## Independent Auditor's Report

To the Plan Administrator  
Phipps Houses & Affiliates 401(k) Plan

### *Opinion*

We have audited the financial statements of Phipps Houses & Affiliates 401K Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years ended December 31, 2023 and 2022, in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Supplemental Schedules Required by ERISA*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H (Form 5500) Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2023 and Schedule H (Form 5500) Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# PHIPPS HOUSES & AFFILIATES 401K PLAN

## NOTES TO FINANCIAL STATEMENTS

**DECEMBER 31, 2023 AND 2022**

---

### 1. PLAN DESCRIPTION

The following description of the Phipps Houses & Affiliates 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

**General** - The Plan is a qualified defined contribution 401(k) plan, effective January 1, 2002, for all eligible employees of Phipps Houses and Affiliates (the “Employer”), as defined, who have completed sixty days of eligible service. Employees covered by a collective bargaining agreement with their employer are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

**Vesting** - Participants are immediately vested in their contributions plus actual earnings thereon. The Plan provides for a five-year evenly graded vesting of Employer contributions plus actual earnings thereon.

**Notes Receivable from Participants** - Loans are available, secured by the participant’s account balance, subject to certain minimum and maximum limits, as defined in the Plan document, at an interest rate of prime plus 2%, payable by the participant, generally over a period not to exceed five years. However, terms may exceed five years, but may not exceed ten years, for the purchase of a primary residence. Principal and interest is paid ratably through monthly payroll deductions.

**Payment of Benefits** - On termination of service for any reason, including death, disability, separation or retirement, a participant may elect to receive either a lump-sum amount, a “direct rollover” to an Individual Retirement Account (“IRA”) equal to the value of the participant’s vested interest in his or her account, monthly installments or elect to defer receiving payments until age 70½. In the latter instance, the account will continue to be invested and adjusted for any gains or losses that may occur.

**Withdrawals** - After age 59½, withdrawals may be made at any time. Certain provisions apply in the case of hardship withdrawals.

**Participant Contributions** - Participants in the Plan may defer up to 90% of pretax annual compensation, as limited to the maximum annual amount permitted by law (\$22,500 in 2023 and \$20,500 in 2022). Additionally, catch-up contributions, limited to \$7,500 in 2023 and \$6,500 in 2022, for employees aged 50 and above and rollover contributions are allowed under the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contribution into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation. The percentage will automatically increase each January 2 by 1% up to a maximum of

15% unless the participant affirmatively elects not to do so. Such deferred amounts may earn a return relative to a fund selection by the participant from those offered by the third-party administrator of the Plan, Principal Trust Company (the “Principal”) (see Note 7). During 2023, the Employer failed to remit \$40,991 in participant contributions within the appropriate time period. These transactions constitute prohibited transactions as defined by ERISA. The delinquent contributions and lost earnings of \$250 were remitted to the Plan in 2023.

**Employer Contributions** - The Plan permits, but does not require, the Employer to make a matching contribution. Eligible new hires are eligible to receive a non-elective Employer contribution of 4% of eligible pay to the Plan. Additionally, the Employer provides a 100% match on each participant’s first 4% of eligible pay contributed to the Plan for a maximum total Employer contribution of 8% per annum. Participants also direct the investment of Employer contributions. Employees hired before July 1, 2013 are not eligible, at this time, for any Employer contribution.

**Participant Accounts** - Each participant’s account is credited with the participant’s contributions, Employer contributions, if any, and Plan earnings and/or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Administrative Expenses** - Fees to Principal are paid by the participants. Other administrative expenses of the Plan are paid by the Employer and are excluded from these financial statements.

**Other Expenses** - Plan investments in registered investment companies (“mutual and money market funds”) may be subject to fund management and related fees, which reduce the balances of such investments and are included in other expenses on the statements of changes in net assets available for benefits.

**Forfeitures** - Forfeitures that occur during a Plan year are used to offset Employer contributions or to pay Plan expenses, as elected by the Employer. During 2023 and 2022, forfeitures of \$153,500 and \$150,002, respectively, were used to reduce Employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0.

## 2. SUMMARY OF ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

**Investment Valuation and Income Recognition** - The Plan values its investments in accordance with Accounting Standards Codification (“ASC”) No. 820, Fair Value Measurement (“ASC 820”). ASC 820 defines fair value as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants.

## PHIPPS HOUSES & AFFILIATES 401K PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

---

Valuation techniques under ASC 820 are based on observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. These two types of inputs have created the following fair value hierarchy:

- Level 1 - Quoted prices for identical instruments in active markets.
- Level 2 - Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which significant value drivers are observable.
- Level 3 - Valuations derived from valuation techniques in which significant value drivers are unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recognized on an accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statements of changes in net assets available for benefits the net appreciation or depreciation in the fair value of investments, which includes the Plan's gains or losses on those investments purchased and sold as well as held during the year.

***Risks and Uncertainties*** - The Plan's investment options are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

***Payment of Benefits*** - Benefits are recorded when paid.

***Notes Receivable from Participants*** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been established for the notes receivable from participants as of December 31, 2023 and 2022. During 2023 and 2022, distributions totaling \$48,449 and \$44,446, respectively, were used to satisfy Plan loan defaults, which have been recorded as benefits paid to participants and beneficiaries in the accompanying statements of changes in net assets available for benefits.

***Estimates*** - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

#### 3. INVESTMENTS AND FAIR VALUE MEASUREMENT

The following is a description of the valuation methodologies used for assets measured at fair value.

**Mutual Funds** - Mutual funds are valued at the net asset value (“NAV”) of shares held by the Plan at year end. The Plan uses quoted market prices to determine fair value and classifies such items in Level 1 when available.

**Common/Collective Trust Funds** - The common/collective trust funds are valued at NAV, as a practical expedient, based on the value of the units owned by the Plan. Unit value is based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means less liabilities. The Plan’s investment in the common/collective trust can be redeemed immediately at the current NAV per share. There were no unfunded commitments as of December 31, 2023 or 2022.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan’s assets as of December 31, 2023 and 2022:

|                          | LEVEL 1      | TOTAL                |

#### 4. FULLY BENEFIT-RESPONSIVE GUARANTEED INTEREST CONTRACT

The Plan entered into a fully benefit-responsive guaranteed interest contract with Principal, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed interest contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022**

---

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), and (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed interest contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

#### **5. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **6. TAX STATUS**

The Internal Revenue Service (the "IRS") has determined and informed the Principal, the prototype sponsor, by a letter dated June 30, 2022, that the form of the prototype is designed in accordance with Section 401 of the Internal Revenue Code ("IRC"), for use by employers for the benefit of their employees. Although amended since the date of the letter, the Employer believes that the Plan is designed and currently operated in compliance with the applicable requirements of the IRC.

The Plan has not taken an unsubstantiated tax position that would require provision of a liability under ASC No. 740, *Income Taxes*, and ASU 2009-06, *Implementation Guidance on Accounting for Uncertainty in Income Taxes and Disclosure Amendments for Nonpublic Entities*. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **7. PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of common/collective trust funds and a guaranteed interest contract managed by an affiliate of the Principal, the trustee and third-party administrator of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Participant loans also qualify as party-in-interest transactions.

#### **8. NONEXEMPT TRANSACTION**

As reported on the supplemental Schedule of Delinquent Participant Contributions Schedule H (Form 5500), Part IV, Line 4a, certain Plan contributions were not remitted to the Plan within the time frame

#### **9. SUBSEQUENT EVENTS**

The Plan's management has performed subsequent event procedures through October 15, 2024, which is the date the financial statements were available to be issued.
