Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FORVIS MAZARS, LLP**

(2) EIN: **44-0160260**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditor's Report

Plan Administrator and Plan Management
Marietta College Retirement Plan for Eligible Employees
Marietta, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Marietta College Retirement Plan for Eligible Employees, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marietta College Retirement Plan for Eligible Employees' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marietta College Retirement Plan for Eligible Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marietta College Retirement Plan for Eligible Employees' ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marietta College Retirement Plan for Eligible Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marietta College Retirement Plan for Eligible Employees' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator and Plan Management
Marietta College Retirement Plan for Eligible Employees

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Marietta College Retirement Plan for Eligible Employees, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Marietta College Retirement Plan for Eligible Employees' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Marietta College Retirement Plan for Eligible Employees and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Marietta College Retirement Plan for Eligible Employees' ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Marietta College Retirement Plan for Eligible Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Marietta College Retirement Plan for Eligible Employees' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator and Plan Management
Marietta College Retirement Plan for Eligible Employees

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Marietta College Retirement Plan for Eligible Employees
Notes to Financial Statements
December 31, 2023 and 2022

Note 1. Description of the Plan

The following description of Marietta College Retirement Plan for Eligible Employees (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees of Marietta College (College) except students, leased employees or employees who normally work fewer than 20 hours per week. Employees are immediately eligible upon hire and the attainment of age 21. All eligible employees can begin to make additional voluntary salary deferrals upon their date of hire. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). State Street Bank and Trust Company (State Street), Transamerica Financial Life Insurance Company (Transamerica), Voya Retirement Insurance Annuity Company (Voya), Teachers Insurance and Annuity Association (TIAA) and College Retirement Equities Fund (CREF) are all custodians of the Plan.

Contributions

Prior to July 1, 2022, participants were required to defer 5% of their eligible compensation on a pre-tax basis, and could make additional voluntary salary deferrals up to the maximum allowed under Section 402(g) of the Internal Revenue Code (IRC). Effective July 1, 2022, the Plan was amended to remove the 5% employee mandatory contribution requirement and voluntary salary deferrals are allowed up to the maximum allowed under Section 402(g) of the Internal Revenue Code (IRC). The Plan allows participants who have attained age 50 by the end of the Plan year to make catch-up contributions in accordance with Code Section 414(v). Participants may contribute funds from another qualified plan as rollover contributions.

The College can elect to contribute a discretionary amount of the participant's total eligible compensation as a College contribution. The College's discretionary contribution of 8% was suspended effective March 1, 2022. Employer contributions of \$1,910 were deposited during 2023 for corrections needed for two participants. Contributions are subject to certain limitations.

Participant Investment Account Options

Upon enrolling in the Plan, a participant may direct the investment of their account into any of the investment options offered by the Plan through Transamerica. Current contributions are exclusively contributed to Transamerica. Participants generally may change their investment elections in the variable annuity contracts and mutual funds daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the College contribution, and the Plan's earnings and charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Payment of Benefits

Upon termination of service, a participant may elect to receive the value of his or her account in the form of a joint and survivor annuity, a single life annuity, or a lump-sum payment. A participant may withdraw all or a portion of the value of his or her vested interest prior to termination of employment upon meeting certain requirements as set forth in the Plan Document.

Vesting

Participants are immediately 100% vested in their entire account balance.

Notes Receivables From Participants

Participants with accounts at Voya and Transamerica may borrow from their accounts subject to certain restrictions. The participant loans are secured by the balance in the participant's account and bear interest at the prime rate, as stated in the Wall Street Journal, plus 1%, as defined, commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid through payroll deductions. These outstanding loan balances are assets of the Plan.

Assets Pledge as Collateral

Participants with accounts at TIAA and CREF are permitted to obtain loans directly from funds owned by TIAA and CREF. Adequate security is required and a portion of the participant's account is held in collateral, to cover 110% of the outstanding loan in case of default. The collateral is held in the TIAA Traditional Annuity Account. In general, the amount of the loan may not exceed the lesser of 50% of a participant's vested account balance or \$50,000 reduced by the highest outstanding loan balance in a participant's vested account during the prior 12-month period. The minimum loan amount is \$1,000. The loans bear a rate of interest as determined in the controlling contract and may be fixed or variable. The amount of collateral held on loans at December 31, 2023 and 2022 was not material.

Investments Management and Administrative Expenses

Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income reported by the Plan. Loan origination fees associated with notes receivable from participants and the Plan's recordkeeping, audit, investment advisor and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. All other expenses of the Plan are paid by the College.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis and are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Marietta College Retirement Plan for Eligible Employees
Notes to Financial Statements
December 31, 2023 and 2022

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Valuation of Investments and Income Recognition

The Plan's investments, other than fully benefit-responsive investment contracts, are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contracts, because contract value is the amount Plan participants generally receive when executing transactions under the terms of the contract and Plan provisions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Note 3. Certification of Plan Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street, Transamerica, Voya, TIAA and CREF, qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income (loss) and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Disclosures About Fair Value of Plan Assets

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

- Level 1:** Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2:** Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3:** Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following are descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of its investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Variable Annuities: The fair values of TIAA and CREF Variable Annuity contracts are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

The fair values of participation units held in Voya variable annuity contracts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. Each of the more than fifty variable annuity accounts held by the Plan as of December 31, 2023 invests in a single open-ended mutual fund or a combination of open-ended mutual funds which are generally identified in the name of the variable annuity contract, and in the aggregate reflect a diverse mix of equity and fixed income funds. Each Voya variable annuity contract provides for daily redemptions by the Plan with no advance notice requirements.

Traditional Investment Contracts: The TIAA Traditional Annuity contracts are individual guaranteed fixed annuity investment contracts issued by TIAA (Issuer). Due to certain liquidity restriction provisions, some of the contracts within the TIAA Traditional Annuity contract are not fully benefit-responsive and, accordingly, are measured at fair value. TIAA and Plan management have determined contract value to be the most reasonable estimate of fair value for contracts that are not fully benefit-responsive. Contract value is the aggregation of contributions, plus interest that is credited, less applicable withdrawals. The fair values of the Plan's non-fully benefit-responsive investment contracts have been estimated by TIAA to approximate contract value, based upon a discounted cash flows analysis methodology that discounts the projected cash flows using risk-adjusted market discount rates which correlate closely with TIAA Traditional Annuity's historical interest crediting rates (Level 3 inputs).

Marietta College Retirement Plan for Eligible Employees
Notes to Financial Statements
December 31, 2023 and 2022

The contract values are guaranteed by TIAA and reflect the exit value available to the Plan and Plan participants. Based upon recent credit ratings for TIAA, management believes no adjustment to contract value is required related to credit quality. Since investment contracts are not transferable, there is no market from which to obtain observable market prices for the contracts held by the Plan or comparable contracts. The Plan Administrator reviews and evaluates the TIAA Traditional Annuity contract valuation methodology and assumptions provided by TIAA on an annual basis as of the Plan's financial statement date. The Plan Administrator then presents TIAA's fair value estimate and documentation of its applicable valuation methodology and assumptions for the contracts, along with the Plan's applicable financial statement footnote disclosures to the Plan's Investment Committee for its approval of the valuation estimate and financial statement disclosures.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

Marietta College Retirement Plan for Eligible Employees
Notes to Financial Statements
December 31, 2023 and 2022

The table below presents a reconciliation of all investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the year ended December 31, 2023 including the reporting classifications for the applicable gains and losses included in the statement of changes in net assets available for benefits.

	Traditional Investment Contracts
Balance, January 1, 2022	\$ 14,384,561
Total gains or losses included in change in net assets available for benefits:	
Interest income on investment contracts held at end of year	580,585
Participant redemptions	(1,148,665)
Net participant transfers	(12,893)
Fees	(917)
Balance, December 31, 2022	13,802,671
Total gains or losses included in change in net assets available for benefits:

Participant redemptions	(541,615)
Net participant transfers	98,268
Balance, December 31, 2023	<u>\$ 14,026,653</u>

As the TIAA Traditional Annuity nonbenefit-responsive contract is valued at fair value, there are no realized or unrealized gains or losses for these investments included in the net increase in net assets available for benefits.

Unobservable (Level 3) Inputs

The following tables present quantitative information about recurring material Level 3 fair value measurements at December 31, 2023 and 2022:

	Fair Value at December 31, 2023	Valuation Technique	Unobservable Inputs	Weighted- Average Range
TIAA Traditional Annuity Nonbenefit-Responsive Account	\$ 14,026,653	Discounted cash flow	Contractual interest rate	RA: 6.00% - 6.50%

TIAA Traditional Annuity Nonbenefit-Responsive Account	\$ 13,802,671	Discounted cash flow	Contractual interest rate	RA: 4.60% - 6.60%

Note 5. Plan Termination

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA and its related regulations

Note 6. Fully Benefit-Responsive Traditional Investment Contracts

The Plan holds unallocated investment contracts through its investment holdings in TIAA Traditional Annuity. TIAA Traditional Annuity contracts are individual guaranteed fixed annuity investment contracts issued by TIAA, an insurance company. TIAA Traditional Annuity is offered through six types of contracts available to participants: the Retirement Annuity (RA), the Group Retirement Annuity (GRA), the Retirement Choice (RC), the Supplemental Retirement Annuity (SRA), the Group Supplement Retirement Annuity (GSRA), and the Retirement Choice Plus (RCP). The type of contract through which a participant allocates to the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional amounts paid above the guaranteed minimum interest rate, the degree of liquidity of the participant's account, and the options for receiving income upon retirement. There are certain liquidity restrictions on the RA, GRA, and RC contracts.

Participants with RA, GRA, and RC contracts have certain restrictions over the availability of lump-sum withdrawals from the contracts as well as over the number of installments in which participant-initiated transfers and participant-initiated withdrawals are made. Based on these provisions, the RA, GRA, and RC contracts are not fully benefit-responsive.

As there are no comparable restrictions over the SRA, GSRA, and RCP contracts, these contracts are fully benefit-responsive. Participants in the Plan hold investments in RA, GSRA, and SRA contracts through the TIAA Traditional Account. As of December 31, 2023 and 2022, the Plan's investments in fully benefit-responsive TIAA Traditional Annuity contracts are \$1,486,654 and \$1,459,435, respectively.

Contributions to TIAA Traditional Annuity contracts are held in TIAA's general account. TIAA's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

All TIAA Traditional Annuity contracts held by the Plan are directly between TIAA and individual plan participants. Benefit payments from the contracts are paid as an annuity or a lump-sum, as defined in the contracts and as elected by the participant upon meeting the eligibility requirements. There are no conditions specified in any of the contracts under which participant withdrawals and transfers would be restricted or made at a value other than contract value or the annuity or lump-sum benefit, as defined in the contracts. The contracts do not provide any provisions that would allow the Issuer to terminate the contracts between the Issuer and the participants.

The Plan has entered into a fully benefit-responsive investment contract through the guaranteed pooled separate account with Transamerica. Amounts deposited under this traditional group annuity contract are held in a non-unitized separate account with Transamerica. The contract contains a minimum guaranteed interest rate. At the beginning of each calendar year, Transamerica determines the declared interest rate which will be credited to all monies invested in the guaranteed pooled separate account during such calendar year. The separate account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. As of December 31, 2023 and 2022, the Plan's investments in the guaranteed pooled separate account are \$591,541 and \$951,312, respectively.

Marietta College Retirement Plan for Eligible Employees
Notes to Financial Statements
December 31, 2023 and 2022

Certain events limit the Plan's ability to transact at contract value with Transamerica. Such events include the following: (a) amendments to the Plan Documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor event (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

Note 7. Related Party and Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan holds variable annuity contracts, mutual funds, and investment contracts managed by TIAA and CREF, Voya and Transamerica, therefore, these transactions qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

Participant notes receivable totaling \$283,760 and \$271,097 at December 31, 2023 and 2022, respectively, constitute party-in-interest transactions. The participant balances pledged as collateral relating to loans with TIAA and CREF also constitute party-in-interest transactions.

The Plan paid \$29,887 and \$32,297 of recordkeeping fees to Transamerica during the years ended December 31, 2023 and 2022, respectively. These fees are net of Plan servicing credits of \$36,250 and \$35,580 for the years ended December 31, 2023 and 2022, respectively. The College provides certain administrative services at no cost to the Plan.

Note 8. Plan Tax Status

The Plan operates under a volume submitter adoption agreement in connection with a prototype retirement plan and custodial 403(b) document sponsored by Transamerica Retirement Solutions, LLC. This prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. The Plan has been amended since the prototype received its opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified as of the financial statement date.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

Effective August 1, 2024, Plan management elected to reinstate the employer discretionary contribution of 2% of eligible compensation.

Subsequent events have been evaluated through October 7, 2024, which is the date the financial statements were available to be issued.
