## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
National Debt Relief 401k Profit Sharing Plan and Trust  
New York, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of National Debt Relief 401k Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audits of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### ***Other Matter – Supplemental Schedule Required by ERISA***

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

### **NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of National Debt Relief 401k Profit Sharing Plan and Trust (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of National Debt Relief, LLC's (hereinafter, the "Employer" or the "Plan Sponsor") management, which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments in mutual funds and common/collective trusts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. During the year ended December 31, 2023, the Plan's net appreciation was \$5,418,784.

Participant Notes Receivable: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan participants.

Events Occurring After Report Date: The Plan Sponsor evaluated events and transactions that occurred between January 1, 2024 and October 15, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

### **NOTE 2 - DESCRIPTION OF THE PLAN**

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan, established January 1, 2013 and last restated on July 29, 2022, is a participant-directed defined contribution plan covering all eligible employees of the Plan Sponsor who have completed three months of service and have attained age twenty-one. An employee is credited for each month of service during which the employee performs one hour of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Reliance Trust Company ("RTC") serves as the Plan trustee and custodian of the Plan assets. The Plan Sponsor uses Automatic Data Processing ("ADP") for its administrative and recordkeeping services.

Contributions: Each year, participants may contribute to the Plan a percentage of eligible compensation, as defined in the Plan document, between 1% and 90%. Eligible compensation for the Plan is defined by the Plan document as compensation under Code Section 3401(a) per the United States Internal Revenue Code. This compensation includes all remuneration (other than fees paid to a public official) for services performed by an employee for his employer, including the cash value of all remuneration (including benefits) paid in any medium other than cash. Exceptions to this definition are outlined in the code section. These contributions are excluded from the participants' federal taxable income until received as withdrawals or distributions from the Plan. Contributions are subject to certain limitations. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the Internal Revenue Service ("IRS"). Participants who attained age 50 by the end of the Plan year were eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified plans.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Effective January 1, 2016, the Plan adopted a Qualified Automatic Contribution Arrangement ("QACA"). Under the arrangement, all eligible employees who were auto-enrolled into the Plan defer 3% of eligible compensation. Unless the participant elects to change the deferral rate, the rate is increased annually by 1% up to a maximum of 10%. Contributions are invested in a qualified default investment alternative until changed by the participant.

The Plan also allows participants to designate a portion of their contributions to be treated as "Roth" contributions. A contribution treated as a Roth contribution is subject to current federal income tax at the time it is contributed to the Plan. However, if certain requirements are satisfied prior to the distribution of such amounts from the Plan, distributions of amounts attributable to Roth contributions (including earnings thereon) will not be subject to federal income tax at the time of distribution.

### NOTE 2 - DESCRIPTION OF THE PLAN (continued)

The Plan provides for safe harbor employer matching contributions to deferring participants. Such employees are eligible to receive a matching contribution equal to 100% of the first 1% of eligible compensation that a participant contributes, plus 50% of eligible compensation that a participant contributes in excess of 1%, not to exceed 6%. For the year ended December 31, 2023, the Plan Sponsor made matching contributions of \$3,546,866. The Plan provides for additional employer contributions at the discretion of the Plan Sponsor. There were no employer discretionary contributions for the year ended December 31, 2023. Contributions are subject to certain IRS limitations.

Participant Accounts: The Plan is a defined contribution plan under which a separate individual account is established for each participant. Participants direct the investment of their contributions and their share of employer contributions into various investment options as offered by the Plan. Each participant's account is credited with each participant's contribution and earnings, and an allocation of any employer contributions and administrative expenses. As a participant-directed plan, each participant's investment choices determine his/her share of earnings or losses.

Vesting: Participants are vested immediately in their contributions, plus actual earnings thereon. Participants are 100% vested in the QACA employer safe harbor matching contributions after two years of service. An employee will be credited with 190 hours of service for each month in which the employee has one hour of service.

Vesting in discretionary employer contributions is determined in accordance with the following schedule:

| <u>Years of<br/>Credited Service</u> | <u>Percentage of<br/>Vested Interest</u> |
|--------------------------------------|------------------------------------------|
| Less than 2                          | 0%                                       |
| At least 2, but less than 3          | 20%                                      |
| At least 3, but less than 4          | 40%                                      |
| At least 4, but less than 5          | 60%                                      |
| At least 5, but less than 6          | 80%                                      |

### NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Investment Options: Upon enrollment in the Plan, participants may direct the record-keeper to invest contributions into various investment options managed by the trustee, its affiliates, and other large investment management companies. If a participant fails to designate an investment selection, funds are automatically invested into the qualified default investment alternative, which is based upon the participant's expected retirement date. Participants may change their investment options, transfer part or all past investments to other funds, and change their deferral percentages at any time.

Notes Receivable from Participants: Participants may borrow from their vested fund account balances a minimum of \$1,000 and up to a maximum of one-half of the value of their vested fund account balances up to \$50,000. The maximum payment term allowed for any loan is five years unless the loan qualifies as a residential mortgage loan, in which case the term may not exceed fifteen years. The loans are secured by the balance in the participant's account and bear interest at prevailing market rates at the time the loan is taken. A participant can have three loans outstanding at any time however; only one loan with an initial term greater than five years may be outstanding at any one time. Outstanding loans at December 31, 2023 bore interest between 5.25% and 10.50%.

Rollovers: Pre-tax rollovers into the Plan are permitted. Each participant, whether or not he/she has attained age 59 ½, may withdraw all or any portion of his/her rollover contribution.

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan that would result in taxable income to the participant upon the occurrence of a qualifying event as defined by IRS guidelines. As of December 31, 2023, there were \$208,968 of outstanding loans representing defaulted loans (deemed distributions) for which the participant was taxed through an IRS Form 1099-R.

In-Service Withdrawals: In-service withdrawals are permitted by the Plan provided that the participant has attained age 59 ½. Hardship withdrawals are also permitted by the Plan regardless of participant age.

Payment of Benefits: Unless the participant elects otherwise, a participant will begin to receive his/her benefits no later than the 60<sup>th</sup> day after the close of the Plan year in which the latest of the following occurs:

- a) the participant attains normal retirement age (65);
- b) occurs the 10<sup>th</sup> anniversary of the year in which the participant commenced participation in the Plan; or
- c) the participant terminates employment

### NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Required minimum distributions as mandated by IRS regulations will commence when a participant attains age 70 ½. Participants who are not 5% owners and attain age 70 ½ may elect to defer distributions until April 1<sup>st</sup> following the calendar year in which they reach age 70 ½ or, if later, terminate employment. Due to changes made by the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), effective January 1, 2020, if a participant's 70<sup>th</sup> birthday is July 1, 2019 or later, required minimum distributions may be deferred until the participant reaches age 72.

On termination of service due to death, disability, or retirement, as defined in the Plan, participants are generally entitled to a payment of their full account balance in the form of a lump-sum. On termination of service due to other reasons, the balance of a participant's vested account becomes distributable to him/her upon election. If a participant terminates with a vested account balance that does not exceed \$5,000 and did not consent to a distribution, the participant's account will be distributed into a rollover IRA to be established by the record-keeper on the participant's behalf.

Forfeitures: Forfeitures are applied against any employer contributions made during the Plan year or used to pay Plan expenses. There was \$170,399 of forfeited amounts during the year ended December 31, 2023 and \$172,392 was used to offset QACA employer matching contributions. There was \$2,231 and \$4,082 of forfeitures remaining at December 31, 2023 and 2022, respectively.

Administrative Expenses: The Plan pays for all investment-related expenses, while the Plan Sponsor pays for all other costs of maintaining and administering the Plan.

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was restated on July 29, 2022 to comply with legislative and regulatory changes set forth in IRS Notice 2017-37.

In January 2020, Congress passed the SECURE Act. Many of the provisions of the SECURE Act were effective on January 1, 2020 and will require significant changes to plan administration and recordkeeping. The Plan Sponsor has until the 2025 Plan year to amend the Plan to include any adopted SECURE Act provisions.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

### **NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE**

Investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable held at December 31, 2023 and 2022, and ERISA required supplemental schedule, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by RTC.

### **NOTE 4 - FAIR VALUE MEASUREMENTS**

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds (Registered Investment Companies): Mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year-end. The NAV is based upon quoted market prices.

### NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Common/Collective Trusts: Common/collective trusts are valued at the NAV of units held by the Plan at year-end. The NAV is determined by the trustee of the funds and is based upon the fair value of the underlying assets held by the funds.

The methods described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

|                                      | Level 1             | Level 2           | Level 3     | Total                |

## **NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2023**

---

### **NOTE 5 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE PER SHARE (continued)**

(a) Stable Asset Value Fund: The primary investment objective of the fund is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

### **NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

### **NOTE 7 - TAX STATUS**

The Plan Sponsor adopted the record-keeper's prototype, non-standardized; profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the IRS dated October 6, 2020, which states that the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

### **NOTE 8 - TRANSACTIONS WITH PARTY-IN-INTEREST**

At December 31, 2023 and 2022, certain Plan investments were managed by the trustee and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. Participant loans also qualify as party-in-interest transactions.
