Plan Administrator
ENGEO Incorporated 401(k) Plan

We have audited the financial statements of the ENGEO Incorporated 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2023, and we will issue our report thereon dated October 14, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Vanguard Fiduciary Trust Company (Vanguard), the custodian of the Plan, which is a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (US GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated February 21, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

QUALITATIVE ASPECTS OF ACCOUNTING PRACTICES

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 1 to the financial statements. During the year ended December 31, 2023, the Plan adopted ASC 326, *Financial Instruments—Credit Losses*, and all of the related amendments, which replace the incurred loss accounting methodology with the current expected credit losses approach for financial instruments measured at amortized cost. The adoption of this standard did not have a material impact on the Plan's financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were the fair values of investments held by Vanguard and the unrealized gains or losses. Management relied on the certification of Vanguard as to the fair value of investments in the Plan and the income earned by the investments. Those estimates have been used in the Plan's financial statements.

The financial statement disclosures are neutral, consistent and clear.

FORM 5500 PROCEDURES

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no significant difficulties in dealing with management in performing and completing our audit.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We proposed no audit adjustments.

DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

MANAGEMENT REPRESENTATIONS

We have requested certain representations from management that are included in the management representation letter dated October 14, 2024.

MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

OTHER AUDIT FINDINGS OR ISSUES

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

OTHER MATTERS

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

ENGEO INCORPORATED 401(K) PLAN

INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Board of Trustees
ENGEO Incorporated 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the ENGEO Incorporated 401(k) Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ENGEO Incorporated 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the ENGEO Incorporated 401(k) Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Vanguard Fiduciary Trust Company (Vanguard), the custodian of the ENGEO Incorporated 401(k) Plan as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information as described in Note 10 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by Vanguard agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ENGEO Incorporated 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ENGEO Incorporated 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the ENGEO Incorporated 401(k) Plan; and determining whether the ENGEO Incorporated 401(k) Plan's transactions that are presented and disclosed in the financial statements are in conformity with ENGEO Incorporated 401(k) Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ENGEO Incorporated 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ENGEO Incorporated 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Vanguard agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ENGEO INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the ENGEO Incorporated 401(k) Plan (the Plan) provides only general information. Participants and others should refer to the plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution 401(k) profit sharing plan for the exclusive benefit of the employees of ENGEO Incorporated (the Plan Sponsor) and their beneficiaries, enabling participants to save and invest in accordance with the terms of the Plan. The Plan covers all employees of the Plan Sponsor (except nonresident aliens) who are 18 years of age or older and have attained one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The effective date of the Plan was April 1, 1985. The Plan Sponsor restated the plan document as of July 12, 2021 to conform to new tax laws.

Plan Administration: The Plan is administered by the Plan Sponsor. The Plan Administrator controls and manages the operation and administration of the Plan. Vanguard serves as the Plan recordkeeper and custodian.

Contributions: Participants may make voluntary elective deferral contributions, subject to prescribed limitations and rollover contributions from a qualified plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may direct the investment of their contributions into various investment options offered by the Plan. If an eligible participant does not complete a salary deferral agreement, the Plan Sponsor will automatically withhold 5% of compensation and contribute such amount to the Plan as a salary deferral, increasing every year by 1% with a maximum deferral of 10%. A participant may enter a salary deferral agreement at any time to select an alternative deferral amount or to elect not to defer into the Plan.

Each year, the Plan Sponsor may contribute to the Plan a discretionary matching and/or profit sharing contribution as determined by the Board of Directors. The discretionary matching contribution is a designated percentage of a participant's elective contribution, and the discretionary profit sharing is based on a *pro rata* uniform dollar amount. An employee must be employed with the Plan Sponsor on the last day of the year to be eligible for any discretionary matching and/or profit sharing contribution and not be a union employee. Further, these discretionary amounts are paid in cash on or before the last day for filing the Plan Sponsor's federal income tax return for the taxable year. The Plan Sponsor matched 25% of the participant's elective contributions for the years ended December 31, 2023 and 2022. There were no discretionary *pro rata* profit sharing contributions for the years ended December 31, 2023 and 2022.

Each year, the Plan Sponsor may also contribute an additional discretionary contribution as determined by the Board of Directors. This additional discretionary contribution, known as a Supplemental Retirement Account (SRA), is designed to supplement the retirement savings for employees who have chosen a career path of Engineering Services Representative, which is a non-union position. During the plan years ended December 31, 2023 and 2022, the Plan Sponsor made SRA contributions equal to \$3 for every eligible hour worked, which was paid on a per payroll basis, plus an additional \$0.75 per hour worked if the employee was still employed on the last day of the plan year, which was paid subsequent to plan year-end.

The Plan Sponsor will make a nonelective prevailing wage contribution on behalf of each participant who performs any service under a public contract subject to the Davis-Bacon Act or any other federal, state or municipal prevailing wage law. The prevailing wage contribution will be determined based on the required contribution rates for the employment classifications under the applicable federal, state or municipal prevailing wage laws. The Plan Sponsor may make the required contribution for such service without designating the exact amount of such contribution. Union, leased and temporary/seasonal employees are not eligible to receive the prevailing wage contribution.

ENGEO INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsor's contributions and (b) the Plan's earnings (losses). Plan earnings (losses) are allocated based on participant account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Investment Options: Participants may direct employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature. Participants may change their investment options at any time during the year via direct phone or internet access to Vanguard.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Loans to participants, subject to the discretion of the Plan Administrator, are limited to \$50,000 or 50% of the employee's vested interest, whichever is less, with a minimum amount of \$1,000. The maximum number of outstanding loans to a participant at any one time is one. The repayment term of the loans may not exceed five years (with the exception of a loan used to purchase a primary residence, whereby the term of the loan may exceed five years). The loans are secured by the participants' interests in the Plan's assets and bear interest at a fixed rate equal to 1% above the prime rate. Payments of interest and principal are made via payroll deduction each payroll period.

Vesting: Participants are immediately vested in their elective deferral and rollover contributions plus actual earnings (losses) thereon. Participants are also immediately vested in any discretionary employer matching contributions, SRA contributions and prevailing wage contributions plus actual earnings (losses) thereon. Vesting in the Plan Sponsor's discretionary profit sharing contribution portion of participants' accounts plus actual earnings (losses) thereon is based on years of service. A participant is 100% vested after five years of service based on the following schedule:

Less than one year of service	0%
One year of service	20%
Two years of service	40%
Three years of service	60%
Four years of service	80%
Five years of service	100%

Payment of Benefits: Upon termination of service due to death, disability or retirement, a participant is entitled to receive the participant's vested aggregate account balance and may choose to leave the assets invested in the Plan or take a lump-sum distribution. However, the Plan Administrator, without the consent of the participant, may distribute a participant's vested aggregate account balance in a lump sum any time after a participant terminates employment if the participant's account balance does not exceed \$5,000.

Participants currently employed may be entitled to receive in-service distributions upon reaching the normal retirement age of 65 or upon reaching the early retirement age of 55 plus six years of service.

Forfeited Accounts: Forfeited nonvested accounts are used to reduce employer contributions. There were no forfeited nonvested accounts for the years ended December 31, 2023 and 2022, and there were no forfeited amounts used to reduce employer contributions for the plan year ended December 31, 2023.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions and the withholding of participants' voluntary salary reduction amounts at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in all amounts credited to their accounts.

ENGEO INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan were prepared using the accrual method of accounting. Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires management to make a number of estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement: The Accounting Standards Codification (ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three-tier fair value hierarchy includes the following categories:

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ENGEO INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

- *Mutual Funds* – Investments in mutual funds are valued at fair value based on quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.
- *Self-Directed Brokerage Funds* – Investments in self-directed brokerage funds consist primarily of exchange traded stocks and bonds, which are valued based on quoted market prices. Self-directed brokerage funds are classified as Level 1 measurements.
- *Common/Collective Trust Funds* – Common/collective trust funds are valued at the NAV provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient should not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. There are currently no redemption restrictions or unfunded commitments on these investments.

The Plan's investments that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distributions and terminated employees' accounts are charged directly to the participant's account and included in administrative expenses. Investment related expenses are included under net appreciation in fair value of investments.

New Accounting Pronouncement Adopted: On January 1, 2023, the Plan adopted ASC 326, *Financial Instruments—Credit Losses*, and all of the related amendments, which replace the incurred loss accounting methodology with the current expected credit losses approach for financial instruments measured at amortized cost, including contributions receivable. The adoption of this standard did not have a material impact on the Plan's financial statements.

Subsequent Events: The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair values of the Plan's investments, by level within the fair value hierarchy, are as follows:

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2023				
Mutual funds	\$ 53,518,559	\$ 53,518,559	\$ -	\$ -

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022				
Mutual funds	\$ 45,213,162	\$ 45,213,162	\$ -	\$ -
Self-directed brokerage funds	548,122	548,122	-	-
	45,761,284	<u>\$ 45,761,284</u>	<u>\$ -</u>	<u>\$ -</u>
Common/collective trust funds at NAV	8,074,062			
	<u>\$ 53,835,346</u>			

Gains and losses included in net assets available for plan benefits for the years ended December 31, 2023 and 2022 are reported under net appreciation in fair value of investments.

In accordance with Subtopic 820-10, the common/collective trust funds, which are measured at NAV per share (or its equivalent) as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented herein are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2023 and 2022, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV AS A PRACTICAL EXPEDIENT

The investments measured at fair value based on NAV per share are summarized as follows:

Investments	Fair Value as of December 31,		Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
	2023	2022			
Common/collective trust funds	\$ 11,037,052	\$ 8,074,062	N/A	Daily	None

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a common/collective trust investment issued by Vanguard (Vanguard Retirement Savings Trust III) composed primarily of investment contracts issued by insurance companies, banks or other financial institutions, including investment contracts backed by high-quality fixed income securities. Vanguard maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. These contracts meet the fully benefit-responsive investment contract criteria and are therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount that would be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

ENGEO INCORPORATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive contracts is dependent upon the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

The Vanguard Retirement Savings Trust III fund amounts of \$2,003,072 and \$2,804,060 as of December 31, 2023 and 2022, respectively, were disclosed at contract value.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan may determine.

NOTE 7 – TAX STATUS

The Plan was amended and restated effective January 1, 2022 and is operating under The Vanguard Group Non-Standardized Pre-Approved Profit Sharing Plan with CODA, which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. A favorable determination letter indicates that the form of the Plan is qualified under the applicable requirements of the IRC and is exempt from taxation. Although the Plan has been amended since the adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2023 and 2022, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of investments and participant loans.

NOTE 9 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the DOL Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employees and certain others. The Plan's assets are held in trust by Vanguard as of December 31, 2023 and 2022. Vanguard is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. The expenses incurred in the provision of these services constitute exempt party-in-interest transactions under ERISA.
