INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Strohwig Industries, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Strohwig Industries, Inc. 401(k) Savings Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2023 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Strohwig Industries, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting - Strohwig Industries, Inc. 401(k) Savings Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2023 through October 11, 2024, which is the date the financial statements were available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan - Strohwig Industries, Inc. is the plan sponsor, employer and plan administrator. Prior to July 1, 2023, Bank of America, N.A. was the investment trustee and agent that had custody of plan assets, third party administrator that maintained participant records, and tax counsel that performed various compliance tests. Effective July 1, 2023, ADP, LLC replaced Bank of America, N.A. as the third party administrator and tax counsel, and Reliance Trust Company became the investment trustee that holds custody of the plan assets and maintains participant records.

Investments - The 401(k) committee (which is comprised of employees of the plan sponsor) determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Participants should refer to the prospectuses and annual reports of the investments for more information. The net appreciation (depreciation) in the fair value of investments bought, sold and held during the years is reflected in the statements of changes in net assets available for benefits.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

The following is a description of the valuation methodologies used for investments measured at fair value.

Common/collective trust - Valued at net asset value ("NAV") based on the underlying unit value as reported by the trust. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the reported NAV. The common/collective trust is a direct filing entity.

Mutual funds - Valued at the daily published market prices as reported by the fund. The mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily NAV and are deemed to be actively traded.

Notes to Financial Statements

December 31, 2023 and 2022

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as summarized below.

Investments at fair value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$22,282,454	\$ -	\$ -	\$22,282,454
Total assets in the fair value hierarchy	\$22,282,454	\$ -	\$ -	22,282,454
Investments measured at NAV (a)				1,698,703
Total investments at fair value				\$23,981,157

Investments at fair value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 373	\$ -	\$ -	\$ 373
Mutual funds	19,220,428	-	-	19,220,428
Total assets in the fair value hierarchy	\$19,220,801	\$ -	\$ -	19,220,801
Investments measured at NAV (a)				1,853,362
Total investments at fair value				\$21,074,163

- (a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the plan.

December 31, 2023	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$1,698,703	n/a	daily	12 months
December 31, 2022	Fair value	Unfunded commitments	Redemption frequency	Redemption notice period
Common/collective trust	\$1,853,362	n/a	daily	12 months

2. DESCRIPTION OF PLAN

The following description of the plan is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

General - The plan was established on January 1, 1987 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Strohwig Industries, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

Eligibility - Employees are eligible to participate in the plan once they have reached the age of twenty-one and completed six months of service. An employee can enter the plan on the first payroll of the month immediately following the completion of the eligibility requirements.

Contributions - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made in the following ways:

- a. Participants may contribute up to 100% of their annual wages subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferrals. Newly eligible employees are automatically enrolled in the plan and have 3% of their compensation withheld as elective deferral contributions (auto-enroll). Employees that are auto-enrolled have the option to increase, decrease or stop the elective deferral contribution at any time.
- b. Employee rollover contributions are accepted by the plan from other qualified plans.
- c. The employer may make matching contributions equal to a discretionary percentage of the elective deferral contributions. The maximum amount eligible for matching is 6% of the employee's compensation. The discretionary matching percentage was 50% of employee's eligible elective deferral contributions for 2023 and 2022. The matching contributions were funded coinciding with each payroll period. The plan also provides for an additional matching contribution made after the end of the plan year (true-up contribution). A true-up contribution may be required for participants whose contributions or compensation changed during the plan year.

Participant accounts - Earnings, including the fair value appreciation and depreciation, are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral contributions, rollover contributions and an allocation of employer contributions, if any. Participants are allowed to change their investment options on a daily basis and change their deferral percentage each pay period.

Vesting - Participants are 100% vested in their account balance.

Payment of benefits - Benefit payments are recorded when paid and may commence upon death, disability, attainment of normal retirement age or termination of employment. Participants may receive their distribution in the form of a single lump sum, partial payment or an annuity. In addition, hardship withdrawals are permitted under certain circumstances and in-service withdrawals can commence upon attaining the age of 59½.

Notes receivable from participants - With the approval of the plan administrator, participants may obtain a loan from their account. Loans must generally be paid back over a period not to exceed five years unless the loan is taken for the purchase of a primary residence. The minimum loan amount is \$1,000 and the maximum amount is limited to the lesser of \$50,000 or one-half of the participant's balance. Participants may have up to two loans outstanding at any given time. As of December 31, 2023 the loans have various repayment schedules through December 2030 with interest rates ranging from 5.25% to 10.00%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

Administrative fees - Certain administrative fees of the plan are paid by the employer. Certain other administrative fees are paid by the plan from plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for loan and distribution fees. Nonparticipant directed charges are allocated to participants on an account value basis.

3. PARTY-IN-INTEREST TRANSACTIONS

Transactions between the plan, the recordkeepers, and the custodians, as defined in Note 1, qualify as party-in-interest transactions. Direct fees paid to Bank of America, N.A., recorded as a component of administrative expenses in the accompanying financial statements, were \$11,000 in 2023 and insignificant in 2022. Direct fees paid by the plan to ADP, recorded as a component of administrative expenses in the accompanying financial statements, were \$4,000 in 2023.

Strohwig Industries, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023 and 2022

In addition, Bank of America, N.A. received indirect compensation from mutual fund companies for services Bank of America, N.A. provided to the funds. The compensation received by Bank of America, N.A. was used to offset certain amounts that would otherwise have been owed by the plan to Bank of America, N.A. for administrative services provided. If the revenue exceeded the cost of administrative services, the excess was credited to the plan. The revenue sharing amounts credited to the plan were \$28,000 in 2023 and \$42,000 in 2022 and are included as other income in the accompanying statements of changes in net assets available for benefits. At the employer's discretion, these rebates can be allocated to the accounts of participants or used to offset the plan's administrative expenses. During 2023, \$53,000 of accumulated unapplied rebates were allocated to participants on an account value basis. During 2022, \$10,000 was used for administrative expenses. Unapplied rebates were \$19,000 and \$43,000 as of December 31, 2023 and 2022.

ADP also receives indirect compensation from mutual fund companies for services provided to the funds. This indirect compensation is used to offset certain amounts that would otherwise be owed by the plan to ADP for administrative services to the plan.

Notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the plan sponsor has the right to terminate the plan at any time subject to the provisions of ERISA.

5. INCOME TAX STATUS

The plan was operating under a Merrill Lynch, Pierce Fenner & Smith Inc. non-standardized defined contribution pre-approved plan through June 30, 2023. The pre-approved profit plan obtained a favorable opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Effective July 1, 2023, the plan adopted an ADP, LLC non-standardized pre-approved profit sharing plan. The pre-approved profit sharing plan received a favorable opinion on October 6, 2020, in which the Internal Revenue Service stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan. However, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) if the plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2023 and 2022. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.
