## INDEPENDENT AUDITOR'S REPORT

To the Trustees of the  
Adtech Systems, LLC 401(k) Plan  
Sudbury, Massachusetts

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Adtech Systems, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of June 1, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period January 1 to June 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of June 1, 2023 and December 31, 2022, and for the period January 1 to June 1, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNI). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Information Required by ERISA**

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the period January 1 to June 1, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**ADTECH SYSTEMS, LLC 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED  
DECEMBER 31, 2022**

**NOTE 1. DESCRIPTION OF PLAN**

The following description of the Adtech Systems, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on March 25, 2015, covering all employees of Adtech Systems, LLC (the "Company" or the "Plan Sponsor"), who met age and service requirements as defined by the Plan Document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective March 24, 2022, the Plan was amended and restated to bring the Plan in compliance with recent legislative and regulatory changes set forth by the Internal Revenue Service ("IRS"). The Plan Sponsor's directors voted to terminate the Plan effective March 24, 2023 in connection with a change in control of the Plan Sponsor. As a result, participants became fully vested in their account balances and eligibility, contributions, and the accruals of benefits became frozen. For the period January 1 to June 1, 2023, all assets of the Plan were fully distributed to participants or transferred to a new plan administered by the acquirer of the Plan Sponsor.

Plan Eligibility

Through plan termination, all employees of the Company were eligible to participate in the Plan on the first of the month following completion of three months of service, working at least 250 hours during that period, and attaining the age of twenty one. If an employee did not meet the days of service and hours worked requirement, they would become eligible after one year of service.

Contributions

Participants could contribute a specific dollar amount or percentage of their pretax annual compensation up to the maximum amount allowed by the Internal Revenue Code ("IRC"), as defined in the Plan. The Plan also allowed some or all of these contributions to be designated as after-tax Roth contributions. Participants who had reached the age of fifty prior to the current year end were eligible to make catch-up contributions to the Plan subject to limitations of the IRC. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan included an auto enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Effective May 1, 2019, participants automatically had their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

For the period January 1 to June 1, 2023, the Company did not make matching contributions to the Plan. Previously, to be eligible, Plan participants must have completed at least 500 hours of service during the Plan year and be employed at the Company as of the last day of the Plan year.

**ADTECH SYSTEMS, LLC 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED  
DECEMBER 31, 2022**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

Contributions (continued)

The Company could make an additional discretionary profit sharing contribution to be determined annually by the Sponsor. In order to be eligible, Plan participants must have completed 500 hours of service and be employed at the Company as of the last day of the year. For the period January 1 to June 1, 2023, the Company did not elect to make a discretionary profit sharing contribution to the Plan.

All contributions were subject to certain IRC limitations.

Participant Accounts

Each participant's account was credited with the participant's contributions, the Company's matching and discretionary profit sharing contributions and investment earnings or losses, and charged with an allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contributions portion of their accounts plus actual earnings thereon was based on years of continuous service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notwithstanding the foregoing, a participant shall be 100% vested in and have a non-forfeitable right to his or her account upon retirement, death or total and permanent disability while in service. Participants became fully vested in the Company's contribution portion of their accounts upon termination of the Plan in March 2023.

Notes Receivable from Participants

Participants could borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their total vested account balance. Participants could have two outstanding loans at any given time. The loans were secured by the balances in the participant's account and bore interest at the prime rate at the time of loan issuance. Principal and interest was paid ratably through payroll deductions on an after-tax basis for a period not to exceed five years, unless the loan was for the purchase of a principal residence, in which case not to exceed thirty years.

NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED  
DECEMBER 31, 2022**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not to exceed the life expectancy of the participant. For termination of service due to other reasons, a participant could receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

The Plan allowed for hardship withdrawals from a participant's elective deferral account. Participants must have exhausted all other options before financial hardship withdrawals were allowed. The Plan allowed for hardship withdrawals due to medical expenses, funeral expenses, the purchase or repair of a principal residence and postsecondary tuition costs.

Forfeitures

Forfeitures represented the non-vested portion of terminated participants' account balances. Forfeited amounts were used to reduce employer contributions. As of December 31, 2022, there were \$6,484 of forfeitures available to reduce future employer contributions. For the period ended June 1, 2023 there were \$6,171 of forfeitures allocated against employer matching contribution.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United State of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

**FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED**  
**DECEMBER 31, 2022**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Investment Valuation and Income Recognition

The Plan's investments were held with Reliance Trust Company, the trustee, and were invested in various mutual funds and a fully benefit-responsive investment contract.

Investments were reported at fair value (except for the fully benefit-responsive investment contract, which was reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determined the Plan's valuation policies utilizing information provided by investment advisors, custodian and the trustees.

Purchase and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements

The Plan recorded, on a recurring basis, the fair value of its mutual fund investments. U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The levels of the fair value hierarchy are as follows:

**Level 1** - Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

**Level 2** - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as (1) Quoted prices for similar assets or liabilities in active markets, (2) Quoted prices for identical or similar assets or liabilities in inactive markets, (3) Inputs other than quoted prices that are observable for the asset or liability, (4) Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of asset or liability.

**Level 3** - Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED**  
**DECEMBER 31, 2022**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Fair Value Measurements (continued)

The following is a description of the valuation methodology used for asset investments measured at fair value, as well as the general classification pursuant to the valuation hierarchy, where applicable at December 31, 2022. There were no remaining investments in the Plan as of June 1, 2023. The methodology used at December 31, 2022 for the Plan's investments was as follows:

*Mutual Funds* – Mutual Funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

The preceding method described could produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan administrator believed its valuation method was appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the certain financial instruments could result in a different fair value measurement at the reporting date.

Payment of Benefits

Benefit payments were recorded when paid.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were charged directly to the participant's account and were expensed as they were incurred. The Plan did not have any outstanding notes receivable from participants at June 1, 2023. No allowance for credit losses was recorded as of December 31, 2022.

Administrative Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated all subsequent events through the date which the financial statements were available to be issued, October 15, 2024, and has determined that there are no subsequent events that require disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 855, *Subsequent Events*.

**ADTECH SYSTEMS, LLC 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED  
DECEMBER 31, 2022**

**NOTE 3. FAIR VALUE MEASUREMENTS**

There were no remaining assets measured at fair value as of June 1, 2023. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ <u>5,627,280</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>5,627,280</u>

**NOTE 4. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Reliance Trust Company, the trustee and custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of June 1, 2023 and December 31, 2022, and the related investment activity and interest income from notes receivable from participants reflected in the statement of changes in net assets available for benefits for the period January 1 to June 1, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with related information included in the financial statements and supplementary schedule.

**NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan had entered into a fully benefit-responsive investment contract with Transamerica Life Insurance Company ("Transamerica"). This contract met the fully benefit-responsive contract criteria and therefore was reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represented contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. There were no assets remaining under contract value at June 1, 2023. The contract value of the stable value investment contract at December 31, 2022 was \$19,418

This investment sought to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment had a portfolio investment rate design in which all deposits are credited with the same interest rate, credited on a daily basis, and with no set maturity. The effective credited interest rate was set semi-annually and announced at least 45 days in advance of the date the new rate becomes effective. The guaranteed rate of interest would not change during the six-month period for the time it was effective. The guaranteed rate of interest for the period January 1 to June 1, 2023 was 2.01%.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED**  
**DECEMBER 31, 2022**

**NOTE 5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**  
**(CONTINUED)**

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract was dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There were no reserves against contract value for credit risk of the issuer or otherwise.

Certain events would limit the ability of the Plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

**NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan offered a fully benefit-responsive investment contract managed by Reliance Trust Company for the period January 1 to June 1, 2023 and the year ended December 31, 2022. Reliance Trust Company was the custodian and trustee as defined by the Plan and therefore, transactions in this investment qualified as party-in-interest transactions. Fees incurred by the Plan for investment management services were included in net appreciation in fair value of the investments, as they were paid through revenue sharing, rather than a direct payment. The plan sponsor paid directly any other fees related to the Plan's operations.

The Plan also issued loans to participants, which were secured by the balances in the participant's accounts. These transactions qualified as party-in-interest transactions as that term is defined in Section 3(14) of ERISA.

**NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Schedule H Part I and II of Form 5500 are in substantial agreement with the Statements of Net Assets Available for Benefits as of June 1, 2023 and December 31, 2022 and the Statement of Changes in Net Assets Available for Benefits for the period ended June 1, 2023, and there are no reconciling items.

**NOTE 8. TAX STATUS**

The IRS had determined and informed the Plan by an opinion letter dated June 30, 2020 that the Plan and related trust were designed in accordance with the applicable sections of the IRC. Although the Plan was amended since receiving the determination letter, the Plan administrator believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC and therefore believed that the Plan was qualified and the related trust was tax exempt.

**ADTECH SYSTEMS, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE PERIOD JANUARY 1 TO JUNE 1, 2023 AND YEAR ENDED**  
**DECEMBER 31, 2022**

**NOTE 8. TAX STATUS (CONTINUED)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 1, 2023 and December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9. RISKS AND UNCERTAINTIES**

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 10. FIDELITY BONDING REQUIREMENT**

In accordance with ERISA Section 412 and related regulations, every fiduciary of the Plan and every person who handles funds or other property of the Plan are required to be bonded. A plan official must be bonded for at least 10% of the amount of funds being handled, subject to a minimum bond amount of \$1,000 per plan up to a maximum required bond amount of \$1,000,000 for a plan that holds employer's securities. For the period January 1 to June 1, 2023, the plan sponsor did not have bonding to meet ERISA Section 412 and related regulations.
