REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees, Plan Participants, and their Beneficiaries
Knights Ventures, LLC 401(k) Retirement Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed an audit of the financial statements of Knights Ventures, LLC 401(k) Retirement Savings Plan (the "Plan"), an employee benefit Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2023 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute

assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Auditor's report on the 2022 financial statements

The financial statements of the Plan as of and for the year ended December 31, 2022 were audited by other auditors who expressed an unmodified opinion on those financial statements in their report dated October 16, 2023. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit

did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Supplemental schedules required by ERISA

The supplemental schedules of delinquent participant contributions, for the year ended December 31, 2023, and of assets (held at end of year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Knighted Ventures, LLC 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution Plan, with elective deferral and employer matching contribution features, that was established effective January 1, 2016, and covers all employees of Knighted Ventures LLC, Elevated, LLC, Knighted Services, Inc., Game Knight, Inc., Champions Group, Inc., Champions Houston LLC, and Champions Dallas, LLC (the “Employers”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligibility

Employees become eligible to participate in the Plan after attaining a minimum age of 21 years old and two months of service to be eligible for employer matching contributions, and one year of service to be eligible for profit sharing contributions. Enrollment is effective the first day of each calendar month of the Plan year coinciding with or following satisfaction of the eligibility requirements.

Contributions

Participants may contribute up to 100 percent of their pretax annual compensation as defined in the Plan, subject to certain limitations as prescribed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions or rollovers from other qualified defined benefit or defined contribution Plans. Participants direct both the investment of their contributions and Employers’ matching contributions into various investment options offered by the Plan.

The Employers may elect to make discretionary matching and profit-sharing contributions, subject to certain limitations, to the Plan in an amount determined by the Employers. For the year ended December 31, 2023, the Employers made discretionary matching contributions equal to 25 percent of the participants’ contribution, up to 4 percent of eligible salary. To be eligible for the Employers’ matching contributions, the participants must have satisfied the eligibility requirements mentioned above.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Employers’ contributions, if any, as well as earnings associated with his or her investment elections. Participants accounts are charged with any withdrawals or distributions requested by the participant, investment losses, and an allocation of administrative expenses, if applicable. Allocations are based on participants’ earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Vesting

Participants are immediately vested in their contributions plus accumulated earnings thereon. Employers' contributions, plus accumulated earnings thereon, are based on a graded schedule whereby a participant is 100 percent vested after 5 years of credited service as outlined in the table below. Otherwise, a participant becomes fully vested immediately in employer contributions upon reaching normal retirement age, death or becoming permanently disabled while employed, as well as upon termination of the Plan or the complete discontinuance of employer contributions to the Plan.

Years of Service	Vesting Percentage
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 reduced by the highest outstanding loan balance in their accounts during the prior 12-month period, or 50 percent of their vested account balance. Participants may have one loan outstanding at a time, and terms range from 1 to 5 years, or up to 20 years for the purchase of a primary residence. The loans are secured by the respective participant's vested account balance and bear interest at the Wall Street Journal prime rate plus 1.0 percent. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

The government places certain restrictions on withdrawals in order to retain the special tax- saving benefits associated with the Plan. Upon termination of service due to disability, retirement, or for other reasons, a participant or beneficiary may elect to receive the value of the vested interest in his or her account as a lump-sum payment, partial payment, annuity contract, in installments over a period of time determined by the event, or to roll the balance directly over to an eligible retirement Plan or individual retirement account. However, if the value of a separated participant's vested balance is between \$1,000 and \$5,000, the Plan can cause the vested balance to be transferred to an individual qualified retirement account. If the value of a separated participant's vested balance does not exceed \$1,000, the Plan can cause the vested balance to be either transferred to an individual qualified retirement account or distributed to the separated participant directly. In the event of a participant's death, payment of the vested value of the participant's account is made to his or her beneficiary in one lump-sum payment or in installments.

Other withdrawals are available only in cases of immediate and heavy financial hardship, upon meeting certain requirements as defined by ERISA and approval from the Plan Administrator. A participant's right to make deferrals will be suspended for six months after receipt of a hardship withdrawal.

Forfeited Accounts

At December 31, 2023 and 2022, the accumulated forfeited nonvested account balances totaled \$38,000 and \$0, respectively, and are included in investments in the statements of net assets available for benefits. Under the terms of the Plan, the Plan can use forfeitures to pay expenses in connection with the management and operation of the Plan or to reduce future employer contributions. During the year ended December 31, 2023, the Employers elected to not use any of the forfeitures recorded during the year to reduce employer contributions or pay Plan expenses.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Investment Options

Under the Plan, participants are allowed to make their own investment decisions, selecting from options authorized by the Plan Administrator. Participants may elect at any time to have all or part of their account balances and future contributions transferred from one fund to another or in any combination. All options vary in types of investments, rates of return, and investment risk.

Plan Termination

Although they have not expressed any intent to do so, the Employers have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, partial termination occurs when employee turnover reaches or exceeds 20 percent by the end of the year. In the event of a Plan termination or partial termination, participants will become 100 percent vested in their Employers' contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation in fair value of investments includes realized and unrealized gains and losses on investments sold or held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income from investments is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. There have been no changes in methodologies used at December 31, 2023 and 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest from loans. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Interest income earned from outstanding loans is recorded on the accrual basis.

Expenses

Non-investment costs, primarily accounting and administrative expenses of the Plan, are paid for by the Employers, which are parties-in-interest. These expenses, which are not reflected in the accompanying financial statements, constitute exempt party-in-interest transactions. Certain Plan recordkeeping and advisory services and administrative fees are paid by the Plan or charged against Plan investment activities and are included in the statement of changes in net assets available for benefits. Investment management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Knighted Ventures, LLC 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan, but have not yet been paid, at December 31, 2023 and 2022.

Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and change therein, and disclosure of contingent assets and liabilities. Estimates also reflect the reported amounts of revenue and expense during the reporting period. Actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Knighted Ventures, LLC 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish daily net asset values ("NAVs") and to transact at that price. The mutual funds held by the Plan are considered actively traded. (Level 1)

Collective trust funds: Valued using the NAV as a practical expedient to fair value of the units held by the Plan at year end.

Pooled Separate accounts: The pooled separate accounts are valued, as a practical expedient, based on the net asset value NAV reported by the insurance company, which approximates fair value of the investments. The investments are redeemable at the NAV under agreements with the insurance company.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present the hierarchy level of inputs used to estimate the fair value of the Plan's assets:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 743,107	-	-	\$ 743,106
Collective trust funds measured at NAV as a practical expedient ^(a)				7,681,317
PSA funds measured at NAV as a practical expedient ^{(a) (b)}				371,066
Total investments, at fair value				<u>\$ 8,795,489</u>
December 31, 2022				
Insurance company PSA funds measured at NAV as a practical expedient ^(a)				<u>\$ 6,021,385</u>
Total investments, at fair value				<u>\$ 6,021,385</u>

As of December 31, 2023 and 2022, redemption of these funds are generally permitted daily and there are no unfunded commitments. Were the Plan to initiate a full redemption of these trust funds, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities

liquidations will be carried out in an orderly business manner. These funds file U.S. Department of Labor Form 5500, as direct filing entities. Refer to the funds' filing for additional information and disclosure of the funds' investment strategy and holdings.

The Plan initiated redemption of the John Hancock Stable Value Fund, the only pooled separate account held by the Plan as of December 31, 2023, which will be fully redeemed and assets withdrawn as of April 30, 2024.

NOTE 4 CERTIFIED INFORMATION

The Plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under the ERISA. Accordingly, Fidelity Management Trust Company, the trustee, and John Hancock Life Insurance Company, the custodian, of the Plan have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule H, Part iv, line 4(i) - schedule of assets (held at end of year) as of December 31, 2023.

The Plan's independent accountants did not perform any auditing procedures with respect to information certified by the trustee, except for comparing such information to the related information included in the above named financial statements and supplemental schedule.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments offered by the Plan are managed by Fidelity Management Trust Company and John Hancock Investment Management Company, the trustee and custodian of the Plan, respectively, during the years ended December 31, 2023 and 2022; therefore, all transactions in these investments and expenses paid to the custodians qualify as party-in-interest. Notes receivable from participants are also party-in-interest transactions.

NOTE 6 INCOME TAX STATUS

The Plan was formed using a pre-approved format by the IRS for qualification under Section 401(a). This format last received approval by the IRS on June 30, 2020 and May 7, 2015, for Fidelity Management Trust Company and John Hancock Investment Management Company, respectively. The Plan has been amended since its original formation. However, the Employers believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of years ended December 31, 2023 and 2022 there are no uncertain positions taken or expected to be taken that would

Knighted Ventures, LLC 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - NONEXEMPT TRANSACTIONS

For the year ended December 31, 2023, participant contributions approximating \$3,148 in aggregate, were withheld from participants' pay, but were not remitted to the Plan within the time frame required by the Department of Labor under the Plan asset rules. The Employers reimbursed the Plan for lost earnings of approximately \$133 in 2023.

NOTE 8 - SUBSEQUENT EVENTS

The Plan evaluated its December 31, 2023 financial statements for subsequent events through October 15, 2024, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
