This representation letter is provided in connection with your audits of the financial statements and supplemental schedules of L. Kang, Inc., 401(k) Plan (the "Plan"), which comprise the Statements of Net Assets Available for Benefits (Modified Cash Basis) as of December 31, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits (Modified Cash Basis) for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the "financial statements").

We elected to have the audits of the plan's financial statements as of December 31, 2023 and 2022 and for the year ended December 31, 2023, performed in accordance with the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information prepared and certified by the Plan's trustee, Reliance Trust Company, as described by 29 CFR 2520.103-8 meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with the modified cash basis of accounting.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

 - b) Intentions to terminate the Plan.
- 29) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 30) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows: registered investment companies – quoted net asset value of shares held by the Plan daily and classified as Level 1; common collective trusts – net asset value of units of the bank collective trust used as a practical expedient to estimate fair value. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 31) All required amendments to and filings of Plan documents with the appropriate agencies have been made.
- 32) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code ("IRC") and we intend to continue them as a qualified plan (and trust). The Plan Sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

- 37) We acknowledge our responsibility for presenting the schedule of assets (held at year end), in accordance with the modified cash basis of accounting and in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA, and we believe the schedule of assets (held at year end), including its form and content, is fairly presented in accordance with the modified cash basis of accounting and in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
- 38) We acknowledge that administrative expenses paid by the Plan Sponsor on behalf of the Plan will not be reimbursed by the Plan.
- 39) The Plan Sponsor is an adopter of a pre-approved plan that received a favorable Internal Revenue Service Opinion Letter dated October 6, 2020. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
- 40) We have obtained the service auditor's report from our service organization, Reliance Trust Company. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2023.
- 41) As of December 31, 2023 and 2022, there were no forfeitures. During the year ended December 31, 2023, forfeitures in the amount of \$20 were used to reduce Company contributions and pay plan expenses.
- 42) We do not believe substantial doubt exists about our ability to continue as a going concern through one year after the date the financial statements were available to be issued, and we have disclosed to you relevant information that may have a bearing on that determination.

 - b) Designated an individual (within senior management) with suitable skill, knowledge, and/or experience to oversee the services.

 - d) Accepted responsibility for such services.

Sincerely,
