## Independent Auditor's Report

The Plan Administrator  
EPTA US 401(k) Retirement Plan  
Columbus, Georgia

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of EPTA US 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 and is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following description of the EPTA US 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering substantially all employees (participants) of Kysor Warren EPTA US Corporation (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### *Trustee and Administration of the Plan*

The trustee and recordkeeper of the Plan is Fidelity Management Trust Company (Fidelity or the Trustee). The administrator of the Plan is the Company. The Trustee holds all assets of the Plan in accordance with the service provider contract with the Company. The Retirement Plan Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Eligibility*

Employees of the Company over the age of 18 are considered eligible for participation, except for: (1) nonresident aliens with no U.S. source of income; (2) employees covered by a collective bargaining agreement that does not provide for participation in the Plan; (3) leased employees (4) nonresident aliens who do not receive any earned income; and (5) independent contractors and other temporary employees.

#### *Contributions*

Each year, participants may contribute up to 75% of their pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes a non-discretionary matching contribution on behalf of each eligible participant equal to 50% up to 6% of the eligible participant's compensation. Effective January 1, 2023, the Company replaced the non-discretionary matching contribution with a safe harbor matching contribution on behalf of each eligible participant equal to 100% of the first 1% of the eligible participant's compensation and 50% up to the next 5% of the eligible participant's compensation. The Company may also make a discretionary nonelective employer contribution on behalf of eligible participants. Participants must be employed on the last day of the plan year to be eligible for the discretionary nonelective employer contributions. No discretionary contributions were made during 2023. Unless they affirmatively elect otherwise, certain eligible employees will be automatically enrolled in the Plan with a deferred percentage of 3%. Deferral percentages for automatically enrolled participants increase 1% annually, on November 1, up to 6% of compensation.

Participant contributions and any related employer non-discretionary matching contributions and safe harbor matching contributions are recognized in the period during which the Company makes

the respective payroll deduction from the participant's compensation. Discretionary contributions are recorded in the relevant period in accordance with the terms in the Plan document.

### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are vested immediately in their salary deferrals, rollover contributions, and nonelective employer contributions plus actual earnings thereon. Vesting in the Company's non-discretionary matching contributions plus actual earnings thereon is based on years of continuous service, whereby participants are fully vested after completion of three years of service. Effective January 1, 2023, vesting in the Company's safe harbor matching contributions plus actual earnings thereon is based on years of continuous service, whereby participants are fully vested after completion of two years of service. Additionally, the Plan will credit service to eligible participants if they worked with the previous employer, Lennox International Inc., prior to employment with the current Company.

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan terms have a minimum of one year and may not exceed five years, unless the loan is used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear an interest rate at the prime rate plus 1% or at local prevailing rates, as determined by the Plan Administrator, which would be made under similar circumstances and is fixed for the term of the loan. A participant may only have one loan at any given time. Principal and interest are paid ratably through payroll deductions.

### ***Payment of Benefits***

On termination of service, death, disability, retirement, or age 59½, a participant may elect to receive the value of the participant's vested interest in his or her account through a lump-sum payment or in substantially equal installments. Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with provisions specified in the Plan. All vested balances less than \$1,000 may be automatically distributed as a lump sum at the discretion of the Company. Vested balances between \$1,000 and \$5,000 can be rolled over at the discretion of the Company to a qualified individual retirement account.

### ***Forfeitures***

Forfeited non-vested accounts may be used to pay for Plan expenses and then reduce future employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled

\$64,181 and \$26,131, respectively. Forfeitures totaling \$31,073 were utilized during 2023 to reduce employer contributions and pay for Plan expenses.

### 2. Summary of Accounting Policies

#### *Basis of Accounting*

The financial statements of the plan have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

#### *Use of Estimates*

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

#### *Payment of Benefits*

Benefits are recorded when paid.

#### *Administrative Expenses*

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted

quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds* - Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/Collective Trusts (CCTs)* - CCTs are stable value funds that are composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily with no advance notice. There were no unfunded commitments or trading restrictions as of December 31, 2023 and 2022. These are direct filing entities.

*Collective Investment Trust (CIT)* - The CIT is valued at the NAV of units held. The NAV, as provided by the trustee of the CIT, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the CIT less its liabilities. This practical expedient is not used when it is determined to be probable that the CIT will sell for an amount different than the reported NAV. The CIT provides for daily redemptions by the Plan at reported

\* In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## **4. Certified Investment Information**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, a qualified institution.

## **5. Related Party and Party-in-Interest Transactions**

Certain Plan investments are managed by Fidelity. Therefore, these transactions qualify as party-in-interest transactions. The Plan paid administrative fees of \$127,845 to Fidelity during 2023. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments. Notes receivable from participants also qualify as exempt party-in-interest transactions.

## **Notes to Financial Statements**

### **6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, no contributions would thereafter be made to the Plan and participants would become 100% vested in their employer contributions.

### **7. Tax Status**

The Plan uses a pre-approved plan document sponsored by Fidelity. Fidelity received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the pre-approved plan document, as then designed, satisfies the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letter, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

### **8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **9. Subsequent Events**

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through October 15, 2024, the date the financial statements were available to be issued, and determined that no subsequent events occurred that required adjustment to, or disclosure in, the financial statements.
