any employee against any loss that may result from such investments.

All interest, dividends, and other income received by John Hancock and all gains and losses from the sale of securities are credited or charged to the respective participant's account. The cost charged to a participant's account for securities purchased is the average cost for all such securities purchased during the day. Brokerage commissions, transfer taxes, and other charges and expenses in connection with the purchase or sale of securities by the Plan are either added to the cost of the securities purchased or deducted from the proceeds of the sale.

Vesting

Participants are immediately 100% vested in their elective deferrals including catch-up contributions, rollover contributions from other plans, and actual earnings thereon. The method for crediting vesting service for company contributions is based on vesting periods of service. Participants are credited with a year of service for 1,000 hours worked. Participants are always 100% vested in their company matching if they are employed on or after their Normal Retirement Age (65) or if they terminate employment on account of their death or disability. Participants who terminate for any other reason are entitled to the vested amount of their accounts.

The following schedule is applicable for the types of employer contributions allowed under the Plan:

Years of Service	Employer Nonelective Contributions	Employer Matching Contributions	QACA Safe Harbor Contributions
0	0%	0%	0%
1	0%	0%	0%
2	0%	20%	100%
3	100%	40%	100%
4	100%	60%	100%
5	100%	80%	100%
6	100%	100%	100%

Forfeited Accounts

Forfeitures occur as of the earlier of (1) the last day of the Plan Year in which the former Participant incurs five (5) consecutive 1-Year Breaks in Service, or (2) the distribution of the entire vested portion of the participant's account or (3) the distribution of employer contributions due to participant withdrawals prior to being 100% vested. Forfeitures are used to as Plan management deems reasonable. There were no forfeitures used for company contributions during the years ending December 31, 2023 and 2022. The Plan had forfeitures available of \$30,588 and \$385 at December 31, 2023 and 2022, respectively, to be used at Plan management discretion.

Investment Options

Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by up to 50% of the balance in the participant's account and bear interest at the prime rate plus 2%, as defined, and fixed for the duration of the loan. A participant may only have one outstanding loan at a time. Principal and interest are paid ratably through payroll deductions and generally repaid within 5 years.

Payment of Benefits

When benefits become due, distributions are automatically made in a lump sum unless the participant requests payment in the form of partial withdrawals.

Hardship Withdrawals

The Plan provides for participant withdrawals in the event of financial hardship. Financial hardships include the participant's purchase, construction, or repair of a primary residence, including damage that qualifies for a casualty loss deduction, certain educational or medical expenses, payments for funeral or burial expenses for specified deceased members of the participant's family, to prevent eviction or mortgage foreclosure related to the participant's principal residence, and to pay for expenses incurred on account of a federally declared disaster. Hardship withdrawals must be approved by the Plan Administrative Committee.

Administrative Expenses

Administrative expenses incurred in connection with the Plan are paid through the Plan.

Transfer of Assets in 2022

On September 28, 2022, the Plan transferred all assets to John Hancock from the Plan's previous recordkeeper. There were no changes in plan provisions upon the transfer.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES AND USE OF ESTIMATES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

See Note D for discussion of fair value measurements. Interest and other income are recorded on the accrual basis. Purchases and sales of investments are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits. Interest and dividends are recorded on a cash basis.

Payments of Benefits

Benefits are recorded when paid.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements as of December 31, 2023 or 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE C - TRUSTEE CERTIFICATIONS

The plan administrator has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, no independent auditing procedures were performed with respect to the information certified by John Hancock, the recordkeeper, as of December 31, 2023 and 2022, and for the year ended December 31, 2023.

The information certified by the recordkeeper was the annual report and accounting as of December 31, 2023 and 2022, and for the year ended December 31, 2023, which includes beginning and ending balances of investments, notes receivable from participants, net changes in fair value of investments, dividends and interest, interest income on notes receivable from participants, and the schedule of assets (held at end of year).

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10-50-2 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10-50-2 are described below:

Basis of Fair Value Measurements

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following table presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2023 and 2022. As required by FASB ASC 820-10-50-2, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS *(continued)*
DECEMBER 31, 2023 AND 2022

The investments for which fair value is determined by NAV per share as of December 31, 2023 and 2022, did not have any participant redemption restrictions or unfunded commitments. In addition, redemptions can be made on a daily basis without advance notice.

NOTE E - TAX STATUS

The Plan is a non-standard pre-approved profit sharing plan. The Plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to the Plan's qualified status. The non-standard pre-approved profit sharing plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the opinion letter, the plan administrator and tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified, and the related trust is tax exempt.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate participation in the Plan at any time subject to the provisions of ERISA. In the event of full or partial termination of the Plan, the participants will become fully vested in the Company's contributions to their account.

NOTE G - RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE H – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Plan sponsor is required to segregate employee contributions and loan repayments to the Plan from its general assets as soon as practicable. The Plan has contributions totaling \$103,255, all of which represented employee salary deferrals and loan repayments, that were not remitted timely. These contributions are considered prohibited transactions.

The Company will work with the TPA to make appropriate reports and filings to correct this issue. The Company expects to compensate the Plan for the lost earnings in 2024.

NOTE I - RELATED-PARTY TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL Regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third party administrator (the TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2023, the Plan made direct payments of \$21,108 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor pays directly any other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

NOTE J - SUBSEQUENT EVENTS

The Company has evaluated subsequent events and their related disclosures through October 15, 2024, which coincides with the financial statement issuance date and identified one such event.

SECURE 2.0 Act

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later.
