INDEPENDENT AUDITORS' REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MMG Consolidated 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MMG Consolidated 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, The Standard Insurance Company, the trustee as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by The Standard Insurance Company, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MMG CONSOLIDATED 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF PLAN

The following description of the MMG Consolidated, Inc. (the Company) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan's legal document for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1997 and is a defined contribution plan covering substantially all employees of Jaspers Food Management, Inc., and those of the following adopting employers: WV Restaurant Management, LLC, Monarch Management Group, Egg N' Joe Franchise Systems, LLC and Elmer's Restaurants, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments and Restatements

On January 1, 2022, the plan adopted the June 30, 2020 version of the volume submitter plan provided by the plan's third party administrator, Pension Plan Specialists, PC.

Contributions

Participants may contribute up to 100 percent of their annual compensation to the Plan but not to exceed \$22,500 and \$20,500, for the years ended December 31, 2023 and 2022. Participants age 50 and over may also contribute an additional \$7,500 and \$6,500 of catch-up contributions, per year, for years ended December 31, 2023 and 2022, respectively. The Plan also permits rollover contributions from other qualified plans, Sec. 403(b) and Sec. 457 plans, and certain IRA accounts. The Company may contribute a discretionary matching contribution to be determined by the Board of Directors each year. The employer matching contributions were \$102,969 and \$88,382, for the years ended December 31, 2023 and 2022, respectively.

Participants' Accounts

Each participant's account is credited with the participant's contribution, allocation of the employer's contribution and plan earnings, and is charged with an allocation of the plan's administrator expenses. Allocations are based on participant's earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may direct the investment of their account balances into various investment options offered by the plan.

Eligibility

When an employee has reached age 18 and has completed one year of service (1,000 hours) as defined in the Plan, they are eligible to make deferral contributions. Entry is on the first day of the plan year quarter coinciding with or next quarter following the date that the eligibility requirements have been met. Once initial eligibility is met, a participant is eligible to share in the Company contributions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon, including rollover contributions. Vesting of employer contributions is based on service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A year of service is earned by the employee working at least 1,000 hours in that year.

Payment of Benefits

Upon termination of employment or termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account either in annuity payments, a lump-sum amount, or in equal installments over a fixed time period. If the participant's vested account balance is less than \$5,000, the participant's vest account balance may only be distributed in a single lump-sum payment. If the participant does not make timely distribution election, then the Plan will distribute the entire vested account balance in either a lump sum for balances of \$75 or less or an automatic distribution to an Individual Retirement Account (IRA) for balances more than \$75 but less than \$5,000.

Participants may elect to take a partial or total distribution when they reach age 59 ½ or at any time thereafter, even if they have not terminated employment with the Company.

In-Service Withdrawals

Hardship distributions are permitted from participants' vested accounts based on certain specific financial needs.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 from their accounts for hardship reasons. Loans may not exceed 50 percent of the participant's vested account balance. Participants may only have one loan outstanding. Loans are secured by the vested balance in the participant's account and bear interest at a rate of 1% over the prime rate. Principal and interest is paid ratably through payroll deductions. Loan terms may not exceed five years for loan proceeds used to purchase a primary residence. As of December 31, 2023, rates of interest on outstanding loans are 9% with various maturities through 2026.

NOTE 1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of unvested benefits are available to pay Plan expenses or offset future employer contributions to the Plan. For the years ended December 31, 2023 and 2022, \$9,060 and \$0 were used to pay Plan expenses and \$474 and \$0 to offset employer contributions, respectively. The amounts of non-vested forfeitures held by the Plan were \$280 and \$5,434 as of December 31, 2023 and 2022, respectively

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts, and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are participant-directed investments. Investments in mutual funds are valued at fair value. Investments in stable value funds are valued at contract value.

The change in value of assets is recorded by the Plan as appreciation or depreciation in fair value of investments. Unrealized appreciation or depreciation of the investments is included in current operations and in net assets available for benefits. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. All loans are current and no valuation allowance is required for the years ended December 31, 2023 and 2022. Loans are fully secured by participant account balances and are treated as taxable distributions from the participant's account in the event of default, typically following termination of employment.

NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

As provided in the Plan agreement, administrative expenses of the Plan may be paid either by the Plan or the Company. Certain expenses of plan administration, including computer services, office supplies and payroll expenses of administration and clerical personnel are provided by the Company without charge to the Plan. Loan administration fee(s) to the Plan's third-party administrator for notes receivable from participants are withheld from the participants' loan proceeds. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Payment of Benefits

Benefits are recorded when paid. Corrective distributions are accrued in the testing period to which they relate.

Subsequent Events

The Plan has evaluated all subsequent events through October 14, 2024, the date the financial were available to be issued.

NOTE 3. INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of compliance permitted by Section 2520.203-8 of the Department of Labor Rules and Regulations for Reporting and Disclosures under ERISA. The Plan administrator has obtained a certification from The Standard Insurance Company, the trustee of the Plan, as of December 31, 2023 and for the year then ended that the following information provided to the Plan administrator by the Trustee is complete and accurate.

- Investments, at fair value
- Investments, at contract value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interest and dividends
- Interest income on notes receivable from participants

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net increase in fair value of investments.

MMG CONSOLIDATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan uses fair value measurements to record certain assets and liabilities at fair value on a recurring basis, such as investments. The Plan uses the fair value hierarchy established in accounting literature that consists of three levels. These levels are based on the markets in which assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1: Prices determined using unadjusted, quoted prices in active markets for identical assets or liabilities.

Level 2: Prices determined using significant other observable inputs. The observable inputs valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Prices determined using significant unobservable inputs. In situations where quoted prices or observable inputs are unavailable (for example, when there is little or no market activity), unobservable inputs may be used. Unobservable inputs reflect the Plan's own assumptions about the factors that market participants would use in pricing the asset or liability and are based on the best information available in the circumstances.

Level 1 Investments at Fair Value

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission (SEC). The funds must publish their daily net asset value and transact at the prices. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Investments at Fair Value

There are no plan assets requiring the use of Level 2 inputs for the periods presented.

Level 3 Investments at Fair Value

There are no plan assets requiring the use of Level 3 inputs for the periods presented.

MMG CONSOLIDATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 4. FAIR VALUE MEASUREMENTS (continued)

The following are the major categories of assets and liabilities measured at fair value on a recurring basis as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>				
Mutual funds	\$ <u>7,112,536</u>	\$ <u>--</u>	\$ <u>--</u>	\$ <u>7,112,536</u>
<u>December 31, 2022</u>				
Mutual funds	\$ <u>6,489,270</u>	\$ <u>--</u>	\$ <u>--</u>	\$ <u>6,489,270</u>

NOTE 5. INVESTMENTS AT CONTRACT VALUE

Stable Value Fund: The Plan holds investments in Standard Stable Value Fund. These investments are fully benefit responsive and are reported at contract value. The value of these investments were \$58,560 and \$0 as of December 31, 2023 and 2022, respectively.

The Stable Value Fund is a fully benefit-responsive investment contract with The Standard Insurance Company and maintains the contributions in general accounts. Accounts are credited with contributions and interest earnings and charged for participant withdrawals and administrative expenses. The investment contracts issuer is contractually obligated to repay the principal and a special interest rate that is guaranteed to the Plan.

Because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to these investment contracts. The investment contracts are presented on the face of the statement of net assets available for benefits at contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by The Standard Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTES TO FINANCIAL STATEMENTS

NOTE 5. INVESTMENTS AT CONTRACT VALUE (continued)

The average yields earned by the investment contract are as follows:

	<u>2023</u>	<u>2022</u>
Net credit rating:		
Standard Stable Value Fund	1.57%	--

NOTE 6. PARTY IN INTEREST TRANSACTIONS

American Funds managed Plan investments and maintained the individual account records through February 28, 2023, when assets were transferred to The Standard. TPG Financial Advisors LLC provides investment consulting and analysis to the Plan. Pension Plan Specialists provides plan administration services and is paid transaction fees for processing. These transactions qualify as party-in-interest transactions. Fees paid from plan assets were as follows:

	<u>2023</u>	<u>2022</u>
American Funds	\$ 200	\$ 7,518
StanCorp Financial Group (The Standard)	11,759	--
TPG Financial Advisors	18,089	22,544
Pension Plan Specialists	<u>2,150</u>	<u>100</u>
	<u>\$ 32,198</u>	<u>\$ 30,162</u>

NOTE 7. CONCENTRATIONS OF CREDIT RISK

The Plan had placed its investments with the American Funds family of funds, until February 28, 2023 when plan assets were transferred to The Standard. This institution has professionally managed funds whose investments consist of a numerous and diverse product mix. As part of the Plan's investment strategy, the trustees perform periodic evaluations of the relative credit standing and investment performance of financial institutions.

NOTE 8. TAX STATUS

The Plan uses a volume submitter document. The volume submitter obtained its latest opinion letter, dated June 30, 2022, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC).

MMG CONSOLIDATED 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
