To whom it may concern:

I am writing to request relief for the late filing of our Form 5500 for the plan year ending 2023. This is our first year filing independently after transitioning from TriNet under a Professional Employer Organization (PEO) arrangement, and we are still in the process of completing our audit.

We prepared the Form 5500 and submitted it; however, we were unaware of the requirement for a third-party audit prior to submission. Our previous experience with TriNet did not necessitate this step. We take our compliance responsibilities seriously and are actively working to rectify this oversight. We have engaged an independent auditor and are in the process of finalizing the audit to ensure that our filings meet all regulatory requirements moving forward.

We sincerely apologize for any inconvenience this may have caused and are committed to maintaining compliance in the future. We respectfully request that you consider this context when assessing our late filing and grant us relief for this submission. Thank you for your understanding and consideration. If you require any further information, please do not hesitate to contact me.

Sincerely,

Signed by:
