RIDE CONNECTION, INC.
403(b) PLAN

Audited Financial Statements
For the Years Ended December 31, 2023 and 2022

McDONALD JACOBS

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of
Ride Connection, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ride Connection, Inc. 403(b) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ride Connection, Inc.’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Ride Connection, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ride Connection, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ride Connection, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Ride Connection, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RIDE CONNECTION, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Ride Connection, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan was originally established effective January 2009 and most recently amended in 2021. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The plan sponsor is Ride Connection, Inc. (Ride Connection or the Organization). The custodian of the Plan is Ascensus Trust Company. All participant account balances are participant directed and held by Ascensus. The Plan trustees are responsible for oversight of the Plan.

Eligibility

All eligible regular employees of Ride Connection, Inc. (the Organization), are eligible to enroll on their date of hire. Participation in the Plan begins the month following the participant's date of hire. Eligible employees may work as few as 20 hours per week.

Participant Contributions

Participants may contribute up to an amount equal to a dollar amount or percentage of the contributing participant’s compensation not to exceed the limits imposed by Internal Revenue Code sections 402(g), 403(b), and 415, as defined in the plan document. Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

The Organization contributes 100 percent of the first 2% of base compensation that a participant contributes to the Plan. Additional discretionary amounts may be contributed by the Organization at the option of the Plan Trustees. For the years ended December 31, 2023 and 2022, the Organization did not approve a discretionary profit-sharing contribution to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Participant Accounts

Each participant's account is credited with their contributions, allocations of the Organization's contributions, and the Plan's earnings or losses. Participants' accounts are charged with any distributions made to the participant. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant's account.

Investment Options

Upon enrollment, participants are responsible for directing the investment of their contributions, the Organization's contributions, and any earnings thereon into various mutual funds offered by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's contribution portion of their accounts is immediately 100% vested. As such, there are no forfeitures.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2% above the prime rate, as defined. At December 31, 2023 and 2022, the interest rates on the existing loans ranged from 9.5% to 10.50%. Principal and interest are paid ratably through monthly payroll deductions. Terms range up to 5 years or greater for the purchase of a primary residence. Delinquent notes receivable are recorded as a distribution based on the terms of plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a terminated participant's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of lump sum, non-recurring partial payments, or installment payments depending on the account balance. In addition, the Plan allows for hardship distributions if certain criteria are met.

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Plan Expenses

Investment related expenses are included in net increase or decrease in fair value of investments. Other expenses of the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Participant Rollovers

Participants are allowed to transfer or roll over funds into the Plan from another qualified plan.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of additions to and deduction from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in the shares of registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determines the Plan's valuation policies using information provided by the investment advisers, custodians and insurance company, as applicable. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net increase or decrease in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits Paid to Participants

Benefits paid to participants are recorded when paid. At December 31, 2023 and 2022, there were no benefits processed and approved for payment, but not paid.

2. TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are managed by the custodian. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to ERISA provisions. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

4. INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC) and its terms have been drafted in reliance on the sample language provided by the Internal Revenue Service Revenue Procedure 2007-71 (IRS). The Plan is required to operate in accordance with Section 403(b) of the IRC to maintain its tax exemption. The Plan has been amended since inception. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. INVESTMENT RISK AND CONCENTRATIONS

The Plan provides for various investment options that have different investment strategies. These investments are exposed to various risks such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible changes in the values of investment securities will occur in the near-term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As of December 31, 2023 and December 31, 2022, the Plan had approximately 56% of investments that were concentrated in four funds as follows:

<u>Mutual Fund:</u>	<u>Value</u> <u>12/31/2023</u>	<u>Value</u> <u>12/31/2022</u>
Vanguard Target Retirement 2025 Fund	\$ 817,024	\$ 636,535
Vanguard Target Retirement 2030 Fund	962,713	763,437
Vanguard Target Retirement 2035 Fund	767,177	602,162
Vanguard Target Retirement 2050 Fund	652,773	450,678

6. CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments and notes receivable from participants is disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, net appreciation in fair value of investments, interests and dividends, and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022. The following information was obtained by management and agreed to or derived from information certified as complete and accurate:

Cash and cash equivalents as shown in the accompanying statement of net assets available for benefits at December 31, 2023 and 2022, of \$22,429 and \$20,277, respectively.

Investments as shown in the accompanying statements of net assets available for benefits at December 31, 2023 and 2022, of \$5,664,863 and \$4,187,101, respectively.

Net investment (loss) income in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022 of \$667,892 and \$(826,659), respectively.

6. CERTIFIED INVESTMENTS (UNAUDITED), Continued

Notes receivable from participants as shown in the accompanying statement of net assets available for benefits at December 31, 2023 and 2022 of \$68,557 and \$11,243, respectively. Dividends and interest income for the years ended December 31, 2023 and 2022 were \$131,370 and \$84,015, respectively.

7. FAIR VALUE MEASUREMENTS

Assets, including investments, are recorded at fair value in the statements of net assets available for benefits and are categorized based upon the level of judgment associated with the inputs used to measure their fair value. Level inputs are defined as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets.

Level 2: Observable inputs other than those included in Level 1, such as quoted market prices for similar assets or liabilities in active markets, or quoted market prices for identical assets in inactive markets.

Level 3: Unobservable inputs reflecting management's own assumptions about the inputs used in pricing the asset. Level 3 assets include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair values requires significant management judgment or estimation.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023.

Registered investment companies

The fair value of investments in mutual funds from registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges as determined by the custodian. The preceding method may produce a fair value calculation that may be indicative of net realized value or reflective of future values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual funds of \$5,664,863 and \$4,187,101 are valued using Level 1 inputs at December 31, 2023, respectively.
