INDEPENDENT AUDITORS' REPORT

To the Management and 401(k) Oversight Committee of the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROBSON COMMUNITIES, INC. AND PARTICIPATING
COMPANIES 401(K) RETIREMENT PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

(1) DESCRIPTION OF THE PLAN

The following description of the Robson Communities, Inc. and Participating Companies 401(k) Retirement Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Robson Communities, Inc. and the affiliated companies (collectively, the “Company”) for which Robson Communities, Inc. provides human resources services. As of December 31, 2023, there were 28 affiliated companies of Robson Communities, Inc. that were adopting employers of the Plan. The Plan was established effective January 1, 1988. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan is a profit-sharing plan, which qualifies under Sections 401 and 401(k) of the Internal Revenue Code of 1986. The Plan provides for retirement, disability, and death benefits for eligible employees.

Transfers

Effective December 31, 2022, the five affiliated homeowners associations terminated their adoption of the Plan. Effective January 1, 2023, Robson Communities, Inc. established a new plan named the Robson Communities, Inc. Homeowners Associations 401(k) Retirement Plan (the “HOA Plan”). Concurrently, the five affiliated homeowners associations adopted the HOA Plan and a total of \$5,076,407 of investments was transferred from the Plan to the HOA Plan. This amount comprised the account balances of all participants either currently or previously employed by these affiliated homeowner associations.

Effective December 31, 2024, one participating company will terminate its adoption of the Plan. As of that date, the account balances of all participants either currently or previously employed by this company will be transferred from the Plan. The value of investments to be transferred as of December 31, 2023 is \$1,153,883. The financial position of the Plan remained unchanged as of December 31, 2023. The 2024 financial statements will reflect this as a transfer out of the Plan.

Amendments

Effective January 1, 2022, the Plan was restated and amended to incorporate all amendments, update changes required by law, and add new sections for changes in provisions since the previous restatement.

(1) DESCRIPTION OF THE PLAN (Continued)

Amendments (Continued)

Effective January 1, 2023, the Plan was amended to include Roth contribution options, reduce the minimum age for participation from 21 to 18 years old, and modify the service requirement for eligibility from 1 year to 60 days. Furthermore, entry dates to the Plan were adjusted to the first day of the month following the completion of the service requirement, as opposed to the previous provision of the first day of the following quarter.

Effective January 1, 2023, the Plan was amended to correct the Plan's employer identification number.

Effective October 1, 2024, the Plan was amended to provide additional options for the distribution of benefits to participants.

These amendments had no impact on participants' accounts, benefits, or the financial position of the Plan.

Recent Legislative Changes

On December 29, 2022, the SECURE 2.0 Act of 2022 was signed into law. This legislation builds on the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") and includes several provisions that may impact the Plan. These provisions include changes to contribution limits, catch-up contributions, hardship distributions, and required minimum distributions, as well as new rules for part-time employees and student loan borrowers. The Company is currently evaluating the impact of this legislation on the Plan and will implement any necessary changes.

Administration

The Plan is sponsored by the Company and is administered by the 401(k) Oversight Committee (the "Plan Administrator").

The Company has contracted with Schwab Retirement Plan Services, Inc. to perform record keeping and administrative services for the Plan. Included in these services, Schwab Retirement Plan Services, Inc. maintains the participants' accounts and prepares the Plan's Form 5500.

The Company has contracted with Charles Schwab Trust Bank to serve as the Plan's trustee and custodian. As the Plan's trustee and custodian, Charles Schwab Trust Bank holds the Plan's investment assets and executes investment transactions.

The Company has contracted with CapFinancial Partners, LLC, conducting business under the trade name of CAPTRUST Financial Advisors, to provide investment advisory services for the Plan.

(1) DESCRIPTION OF THE PLAN (Continued)

Eligibility

Employees of the Company who are at least age 18 and have completed 60 days of service are eligible to participate in the Plan.

Contributions

Eligible employees are automatically enrolled in the Plan with a contribution rate of 4% of compensation, unless the respective employees elect otherwise. Each year, participants may contribute 1% to 100% of pre-tax annual compensation, not to exceed \$22,500 and \$20,500 in 2023 and 2022, respectively, as an elective deferral. Employees at least 50 years old may contribute a maximum of \$30,000 and \$27,000 in 2023 and 2022, respectively.

The Company contributes to the account of each participant a matching contribution of 25% of each participant's elective deferral up to the first 15% of their elective deferral. The Company may also make a profit-sharing contribution to the Plan in an amount which it shall determine at its sole discretion. There were no profit-sharing contributions during 2023 or 2022.

Qualified Nonelective Contributions

Qualified nonelective contributions of \$19,110 related to 2023 were made to certain non-highly compensated participants to correct failed nondiscrimination tests. These contributions are typically made in the year following the year of the respective nondiscrimination tests.

Corrective Distributions

Corrective distributions of \$845 related to 2022 were made to certain highly compensated participants to correct failed nondiscrimination tests. These distributions are typically made in the year following the year of the respective nondiscrimination tests.

Vesting

Participants are immediately vested in their elective deferral contributions. Vesting on the employer contributions, and income allocable to these contributions, is based on qualifying years of service and is determined as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
< 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

(1) DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued)

Additionally, a participant is 100% vested upon the attainment of normal retirement age, total and permanent disability, or death.

Participant Accounts

Each participant's account is credited with their participant contributions, allocations of employer contributions, and investment earnings. Charges to each participant's account include investment losses and administrative expenses. The benefit each participant is entitled to is derived from their vested account balance.

Investment Options

The Plan Administrator, with consultation from CAPTRUST Financial Advisors, provides investment funds for the participants to invest their contributions. The available options include funds with varying allocations between equity and debt. Participants may elect to have their elective deferral contribution invested in any fund or combination of funds provided by the Plan. Participants may change their investment options at any time.

Forfeited Accounts

Non-vested portions of participant accounts are forfeited upon termination of employment. The Plan allows for forfeited amounts to be used: 1) to reduce the employer contribution; 2) to pay plan administrative expenses; or 3) to restore forfeited amounts to employees who return to the Plan within a designated period of time. During 2023 and 2022, forfeitures representing the value of non-vested benefits of terminated participants were \$23,391 and \$23,796, respectively.

The amount of the forfeitures used to reduce employer contributions for 2023 and 2022 was \$23,641 and \$24,500, respectively. The cumulative amount of forfeited balances, including net earnings, at December 31, 2023 and 2022 was \$5,950 and \$5,562, respectively.

Benefit Payments

Participants are eligible to receive the vested portion of their account in installment payments (if the account balance exceeds \$5,000), a lump-sum payment, or a rollover distribution. These distributions can be made upon reaching age 59 ½, upon termination of employment, or under specific hardship circumstances.

(2) SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices available on active markets. Units of the collective investment trust are stated at net asset value based upon the quoted prices of the underlying investments.

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation or depreciation in the value of its investments which consists of the realized gains or losses, the unrealized appreciation or depreciation on those investments, and capital gain distributions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payments of Benefits

Benefits are recorded when paid. At December 31, 2023 and 2022, all benefits requested had been paid.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investment funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(3) PLAN EXPENSES

The Company incurs a portion of the expenses pertaining to the administration of the Plan. Costs included accounting personnel, the value of which is undetermined, and investment advisory, audit, and consulting fees of \$76,010 and \$97,483 in 2023 and 2022, respectively. The expenses incurred and charged to the Plan for record keeping and distribution fees totaled \$52,777 and \$72,671 in 2023 and 2022, respectively.

The investment funds are also subject to asset-based fees. These fees are taken out of the investment funds' assets, which lower the returns generated by the investment funds. A portion of these fees on certain funds are paid to the Plan's service providers. The remaining portion is used to pay investment fund operating costs and the various fund managers.

(4) INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance as permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate to the best of their knowledge and belief.

- Investments as shown in the statements of net assets available for benefits and related disclosures as of December 31, 2023 and 2022.
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investment information included in the supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

(5) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer matching contributions and the administrator shall distribute the assets in the same manner as benefits are distributed.

(6) TAX STATUS

The Plan obtained its latest determination letter on September 21, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has not taken, nor expects to take, any uncertain income tax positions that would require recognition of a liability or disclosure in the Plan's financial statements. The Plan may be subject to routine audits by tax authorities but is not currently under audit. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

(7) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's financial statements are prepared on the accrual basis of accounting, whereas the Plan's Form 5500 is prepared using a modified cash basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 47,870,266	\$ 45,272,397

(7) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Continued)

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>

Change in the adjustment for employer contributions receivable	(19,110)	5,507
Change in the adjustment for administrative expenses payable	(5,431)	(307)
Change in the adjustment for corrective distributions payable	<u>(845)</u>	<u>(5,170)</u>
Change in net assets available for benefits per the Form 5500	<u>\$ 7,648,890</u>	<u>\$ (7,194,773)</u>

(8) COLLECTIVE INVESTMENT TRUST

The Plan invests in the MetLife Stable Value Fund Trust, which is a collective investment trust of Metropolitan Life Insurance Company and for which Reliance Trust Company serves as the trustee and investment manager. The purpose of this investment is to maintain principal value, protect against market price volatility, obtain consistent income return, and provide liquidity for benefit payments and withdrawals. The fund is included in the statements of net assets available for benefits at net asset value (“NAV”) as determined by Reliance Trust Company based upon the quoted market prices of the underlying investments. NAV is used as a practical expedient to estimate fair value.

There are no unfunded commitments or restrictions on redemptions by participants of the collective investment trust. The Plan is required to provide a sixty-day redemption notice to liquidate its entire share in the collective investment trust.

(9) FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three level of inputs that may be used to measure fair value:

- Level 1 - Quoted prices in active markets for identical assets.

(9) FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

- Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.
- Level 3 - Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets.

As discussed in Note 8, the Plan's investment in the collective investment trust is measured at NAV and has not been classified in the fair value hierarchy.

At December 31, 2023 and 2022, the Plan's portfolio investments were classified as follows, based on fair values:

Financial Instrument	Fair Value Hierarchy	2023	2022
Investments measured at fair value			
Mutual funds	Level 1	\$ 44,537,585	\$ 41,349,003
Investments measured at net asset value			
Collective investment trust		3,315,013	3,925,068
