INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Pacific Plastics, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pacific Plastics, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PACIFIC PLASTICS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Pacific Plastics, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General and Eligibility - The Plan was adopted on November 1, 1998 to qualify as a defined contribution retirement plan. The Plan covers eligible employees of Pacific Plastics, Inc. (“the Company”). The Plan is a defined contribution plan covering all full-time employees of the Company who have completed 12 consecutive months of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company operates this Plan as a safe harbor 401(k) plan. Accordingly, by making specified safe harbor matching contributions to the Plan, the Company is exempted from certain compliance testing requirements.

Contributions - The Company’s eligible employees may contribute from one percent (1%) to one hundred percent (100%) of their compensation, subject to limitations as defined by the Internal Revenue Code (the “IRC”), each year on a pre-tax or post-tax basis by salary reduction. Participants who are age 50 or older at the end of 2023 may also make additional catch-up contributions up to \$7,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will make safe harbor 401(k) matching contributions based on the amounts eligible employees contribute into the Plan as compensation deferrals. Employee contributions up to 3% will receive a safe harbor 401(k) matching contribution of 100% on their deferrals. Employee contributions greater than 3% but not more than 5% will receive a safe harbor 401(k) matching contribution of 50% on their deferrals. These contributions can be limited based on maximum compensation provisions as defined by the IRC.

Participant Accounts - Each participant’s account is credited with the allocation of (a) the Company’s contributions, (b) the participant contributions, (c) Plan earnings and (d) expenses, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are one hundred percent (100%) in their contributions and earnings on their contributions. Participants are also one hundred percent (100%) vested in the safe harbor 401(k) matching contributions. Participants become vested in their prior Company discretionary profit sharing contributions and any earnings on such contributions as follows:

Periods of Service For Vesting	Percent Vested
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

PACIFIC PLASTICS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Payment of Benefits - On termination of service due to death, disability, retirement or other reasons, a participant may receive the vested portion of their account balance as a lump-sum payment, installment payments, or an annuity contract (other than a life annuity). Participants may also elect to rollover their account balance to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. A vested account balance not exceeding \$5,000 must be taken out of the Plan when employment is terminated. With the Plan Administrator's approval, participants may make withdrawals in the event of financial hardship, subject to certain limitations.

Notes Receivable from Participants - Participants may borrow against their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans generally must be repaid within 5 years, unless the loan is used to purchase a primary residence. The loans are secured by the balance in the participant's account. Loan interest rates are computed using the prime rate (as specified in the Wall Street Journal) plus 1%. The loans currently bear interest at rates ranging from 4.25% to 9.50%.

Forfeited Accounts - Amounts forfeited from the terminating participants' non-vested portion of their employer discretionary contributions and the related earnings may be used to pay Plan expenses or reduce any future employer contributions to the Plan. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$226,047 and \$20,559, respectively. No forfeitures were used to pay Plan expenses or reduce employer contributions during 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. At December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. The balances at December 31, 2023 and 2022 were \$184,900 and \$89,824, respectively.

Excess Contributions – Amounts due to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. At December 31, 2022, the Company recorded a liability of \$195,305 for an over-contribution of matching funds it made during 2022. At December 31, 2023, this liability totaled \$198,901.

Payment of Benefits - Benefits are recorded when paid.

Plan Fees and Administrative Expenses – The Company absorbs significant costs of administering the Plan and these expenses are excluded from these financial statements. The costs of actively managed investment portfolios are charged directly to the participants' accounts and are included in administrative expenses. These expenses totaled \$7,944 in 2023. Other investment-related expenses are included within the net appreciation in fair value of investments.

Date of Management's Review - The Plan has evaluated subsequent events through October 15, 2024, the date the financial statements were available to be issued.

NOTE 3 – CERTIFICATION OF INVESTMENT INFORMATION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by United of Omaha Life Insurance Company (the custodian of the Plan) ("United of Omaha") in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

At December 31, 2023 and 2022, the Plan held a traditional fully benefit-responsive guaranteed investment contract with United of Omaha. United of Omaha maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by United of Omaha, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022, was \$3,573,287 and \$3,104,904, respectively.

The crediting interest rates are based on current market conditions and the quality of the assets that United of Omaha's Investment Division can purchase to support the corresponding liability. The yield on those assets, less the predetermined product expense loads (including variables such as payment of commissions) equals the interest rate to the contract holder. The annual effective interest rates are guaranteed for five years. These rates are declared at the beginning of each month and any deposits made that month will be guaranteed that month's rate for five years. Withdrawals are made on a pro-rata basis from each monthly maturity account. The annual guaranteed effective interest rate for the year ended December 31, 2023 averaged 2.65%.

Certain events limit the Plan's ability to transact at contract value with United of Omaha. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events could allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value.

Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits, except for fully benefit-responsive contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs and valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 inputs to the valuation methodology consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs to the valuation methodology consist of observable inputs other than quoted prices for identical assets.
- Level 3 inputs to the valuation methodology are unobservable and have the lowest priority.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs are not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts

United of Omaha calculates a unit value for each separate account investment based on the observable net asset value (NAV) of the underlying assets, which include a mix of mutual funds, collective trusts and managed accounts. All underlying investment options are valued daily. This daily price is considered the selling price for transfers and withdrawals, and it is calculated each day the principal market is open. The unit price is quoted on a private market that is not active. However, the unit price is based on underlying investments which are traded on an active market. The investment options are available for trading each day the principal market is open. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The nature, risks and investment objectives of the investments above can be found in the Plan's enrollment literature. These investments can be redeemed immediately without a notification period. There were no unfunded commitments as of December 31, 2023 and 2022. Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023 are reported in the net appreciation in fair value of investments. As described above, these gains and losses are based on fair values measured by prices quoted in a private market, with underlying investments that are quoted in an active market.

PACIFIC PLASTICS, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

	<u>December 31,</u> <u>2023</u>	<u>December 31,</u> <u>2022</u>
Total investments in the fair value hierarchy - levels 1, 2 and 3	\$ --	\$ --
Pooled separate accounts measured at NAV *	<u>2,959,382</u>	<u>2,471,842</u>
	<u>\$ 2,959,382</u>	<u>\$ 2,471,842</u>

** Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the Statements of Net Assets Available for Benefits.*

NOTE 6 – CORRECTIVE CONTRIBUTIONS

The Company recorded a Qualified Nonelective Contribution (QNEC) and a related receivable of \$22,333 to account for the effect of missed deferrals, which were primarily in its November 2, 2023 payroll. The QNEC includes 50% of the missed salary deferrals, the missed matching contributions, plus lost earnings. This amount is reflected as other employer contributions receivable in statement of net assets available for benefits, and other employer contributions in the statement of changes in net assets available for benefits.

NOTE 7 - FEDERAL INCOME TAX STATUS

The Plan has adopted a prototype plan that obtained its latest favorable determination letter from the Internal Revenue Service on March 31, 2014, in which the Internal Revenue Service stated that the prototype plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by United of Omaha. United of Omaha is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management services are included in net appreciation of fair value of investments. Certain costs incurred to Mutual of Omaha (the third-party administrator and affiliate of United of Omaha) relating to administration of the Plan are included in administrative expenses. The costs of administration may be subsidized by certain revenue sharing fees that are paid to United of Omaha, Mutual of Omaha, or other investment custodians and investment advisors.

NOTE 9 - PLAN TERMINATION

The Plan Sponsor anticipates and believes that the Plan will continue without interruption but reserves the right to terminate the Plan in whole or in part at any time. In the event of a full or partial Plan termination, participants will become 100% vested in their accounts.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
