This representation letter is provided in connection with your audit of the financial statements of Bartell Hotels 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the "financial statements"). The Plan is sponsored by Bartell Hotels (the "Company").

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

Information Provided

16. We have provided you with:
- Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
 - A substantially complete draft of Form 5500.
 - Additional information that you have requested from us for the purpose of the audit.
 - Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - Copies of all minutes of all relevant boards and committees or summaries of actions of recent meetings for the period January 1, 2023 through the date of this letter. Although unsigned, the copies provided to you are representative of the

formal, executed minutes. The following is a list of such meeting minutes, agenda and/or meeting summary which are relevant to the Plan:

- None.
17. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
 18. We have disclosed to you the results of our assessment of the risk (low) that the financial statements may be materially misstated as a result of fraud.
 19. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
 20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
 21. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and Internal Revenue Service ("IRS") regulations) whose effects should be considered when preparing financial statements.
 22. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
 23. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
 24. The Plan has satisfactory title to all owned assets, which are recorded at fair value and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
 25. We have no:
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
 26. Amendments to the Plan instrument have been properly recorded or disclosed in the financial statements.
 27. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
 28. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: The values were provided by Reliance Trust Company based on the closing market prices on the dates of the Statements of Net Assets Available for Benefits for each underlying mutual fund investment (registered investment company investments). The fair value of the Plan's investment in the common/collective trust was provided by the investment manager or trustee based on the closing market prices of the underlying investments and/or contracts

(e.g., principal balance, plus interest and deposits and less withdrawals), as applicable. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

29. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
30. All required amendments to and filings of Plan (trust) documents with the appropriate agencies have been made. We intend to formally amend the Plan to incorporate the following provisions under which the Plan is currently operating, that were adopted to comply with new laws or regulations.
 - a. The SECURE 2.0 Act of 2022.
31. The Company has adopted a non-standardized pre-approved profit sharing/money purchase plan, and relies upon the pre-approved plan's most recent opinion letter from the IRS dated October 6, 2020 in which the IRS stated that, in its opinion, the plan's design was in accordance with the applicable requirements of the Internal Revenue Code (the "Code"). The Company has not applied for a determination letter from the IRS specific to the Plan. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date and through the date of this letter, and as such, no provision for income taxes has been included in the accompanying financial statements.
32. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan Sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
33. The Plan has complied with the Department of Labor's regulations concerning the timely remittance to trusts containing assets for the Plan. All contributions for the year ended December 31, 2023 were remitted to the Plan as of the earliest date that we could reasonably segregate Plan contributions from the Company's general assets, as required by the DOL.
34. The Plan has complied with the fidelity bonding requirements of ERISA.
35. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
36. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

ERISA Required Supplemental Schedule

37. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i) in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the Schedule H, Part IV, Line 4i, including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

Additional Representations

38. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
- a. The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b. A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c. The certification meets the 29 CFR 2520.103-5 requirements.
 - d. The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
39. As identified in the notes to the financial statements, we have determined based upon our review of ASC 820 that the mutual funds (registered investment companies) held by the Plan at December 31, 2023 and 2022 are considered to be Level 1 securities under the ASC 820 hierarchy. In addition, the common collective trust that was measured at net asset value per share (or its equivalent) has not been classified within the fair value hierarchy, but rather using net asset value, a practical expedient of fair value.
40. The Plan has made the required fee disclosures to participants in accordance with ERISA §404(a)(5).
41. To our knowledge, there are no amounts allocated to accounts of persons who, as of December 31, 2023 or 2022, had elected to withdraw from the Plan but had not yet been paid.
42. The Plan has complied with its provisions and with DOL and ERISA regulations in regard to (disclosure of) Plan expenses and fees charged to Plan assets and management believes that the fees and expenses are reasonable.
43. In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"). The CARES Act provides temporary relief for retirement plan sponsors and participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective prior to amending the Plan document. The Plan has implemented certain relief provisions included in the CARES Act pertaining to distributions. We expect to formally amend the Plan by December 31, 2025.
44. The Plan includes provisions for discretionary employer matching contributions. For 2023, the discretionary employer matching contribution was equal to 25% of a participant's deferral contributions up to 5% of the participant's eligible compensation during the plan

year. In March 2024, the Plan Sponsor remitted the matching contributions for the 2023 plan year.

45. Although the Company was unable to provide proof of authorization of the compensation received in 2023 for various testing selections, including year-end bonuses, in my role as President, I, Richard Bartell, have reviewed and effectively authorized all compensation
46. In regard to the nonattest services performed by you (financial statement preparation services and other nonattest services identified in your engagement letter referred to above), we have:
- a. Assumed all management responsibilities.
 - b. Designated appropriate individuals (Bill Lullo and Richard Bartell) within senior management who have suitable skill, knowledge, or experience to oversee the services.
 - c. Evaluated the adequacy and results of the services performed.
 - d. Accepted responsibility for the results of the services.
 - e. Ensures that the Plan's data and records are complete and received sufficient information to oversee the services.
