Part III

Pooled Employer Plan Information

Line 3. All Pooled employer plans must answer all of the questions in Part III, in addition to completing all of Parts I and II.

- 3a

Is the pooled plan provider (identified as the plan sponsor and administrator in Part II of the Form 5500) currently in compliance with the Form PR (Pooled Plan Provider Registration Statement) requirements? (See instructions and 29 CFR 2510.3-44)

☐ Yes ☒ No
- 3b

If line 3a is "Yes", enter the ACK ID for the most recent Form PR that was required to be filed under the Form PR filing requirements. (Failure to enter a valid ACK ID will subject the Form 5500 filing to rejection as incomplete.)

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Northwest AGC Chapters Retirement Plan

Opinion

We have audited the accompanying financial statements of Northwest AGC Chapters Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), (2) Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions, and (3) Schedule H, Part IV, Line 4(j) - Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules required by ERISA, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content of the supplemental schedules required by ERISA are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Northwest AGC Chapters Retirement Plan

Opinion

We have audited the accompanying financial statements of Northwest AGC Chapters Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of (1) Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), (2) Schedule H, Part IV, Line 4(a) - Schedule of Delinquent Participant Contributions, and (3) Schedule H, Part IV, Line 4(j) - Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules required by ERISA, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content of the supplemental schedules required by ERISA are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NORTHWEST AGC CHAPTERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Northwest AGC Chapters Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering eligible employees of participating employers, so elected in the Participation agreement designating a covered group of employees. An employer that is a member of a local chapter of the Associated General Contractors of America may adopt this plan for their employees. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Participating employers may also render services pursuant to public contracts which are subject to the Davis-Bacon Act, Service Contract Act, or a state or local government law.

Contributions – Participants may elect to contribute between 1% and 100% of eligible compensation to the Plan each year subject to dollar limitations under the Internal Revenue Code. Each participating employer may also contribute amounts to the Plan each year. Under the Plan, employer contributions are generally designated as profit sharing contributions or matching contributions.

Vesting – Participants are fully vested in their salary deferrals plus actual earnings thereon. The vesting percentage schedule for employer contributions is selected by each employer in their Joinder agreement. A participant’s vested interest will convert to 100% in the following circumstances: (1) death while an employee, (2) termination of employment due to total and permanent disability while an employee, (3) attainment of normal retirement age, or (4) Plan termination.

Loans to Participants – Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. A participant may have one outstanding loan at a time. Loans are secured by the balance of the participant’s account and bear fixed, reasonable rates of interest, as determined by the plan administrator. The maximum loan term is five years. Principal and interest are paid ratably through payroll deductions. As of December 31, 2023, the rate of interest on outstanding loans ranged from 5.25% to 10.50%.

Payment of Benefits – On termination of service, a participant is entitled to payment of their vested account balances. The form of payment can be either a lump sum equal to all or any portion of the participant’s vested account balance, or installment payments.

Forfeitures – Forfeitures may be used to reduce employer contributions, pay expenses, or reinstate a forfeiture account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NORTHWEST AGC CHAPTERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition – The Plan’s investments are reported at fair value, except for an insurance company general account which represents a fully benefit-responsive investment contract and is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because it is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The board of trustees determines the Plan’s valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Trust’s gains and losses on investments bought and sold as well as held during the year.

Loans to Participants – Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for uncollectable loans has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions Receivable – Represents the amount that employers are obligated to contribute under the terms of their Joinder Agreements for work that participants performed during the years ended December 31, employee elective deferrals from wages paid during the years ended December 31, and any employer discretionary contributions related to the year ended December 31. The Plan’s management considered all contributions receivable to be fully collectible. Accordingly, there is no allowance for expected credit losses.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Administrative expenses and contributions are allocated on a cash basis to participant accounts. All expenses of maintaining the Plan are paid out of plan assets.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
---------	---

NORTHWEST AGC CHAPTERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

3. FAIR VALUE MEASUREMENTS - Continued

Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observed for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Trust are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Trust are actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the asset's fair value at December 31, 2023:

	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 129,616,089</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 129,616,089
Investment measured at net asset value				<u>160,496,996</u>
Total investments				<u>\$ 290,113,085</u>

NORTHWEST AGC CHAPTERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

3. FAIR VALUE MEASUREMENTS - Concluded

The following table sets forth by level, within the fair value hierarchy, the asset's fair value at December 31, 2022:

	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 227,877,888</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 227,877,888
Investment measured at net asset value				<u>15,824,445</u>
Total investments				<u>\$ 243,702,333</u>

Changes in Fair Value Levels – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported on the actual date of the event or change in circumstances that caused the transfer.

The Plan's management evaluates the significant transfers, if any, between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2023 and 2022, there were no significant transfers in or out of levels 1, 2 or 3.

Investments Measured Using the Net Asset Value per Share Practical Expedient – The Plan invests in *T. Rowe Price Stable Value Common Trust Fund* and *Vanguard Target Retirement Common Trust Funds* for which fair value is measured using the net asset value per share as a practical expedient at December 31, 2023 and 2022. The common collective funds reported at net asset value per share practical expedient file U.S. Department of Labor Form 5500 as a direct filing entity.

T. Rowe Price Stable Value Common Trust Fund – There are no restrictions on participant-initiated withdrawals. The redemption initiated by the Plan requires to provide either 12 or 30 months' advance written notice.

Vanguard Target Retirement Common Trust Funds II – In 2023 the Plan transferred all target retirement funds from mutual funds to common collective trust funds. There are no restrictions on participant-initiated withdrawals. Certain large redemptions initiated by the Plan requires to provide advance written notice. The amounts that require advance notification range from \$1,000,000 to \$10,000,000.

4. INSURANCE COMPANY GENERAL ACCOUNTS

Key Guaranteed Portfolio Fund ("KGPF") was a general account product offered through Great-West Life & Annuity Insurance Company ("GWL&A"). Participant principal and interest were fully guaranteed by the entire general account assets of GWL&A. The contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. During 2023, all investments in KGPF were liquidated at contract value.

NORTHWEST AGC CHAPTERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

The IRS has issued a determination letter informing the Plan sponsor that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan's management does not believe the Plan has engaged in any activities that would result in income taxation and, as a result, has concluded that as of December 31, 2023, there are no uncertain position taken or expected to be taken that would require recognition of an income tax liability or other disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax period in progress and the Plan's management believes the Plan is no longer subject to income tax examination for years prior to 2020.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the sponsor has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no differences between the Form 5500 and the financial statements as of December 31, 2023 and 2022 and for the year ended December 31, 2023.

9. LATE CONTRIBUTIONS

As disclosed in the Plan's Form 5500, certain employee deferrals were not remitted to the Plan within the time frame required by the Department of Labor. The Trustees will determine the amount of related lost earnings and participating employers will remit these amounts to participants' accounts subsequent to year end.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

10. RECENTLY ADOPTED ACCOUNTING GUIDANCE

Accounting In June 2016, the FASB issued guidance (FASB ASC 326) Allowance for Credit Losses. The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not material to the financial statements.

11. SUBSEQUENT EVENTS

Management of the Plan has evaluated events and transactions occurring after December 31, 2023 through October 14, 2024, the date the financial statements were available for issuance, for potential recognition or disclosure in the financial statements and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
