**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

### INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
Unitek 401(k) Plan:

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Unitek 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

#### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management has determined to meet the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### *Other Matter – Supplemental Schedules Required by ERISA*

The supplemental schedule of assets (held at end of year) and supplemental schedule of delinquent participant contributions for the year ended December 31, 2023 are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management has determined to meet the requirements of ERISA Section 103(a)(3)(C).

**UNITEK 401(k) PLAN**  
**Notes to Financial Statements and Schedules**  
**December 31, 2023 and 2022**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of Unitek 401(k) Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document.

*General*

The Plan was established on January 1, 1996 and most recently amended on February 1, 2024. The Plan is sponsored by Unitek Learning Education Group Corp (the Company). Substantially all employees of the Company and its subsidiaries are eligible to participate in the Plan after completing 60 days of service. Participants may enter the Plan on the first day of the Plan month coinciding with or next following the completion of eligibility requirements. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).

*Administration*

The Plan is administered by the Company and C-Ben Group. Among other duties, it is the responsibility of the administrators to interpret the Plan, decide on questions of eligibility, determine the amount and manner of benefit payments and maintain administrative records of the Plan. All Plan assets as of December 31, 2023 and 2022 and for the year ended December 31, 2023 were held by Empower Trust Company, LLC (Empower).

*Trustee*

The trustee of the Plan is Great-West Trust Company, LLC. The primary duties of the trustee are to authorize investments and monitor payment of contributions, loans and benefits as directed by the Plan administrators.

*Participant Accounts*

Each participant's account is credited with the participant's contributions and the Company's contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

*Notes Receivable from Participants*

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The outstanding notes are secured by the balance in the participant's account and bear interest at the prime rate at the time of borrowing plus one percent. Principal and interest is paid ratably through bi-weekly payroll deductions.

*Forfeitures*

Forfeitures are created when a participant terminates employment before becoming entitled to 100 percent of the amounts derived from the employer's contributions. Amounts forfeited are used to fund administrative expenses of the Plan or future employer contributions. During the year ended December 31, 2023, \$57,074 in forfeitures were utilized to fund administrative expenses and employer contributions. As of December 31, 2023 and 2022, there were \$210,158 and \$147,457, respectively, in remaining forfeited amounts that could be used to fund administrative expenses and future employer contributions.

### *Contributions*

**Participants** – The Plan permits each participant, at their option, to elect to contribute a dollar amount or percentage of annual pretax compensation as a basic contribution to the Plan, not to exceed the Internal Revenue Service (IRS) limitations. For the year ended December 31, 2023, the maximum pretax salary deferral was limited to \$22,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common/collective trusts and a fixed annuity as investment options for participants. Participants are vested immediately in their contributions plus actual earnings thereon. Employees who have completed the eligibility requirements are automatically enrolled into the Plan and contribute three percent of their pretax compensation, unless otherwise elected.

**Employer** – The Company may make discretionary matching and/or regular contributions. In order for a participant to share in regular contributions, the participant must be credited with at least 1 hour of service during the year. During the year ended December 31, 2023, matching contributions were equal to 50 percent of the participant's elective contributions up to 50 percent of the first six percent of the participant's eligible compensation for the Plan year. There were no regular contributions made during the year ended December 31, 2023. Total contributions for each participant are subject to certain IRS limitations. Employer matching and regular contributions received by participants vest according the following schedule:

| <u>Years of Service</u> | <u>Vesting %</u> |
|-------------------------|------------------|
| Less than 1 year        | 0                |
| 1 year                  | 25               |
| 2 years                 | 50               |
| 3 years                 | 75               |
| 4 years                 | 100              |

### *Payment of Benefits*

Participants may receive distributions from their accounts upon attainment of age 59½, retirement as a result of disability, incurrence of a financial hardship (as defined), termination of their employment with the Company, death, qualified in-service distributions, or termination of the Plan. The participant may elect to receive a lump-sum amount equal to the vested value of the participant's account balance. For eligible participants receiving a required minimum distribution, the vested balance will be paid in installments over a period not to exceed the participant's assumed life expectancy.

### *Corrective Distributions*

As of December 31, 2022, the Plan had recorded corrective distributions payable to participants of \$3,016, due to failure of certain compliance tests during 2022.

### *Plan Termination*

Although the Company has not expressed any intent to discontinue the Plan, the Company may do so at any time subject to the provisions of ERISA. In the event of termination, participants would become fully vested in their employer contributions, and assets of the Plan would be allocated to all participants and distributed in lump sum payments.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Accounting*

The accompanying financial statements of the Plan have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. As of December 31, 2023 and 2022, the Plan does not have any fully benefit-responsive investments.

### *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value, as determined by Empower. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net increase in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Administrative Expenses*

Plan investments are subject to certain investment fees based on a percentage of invested assets. Such fees are included within net increase in fair value of the respective investments in the accompanying statement of changes in net assets available for benefits. Fees incurred for the administration of the Plan and participant requested services are reflected as administrative expenses on the accompanying statement of changes in net assets available for benefits.

### *Use of Estimates*

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under the Financial Accounting Standards Board's *Accounting Standards Codification (ASC) 820* are described as follows:

- a) Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- b) Level 2      Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- c) Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for the Plan's investments measured at fair value at December 31, 2023 and 2022. There are no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trusts:* Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

*Fixed annuity:* The reported values for fixed annuity options are reported daily base on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes the Plan's investment measured at fair value based on NAV per share as of December 31:

#### NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### NOTE 9 – NON-EXEMPT PROHIBITED TRANSACTIONS

During the year ended December 31, 2023, the Company inadvertently failed to deposit \$134,239, in employee contributions within the timeframe required by the DOL. These amounts were deposited beyond the earliest expected date on which assets could be segregated from the Company's assets. The DOL considers late deposits to be prohibited transactions. The lost earnings related to the late deposits will be calculated and remitted to the Plan during the year ended December 31, 2024.

#### NOTE 10 – SUBSEQUENT EVENT

In connection with a Plan amendment effective February 1, 2024, assets of an affiliated plan totaling approximately \$3.9 million were transferred into the Plan on April 10, 2024.

Plan management has evaluated subsequent events through the date of the auditor's report, October 15, 2024, which is the date the accompanying financial statements were available to be issued.
