INDEPENDENT AUDITORS' REPORT

To the Plan Sponsors of the
The Hardy Group Savings Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hardy Group Savings Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hardy Group Savings Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023, and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

- I -

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hardy Group Savings Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hardy Group Savings Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hardy Group Savings Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hardy Group Savings Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at Year End) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE HARDY GROUP SAVINGS PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of The Hardy Group Savings Plan and Trust (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a defined contribution plan established under an agreement effective January 1, 1984 and covers all full-time employees who have completed one year of service as defined by the Plan and have attained age eighteen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is sponsored by Hardy Chevrolet Pontiac Buick GMC, Inc. and sister companies Hardy Chevrolet, Inc. and Family Ford, Inc. also participate in the plan.

The Plan is intended to be a qualified defined contribution plan which satisfies the requirements of Section 401(k) of the Code. Under the Code, Participants are not liable for federal income taxes on employee contributions, Company contributions or plan earnings until such time as they are partially or completely withdrawn from the Plan.

2. Contributions

Each year participants may contribute pretax contributions of total compensation subject to limitations prescribed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover).

3. Participant Accounts

Each participant’s account is credited with the participant’s contribution and any matching contribution of The Hardy Group Savings Plan and Trust and allocation of the Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Administrative expenses not paid by the plan are paid by the Sponsors. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All contributions made to these accounts are directed by the participant into a particular investment offered by the administrator and the allocations between investments can be changed by the participant at will.

NOTE A – DESCRIPTION OF PLAN – CONTINUED

4. Vesting

Participants are immediately vested in their contributions attributable to salary deferrals and rollovers plus actual earnings thereon.

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested balance. The loans are secured by the balance in the participant's account. The loan interest rate is 1 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions. At December 31, 2023 and 2022, there were loans to participants totaling \$133,022 and \$38,292, respectively. One loan totaling \$2,668.79 plus interest is currently nonperforming but is fully collateralized by the participant's underlying account assets. Defaults may be cured by repaying enough to cure the default or the Plan Administrator withdrawing amounts from the vested balances under the plan to the extent necessary to repay the outstanding balance of the loan. Accordingly, no allowance is maintained.

6. Payment of Benefits

On termination of service due to death, disability or retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements follows:

1. Date of Management's Review

Subsequent events were evaluated through October 14, 2024, which is the date the financial statements were available to be issued and management's review.

2. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-CONTINUED

3. Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

4. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value of investment contracts with a trust company are based on the net asset value of the underlying funds as of the close of business on the valuation date.

Net realized and unrealized appreciation is recorded in the accompanying statement of changes in net assets available for benefits as new appreciation in fair value of investments. See Note H for discussion of fair value measurements.

Participant loans are valued at amortized cost which approximates fair value. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Deemed distributions totaled \$641 for the year ended December 31, 2023 and is classified as a benefit paid to participant.

5. Income Tax Status

The Plan adopted a prototype plan. The prototype plan obtained its latest determination letter on March 31, 2008 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. The Plan has been amended with the most recent amendment adopted as of April 2023. The adopted plan was a preapproved plan whereby plans automatically have assurance that the language used in their plan satisfies the requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Company is no longer subject to U.S. Federal income tax examinations by tax authorities for years before 2020.

6. Payment of Benefits

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-CONTINUED

7. Operating Expenses

Administrative expenses are paid by the Plan and/or directly by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

8. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to the contributions.

NOTE C – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments for the year ended December 31, 2023 was obtained and derived from information supplied to the plan administrator and certified as complete and accurate Reliance Trust Company, trustees of the Plan.

NOTE D – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Merrill Lynch in its capacity as Investment Consultant. The Plan's transactions are captured by the Automated Data Processing Retirement Services 401 k qualified plan and participant recordkeeping operations services system.

THE HARDY GROUP SAVINGS PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE E – ERISA BOND REQUIREMENT

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan to be bonded. The bond coverage is to be determined by the balance of the total Plan assets and is required to be at least equal to the lesser of 10% of the Plan's assets at the beginning of the Plan year or \$500,000. At December 31, 2023 and 2022, the Plan's sponsor maintained coverage at least equal to 10% of the Plan's assets.

NOTE F – RELATED PARTY TRANSACTIONS

The Sponsors may pay administrative and trust expenses in whole or in part. All expenses not paid by the Sponsors shall be paid by the Plan. Administrative and trust expenses paid by the Sponsors and not charged to the Plan amounted to \$9,000 and \$9,000 for the years ended December 31, 2023 and 2022, respectively. The Sponsors also pay the salaries of the benefits administrators and other personnel who perform services for the Plan as part of their duties. These expenses are not recorded as Plan expenses.

NOTE G – RISK AND UNCERTAINTIES

The Plan invests in mutual funds invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

THE HARDY GROUP SAVINGS PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE H – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair values of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no transfers into or out of Level 1, 2, or 3 measurements for the year ended December 31, 2023.

Level 1 Fair Value Measurements:

The fair values of the pooled separate accounts are based on quoted net asset values of the shares as reported by the underlying funds held at year end. The underlying funds are valued using quoted market prices of similar assets in active markets.

The following table segregates all financial assets as of December 31, 2023 and 2022 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

NOTE J – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsors reserve the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE K – PLAN AMENDMENTS

During 2023, the minimum age to participate in the plan was reduced from twenty one to eighteen years of age.
