Independent Auditor's Report

To the Board of Trustees
Radio, Television and Recording Arts Annuity Fund

Opinion on the 2023 Financial Statements

We have audited the financial statements of Radio, Television and Recording Arts Annuity Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

In our opinion, the accompanying 2023 financial statements present fairly, in all material respects, information regarding the net assets available for benefits of the Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued (or when applicable, one year after the date that the financial statements are available to be issued).

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAP will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplementary Information Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the 2023 financial statements as a whole. The supplementary information listed in the table of contents as of and for the year ended December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements, but certain supplementary information is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

The Board of Trustees
Radio, Television and Recording Arts Annuity Fund

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplementary information is fairly stated, in all material respects, in relation to the 2023 financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of the Plan as of and for the year ended December 31, 2022 were audited by Buchbinder Tunick & Company LLP, which entered into an asset purchase agreement with Weaver and Tidwell, L.L.P. effective January 1, 2024, expressed an unmodified opinion on those financial statements on September 25, 2023.

Radio, Television and Recording Arts Annuity Fund

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Radio, Television and Recording Arts Annuity Fund (the "Plan") provides only general information. Participants should refer to the Rules and Regulations for a more complete description of the Plan's provisions.

General

The Plan first became effective October 1, 1979 and is a defined contribution money purchase plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the Radio and Television Broadcast Engineers, Local 1212, I.B.E.W., AFL-CIO (the "Union") and various employers and employer associations in the broadcasting industry in the greater New York area. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

In accordance with collective bargaining agreements and participation agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work.

Participants' Accounts

Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with contributions made on his/her behalf plus a semi-annual allocation of plan net investment earnings, net of administrative expenses. If there have not been any contributions to a participant's account for a full three years, the account will become "inactive" and will no longer receive an allocation of net earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Funding Policy

The participating employers make monthly contributions to the Plan on behalf of covered employees in amounts determined by the CBA. Contribution rates vary by collective bargaining agreements. Contributions by participants are not permitted under the Plan.

Vesting

Participants are immediately 100% vested in all contributions and related earnings credited to their individual accounts.

Radio, Television and Recording Arts Annuity Fund

Notes to Financial Statements

Payment of Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

- (a) Attains age 55 and retires.
- (b) Dies.
- (c) Becomes totally and permanently disabled.
- (d) Has no employers' contributions credited to his/her individual account for twelve consecutive months.

Plan regulations mandate that the distribution of a participant's benefit commences when the participant attains age 72.

A participant may elect any one of the following methods of payment:

- a. Single life annuity or qualified joint survivor annuity, purchased by the Plan from an insurance company.
- b. One lump sum payment, or.
- c. 75% optional joint and survivor annuity.

In accordance with IRS regulations, minimal account balances may be distributed in one lump sum payment without consent of the participant.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Radio, Television and Recording Arts Annuity Fund

Notes to Financial Statements

Due from Brokers

Due from brokers represents the amount of unsettled trades that the Plan has open with financial institutions. The Plan liquidated all the investments as of the year end, since effective January 1, 2024, the investing became participant directed.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events and transactions through October 15, 2024, the date that the financial statements were available to be issued. Effective January 1, 2024, the Fund engaged Empower to be the custodian of the Funds and the investing became participant directed. On March 4, 2024, participants accounts were set up for the participants.

Administrative Expenses

All administrative fees are paid by the Plan. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Note 3. Concentrations of Credit Risk

Financial instruments that subject the Plan to concentrations of credit risk consist of cash, money market fund, and employers' contributions receivable. While the Plan attempts to limit its financial exposure, its deposit balances may, at times, exceed federally insured limits. The Plan has not experienced any losses on such accounts. Contributions receivable from the employers represent amounts due to the Plan under the terms of a collective bargaining agreement. Any concentration of credit risk related to such receivable is subject to the financial condition of the employers.

There are two participating employers that make up 100% of the contributions and contributions receivable and December 31, 2023 and 2022.

Note 4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements

Note 5. Fair Value Measurements

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification ("ASC") 820, Fair Value Measurements* provides the framework for measuring fair value. It defines fair value as an exit price, which is the price that would be received for an asset or paid to transfer a liability in the Plan's principal or most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date.

The fair value hierarchy generally requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs reflect the assumptions market participants would use in pricing the asset or liability and are developed based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the entity's own assumptions based on market data and the entity's judgments about the assumptions that market participants would use in pricing the asset or liability, and are to be developed based on the best information available in the circumstances.

The Plan determines the fair market value of its investment in securities based on the established fair value definition and hierarchy levels. The three levels within the hierarchy that may be used to measure fair value are:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Observable inputs, including Level 1 prices that have been adjusted; quoted prices for similar assets or liabilities; quoted prices in markets that are less active than traded exchanges; and other inputs that are observable or can be substantially corroborated by observable market data.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities.

The lowest level of input that is a significant component of the fair value measurements determines the placement of the entire fair value measurement in the hierarchy. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

Radio, Television and Recording Arts Annuity Fund

Notes to Financial Statements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Registered investment companies are valued using quoted market prices in active markets.

Common collective trusts: The common collective trusts are valued at the net asset value ("NAV") as determined by the custodian of the funds. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the investments in the common collective trusts, less any liabilities. Transactions may occur daily. If the Plan were to initiate a full redemption of the common collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the common collective trusts in order to ensure the securities liquidations will be carried out in an orderly business manner.

Money market fund: The money market fund is stated at cost which approximates fair value.

The preceding valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, the Plan's assets that were accounted for at fair value on a recurring basis as of December 31, 2023:

Investments in securities:

	Total Fair Value	Quoted Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

PIMCO Total Return Collective Trust

PIMCO Total Return Collective Trust (the "PIMCO TRCT") is one of a series of collective trust funds under the PIMCO Collective Investment Trust (the "PIMCO Trust"). Withdrawals may be made on any business day. However, the PIMCO Trustee reserves the right to require five business days' advance written notice. The PIMCO Trustee shall pay such withdrawals promptly, but in any event within ten business days following the applicable withdrawal date. The PIMCO Trustee shall have the discretion to limit the maximum withdrawal as of any date to the greater of \$2,000,000 or five percent (5%) of the value of the assets in the PIMCO Trust as of the applicable date. In addition, the PIMCO Trustee shall have the discretion to limit the maximum withdrawal to 25% of the value of the assets in the PIMCO TRCT as of the first such withdrawal during any rolling thirty-day period. Withdrawals will normally be paid in cash. However, the PIMCO Trustee reserves the right to pay withdrawals in-kind, a combination of cash and in-kind, or any other manner consistent with applicable law in the state in which the PIMCO Trust is maintained. As of December 31, 2023 there are no unfunded commitments. The estimated fair value of the Plan's investment as of December 31, 2023 and 2022 was \$-0- and \$2,721,093, respectively.

Northern Trust Collective All Country World Index Fund

Northern Trust Collective All Country World Index Fund - Non Lending which is one of a variety of collective funds that comprise the Northern Trust Investments Collective Funds Trust (the "Northern Trust"). Northern Trust Investments Inc. ("NTI") serves as the trustee of these funds. The Northern Trust was established by NTI for the commingling of assets of eligible employee benefit plans. The funds are valued on a daily basis using the ending number of units outstanding and the total net assets of the funds on that date. Admissions and withdrawals are recorded at the unit value determined on the valuation date and shall be made only in accordance with the terms of the Declaration of Trust. Net investment income is reinvested. Net realized gains from security transactions are not distributed to participants and are reinvested in the funds. As of December 31, 2023 there are no unfunded commitments. The estimated fair value of the Plan's investment as of December 31, 2023 and 2022 was \$0 and \$249,431, respectively.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Trustees reserve the right to amend or terminate the Plan as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Note 7. Tax Status

The Internal Revenue Service has determined and informed the Plan by a letter dated June 5, 2015 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
