## **INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee  
Pacific Personnel 401K Plan  
Irvine, California

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Pacific Personnel 401K Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (an "ERISA 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pacific Personnel 401K Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pacific Personnel 401K Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pacific Personnel 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pacific Personnel 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules (Schedule H, Part IV, Line 4a for the year ended December 31, 2023 and Schedule H, Part IV, Line 4i as of December 31, 2023) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented fairly, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements December 31, 2023**

---

### **NOTE 1. DESCRIPTION OF THE PLAN**

The Pacific Personnel 401K Plan (the “Plan”) is sponsored by Pacific Personnel Services, Inc. (the “Company”). The following description of the Plan provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

#### **General**

The Plan, which became effective January 1, 2008 and was amended and restated on May 10, 2022 and amended on July 24, 2023, is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the provisions of the Internal Revenue Code (the “Code”). The Plan was further amended effective January 1, 2024 to cover all eligible employees of Northshore Personnel Services, Inc.

#### **Eligibility**

Employees are eligible to participate in the Plan and become eligible to participate on the first day of the month following the completion of the eligibility requirements. To be eligible, an employee must be at least 18 years old and have completed three months of service. Employees receive credit for one month of service for each month in which they complete one hour of service. Union employees, nonresident aliens, and residents of Puerto Rico are not eligible to participate in the Plan.

#### **Participant Contributions**

Each year, participants may elect to contribute on a pre-tax basis between 1% and 90% of their eligible earnings, as defined in the Plan, subject to limitations imposed by Internal Revenue Service (“IRS”) regulations. Participants may elect to designate all or a portion of their contributions as Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified sources.

In July 2023, the Plan was amended to include an automatic enrollment provision effective October 1, 2023. Under the amendment, all participants who are not deferring any amount and who do not make a timely affirmative election to not participate in the Plan will be automatically enrolled in the Plan at a pre-tax deferral rate of 1% of compensation, as defined, with no automatic escalation provision. The Plan was subsequently amended to remove the automatic enrollment provision effective January 1, 2024.

#### **Employer Matching Contributions**

Effective October 1, 2019, the Plan was amended to change from a discretionary annual employer contribution to a defined employer matching contribution. Matching contributions are determined each pay period and are equal to 100% of the first 2% of the participant’s compensation which is deferred as an elective deferral. All contributions are subject to certain limitations as defined in the Code.

In addition, the Company may make nonelective contributions to the Plan. Any nonelective contributions will be allocated to all employees eligible to participate in the Plan. To be eligible for the nonelective contribution, a participant does not have to be an eligible employee on the last day of the Plan year. For the Plan year ended December 31, 2023, the Company elected not to make a profit sharing contribution.

## Notes to Financial Statements December 31, 2023

---

### NOTE 1. DESCRIPTION OF THE PLAN (Continued)

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of service at the rate of 20% per year, beginning after 2 years of service have been completed. A participant is 100% vested after six years of credited service.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions (if any), and, (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vesting account.

#### Investment Options

Upon enrollment in the Plan, participants may direct employee and employer contributions in any of the Plan's investment options. Subsequently, participants may change their allocations and transfer account balances between the Plan's investment options.

#### Notes Receivable from Participants

Participants may borrow from their account balance a minimum of \$500 up to a maximum generally equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are required to be repaid within five years unless the loan is to be used for the purchase of a primary residence of the participant, in which case the loan repayment period is a maximum of thirty years. The loan is secured by the participant's vested account balance. The interest rate for a loan will be fixed over the loan term and equal to the rate in effect in the month the loan is effective. The interest rate is the prime rate as published in *The Wall Street Journal* on the 14<sup>th</sup> of each month, plus two percentage points. This interest rate is effective for any loan processed as of the 16<sup>th</sup> day of the month. As of December 31, 2023, the interest rates on participant loans range from 4.25% to 10.50%. Principal and interest are paid regularly through payroll deductions.

In April 2020, the Plan operationally implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"). Participants requesting relief under the CARES Act were permitted (i) an increased loan limit to the lesser of \$100,000 or 100% of the nonforfeitable account balance (available until September 23, 2020), and (ii) a delay in loan repayments due through December 31, 2020 for up to one year.

#### Forfeitures

Forfeitures of Company contributions shall be used to reduce the Company's contribution under the Plan or to pay Plan expenses. As of December 31, 2023 and 2022, there was a balance of \$851 and \$28, respectively, in the forfeiture account. For the year ended December 31, 2023, \$120,279 was forfeited, there were \$74 in earnings, and \$119,530 from the forfeiture account was used to reduce employer contributions.

### **NOTE 1. DESCRIPTION OF THE PLAN (Continued)**

#### **Payment of Benefits**

Upon termination, retirement, death, or disability, participants may elect to receive a distribution of their account in a single lump-sum cash distribution or defer distribution if their account exceeds \$5,000. Normal retirement age is 65 and the Plan does not allow for early retirement. Participants who are age 59½ or older may withdraw all or part of their vested account balance. Any vested benefits will be paid to a participant's beneficiary upon death of a participant. Upon separation of a participant from the Company, at its discretion, the Plan may elect to distribute vested account balances of less than \$5,000. In addition, the Plan allows for hardship distributions from the participant's vested account balance.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE" Act), which became law on December 20, 2019, participants may defer taking distributions as follows:

- If a participant reached the age of 70½ in 2019, the participant may defer receiving distributions until the later of April 1, 2020, or the April following the calendar year in which the participant retires;
- If a participant reaches the age of 70½ in 2020 or later, the participant may defer receiving distributions until the later of the April following the calendar year in which the participant reaches age 72 or retires.

The distribution provisions of the SECURE Act were modified by the SECURE 2.0 Act of 2022 (Note 10), such that beginning in 2023, the age a participant must begin taking distributions was raised to 73. If a participant reaches the age of 72 during 2023, the participant may defer receiving distributions until April 1, 2025, the latest date that required a minimum distribution may be taken for 2024.

The Plan implemented the following provisions for CARES Act related distributions: (i) participants may withdraw up to \$100,000 without a 10% early distribution penalty, (ii) such distributions can be repaid within three years of the date of distribution, and (iii) required minimum distributions were temporarily suspended for 2020.

### **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, contributions and investment interest and dividends are recognized when received rather than earned, and expenses are recognized when paid rather than incurred.

# **PACIFIC PERSONNEL 401K PLAN**

## **Notes to Financial Statements December 31, 2023**

---

### **NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

#### **Estimates and Assumptions**

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

#### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recognized when received. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable from Participants (Participant Loans)**

Notes receivable from participants are measured at their unpaid principal balance. Related fees are recorded as administrative expenses and are expensed when they are paid. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

#### **Payment of Benefits**

Benefits to participants are recorded when paid.

#### **Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net realized and unrealized appreciation (depreciation) in fair value of investments.

#### **Subsequent Events**

The Plan has evaluated subsequent events through the date of the independent auditors' report, which is the date these financial statements were available to be issued.

### NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

#### *Level 1*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

#### *Level 2*

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

#### *Level 3*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement for the asset or liability at the measurement date. These inputs reflect Plan management's best estimate of what market participants would use in pricing the asset or liability at the measurement date. Consideration is given to the risk inherent in the valuation technique and in the inputs to the model.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

# PACIFIC PERSONNEL 401K PLAN

## Notes to Financial Statements December 31, 2023

### NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

*Common/Collective trusts:* Valued at the net asset value of units of the respective collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that a fund will sell its investments for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer may reserve the right to require a notification period in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

#### NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### NOTE 5. INCOME TAX STATUS

The Company has adopted a pre-approved defined contribution plan and relies upon the opinion letter from the IRS dated October 6, 2020, which stated that, in its opinion, the pre-approved plan and related trust are designed in accordance with applicable sections of the IRS. The Company has not applied for a determination letter specific to the Plan. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

### **NOTE 5. INCOME TAX STATUS (Continued)**

The modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and consider disclosure if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. No provision for income taxes has been included in the accompanying financial statements. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

### **NOTE 6. INFORMATION CERTIFIED BY THE TRUSTEE**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule H, Part IV, Line 4i), including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation or depreciation in fair value of investments, interest and dividend income, and other income for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the trustee of the Plan.

### **NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are common/collective trusts managed by State Street Global Advisors ("SSgA"). SSgA is related to State Street Bank, a sub-custodian under Reliance Trust Company, the trustee of the Plan. Substantially all of the Plan's operating expenses are paid by the Company. The Company also provides administrative services for the Plan at no cost to the Plan. These transactions are considered exempt party-in-interest transactions.

### **NOTE 8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.

### **NOTE 9. DELINQUENT REMITTANCES**

The Company identified various instances where amounts withheld from employees during 2023 totaling \$54,649 were not remitted to the Plan within the reasonableness timeframe established by the Department of Labor ("DOL"). Lost earnings in the amount of \$130 related to these amounts were remitted in October 2024.

#### **NOTE 10. SECURE 2.0 ACT**

On December 29, 2022, the SECURE 2.0 Act of 2022 (the "SECURE Act 2.0") became law. The purpose of the legislation is to expand access to retirement plans and to help working Americans increase their retirement savings. In addition to the changes to required minimum distributions described in Note 1, the SECURE Act 2.0 includes various required and optional provisions that will become effective between 2023 and 2033, certain of which are described below:

- Beginning in 2026, catch-up contributions will be made on a Roth basis, unless the participant earns \$145,000 or less.
- Beginning January 1, 2025, a participant from the ages 60 to 63 can elect catch-up contributions up to the limit of the greater of \$10,000 or 150% of the catch-up contribution limit imposed by the IRS.
- Starting January 1, 2025, long-term part-time workers (defined as employees who have worked for two consecutive 12-month periods during each of which they have at least 500 hours of service) will become eligible to enroll in their employer's retirement plan after two years.

Plan management has not yet determined which of the optional provisions, if any, the Plan will implement. Plan management expects to formally amend the Plan by December 31, 2025.

#### **NOTE 11. AUTOMATIC ENROLLMENT PROVISION**

The Company identified a significant portion of ineligible employees who were automatically enrolled in the Plan under the automatic enrollment provision implemented effective October 1, 2023 (Note 1). As a result of this issue, management amended the Plan to remove the automatic enrollment provision effective January 1, 2024. In 2024, management determined the affected participants and took corrective action to refund any contributions and related earnings as a result of the automatic enrollment provision.

Based on the actions taken, Plan management and the Company believe the aforementioned automatic enrollment issue will not cause the Plan to be disqualified by the IRS and that the self-corrective actions allow the Plan to be in compliance with the Plan documents and ERISA. Accordingly, no provision for income taxes has been included in the accompanying financial statements.
