INDEPENDENT AUDITOR'S REPORT

To Pride Capital Partners, LLC
401(k) Plan and Participants

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pride Capital Partners, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and Form 5500, Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRIDE CAPITAL PARTNERS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

1. DESCRIPTION OF PLAN

The following description of Pride Capital Partners, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

On March 11, 2022, the Plan restated the existing plan document and made the following modifications: (1) change in defined Excluded Employees, (2) change in the maximum elective deferral contribution from 90% to 100% of percentage of compensation, and (3) longer terms of the loan may be allowed if the loan is taken for the purpose of purchasing a primary residence.

Effective September 27, 2023, the Plan was restated and the Plan changed its trustee to Empower Trust Company, LLC ("Empower").

General and Eligibility

The Plan is a defined contribution plan, covering all employees of Pride Capital Partners, LLC (the "Plan Sponsor"), except for certain Excluded Employees, who have attained age twenty-one or older, as defined in the Plan. Employees, who are members of a collective bargaining unit, non-resident aliens, reclassified employees and residents of Puerto Rico, as defined in the Plan, are Excluded Employees and are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute at least 3% and up to 100% of pretax annual compensation, as defined in the Plan, up to the maximum amount then permitted by tax laws. Participants may also contribute amounts representing distributions from other qualified plans. The employer may make a matching contribution equal to a uniform percentage of the participants' elective deferrals. The employer will determine the amount of the discretionary matching percentage each year. The employer may also make discretionary non-elective contributions on behalf of eligible participants. Non-elective employer contributions are based on an amount designated by the employer allocated according to the ratio of each participant's salary to total salary of all participants eligible to receive the contribution. Discretionary employer contribution for the year ended December 31, 2023 amounted to \$1,298,821.

If an eligible participant is 50 years of age or older, they may contribute additional amounts permitted by the tax laws.

PRIDE CAPITAL PARTNERS, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

1. DESCRIPTION OF PLAN - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan sponsor's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Participants direct the investment of their employee contributions and share of employer contributions into various investment options offered by the Plan, which includes registered investment companies (mutual funds or money market funds), common collective trusts and guaranteed investment contract.

Vesting

Participants are fully vested in their employee contributions plus actual earnings thereon. Vesting in employer contributions and earnings thereon is based on years of service and is determined as follows:

<u>Years of Service</u>	<u>Vested%</u>
Less than 3	0%
3 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates which are commensurate with local prevailing rates as determined by the Plan administrator. Loans currently outstanding bear interest at rates ranging from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. The repayment period will not be longer than five years unless the loan is used to buy a participant's principal residence. The repayment period for a loan used to buy a principal residence will not be longer than 25 years or the repayment period currently in effect for a commercial home loan. Only one loan may be outstanding at a time. Unpaid notes receivable are reclassified as deemed distributions against the participant's account based on terms of the Plan document.

Benefit Distributions

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to his or her account, or installments over a period of not more than the participant's or the beneficiary's life expectancy. Normal retirement age under the Plan is 65; early retirement age is 55. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

1. DESCRIPTION OF PLAN - CONTINUED

Other Administrative Costs

Certain other administrative functions are performed by the Plan Sponsor at no cost to the Plan. In addition, the Plan Sponsor also absorbs certain professional fees incurred coincident to the audit of the Plan's financial statements and legal matters.

Forfeited Accounts

At December 31, 2023 and 2022, the forfeited non-vested accounts totaled \$315,590 and \$67,848, respectively. These accounts will be used to pay Plan expenses and reduce any employer contribution. In 2023, the Plan Sponsor's contribution was reduced by and the Plan expenses were paid in the amount of \$69,079 and \$12,921, respectively, from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are, therefore, excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2024, which is the date the financial statements were available to be issued.

3. CERTIFIED INFORMATION (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company ("Principal") and Empower, the trustees of the Plan, have certified to the completeness and accuracy of all the investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the supplemental Schedule H, Part, IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan Sponsor determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if level 1 or level 2 inputs were not available. There are no Plan assets requiring the use of level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value.

The Plan's mutual funds are classified within Level 1 of the fair value hierarchy. The fair value of these investments is valued based on quoted market prices in active markets. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's common/collective investment trusts ("CITs") invest in collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs (Level 1). The fair value of all these investments are used in determining the Net Asset Value ("NAV") of the CITs, which is not publicly quoted. Accounting Standards Codification ("ASC") 820 allows NAV per share to serve as a practical expedient to estimate the fair value of CITs as long as certain requirements are met. It is the Plan's assessment that the CITs meet those requirements. This CITs can be redeemed at NAV as of the measurement date. Based on the Plan's assessment, the CITs meets the requirements for the NAV practical expedient.

The following tables set forth, by level within the fair value hierarchy, the Plans' investments at fair value as of December 31, 2023 and 2022:

Investments at Fair Value as of December 31, 2023

Investments at Fair Value as of December 31, 2022

Investments at Fair Value		<u>\$ 27,606,934</u>

^(a) In accordance with FASB ASC 820, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAVs per share as of December 31, 2023 and 2022, respectively:

	Fair Value as of December 31, 2023	Fair Value as of December 31, 2022	Unfunded commitments	Frequency (if currently eligible)	Redemption Notice Period
Common collective trusts ^(b)	\$ 18,138,780	\$ 20,646,404	\$ -	Daily	Daily

^(b) The common collective trusts are valued at their December 31, 2023 and 2022 NAV per share as provided by the investment managers. The investment strategy of the funds is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital.

Gains and losses (realized and unrealized) included in net increase in net assets available for benefits for the year ended December 31, 2023 is reported in net appreciation in fair value of investments.

5. GUARANTEED INTEREST ACCOUNT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract, the Empower Investments Fixed Account ("EIFA"), with Empower Annuity Insurance Company of America ("EAICA"). EAICA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and certain administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Guaranteed interest account at December 31, 2023 and 2022 amounted to \$1,671,857 and \$0, respectively.

EIFA guarantees principal and credited interest for eligible participant-initiated withdrawals and transfers. Any guarantees are subject to the terms and conditions of the contract and the claims-paying ability of the insurer.

The determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. The EIFA credits interest daily to the group contract holder on a portfolio basis. The crediting interest rate may change or stay the same quarterly. The quarterly crediting rate applies to all money deposited in the group contract holder's EIFA account regardless of when it was deposited.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (a) if the plan sponsor selects a termination option in which there is market value adjustment or the payout is at market value, (b) if the plan sponsor initiates one or more events that result in significant withdrawals from the fund or, (c) if the plan sponsor engages in activities or direct or indirect communications that encourage participants to withdraw from the fund. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

The EAICA annuity contract represents approximately 5% of the Plan's net assets available for benefits as of December 31, 2023, and represents an obligation from Empower to repay as amounts come due.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. TAX STATUS

The Plan has adopted a Principal Life Insurance Company Non-standardized Pre-Approved Profit Sharing Plan with CODA (the "Principal Plan"). On June 30, 2020, the Internal Revenue Services ("IRS") stated in an opinion letter that the Principal Plan sponsored by Principal Life Insurance Company and adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Effective September 27, 2023, the Plan has adopted a Non-standardized Pre-Approved Profit Sharing/Money/Purchase/CODA (the "Empower Plan"). On November 14, 2022, the IRS stated in an opinion letter that the Empower Plan sponsored by Empower Retirement LLC and adopted by the Plan, as then designed, was in compliance with applicable requirements of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. PARTY IN INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the plan, any party rendering service to the Plan, the employer, and certain others. Certain Plan investments are managed by Principal and Empower, the trustees of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Principal and Empower received direct compensation from the Plan for services provided amounting to \$131,625 and \$19, respectively, for the year 2023. Notes receivable from participants are also considered party in interest transactions under the Plan.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

8. PARTY IN INTEREST TRANSACTIONS - CONTINUED

Certain employees of the Plan Sponsor, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. EXCESS CONTRIBUTIONS PAYABLE TO PARTICIPANTS

The Plan is subject to certain compliance requirements of non-discrimination rules under ERISA and IRS guidelines. For the year ended December 31, 2023, the Plan failed the ADP/ACP tests due to excess contributions by highly compensated eligible Plan participants. The excess contributions payable is reflected as a liability on the statements of net assets available for benefits as of December 31, 2023 and 2022 in the amounts of \$1,938 and \$93,833, respectively. As of the report date, the excess contributions have not yet been refunded to the affected participants.

Dear Applicant:

In our opinion, the form of the plan identified above is acceptable for use by employers for the benefit of their employees under Internal Revenue Code (IRC) Section 401.

We considered the changes in qualification requirements in the 2017 Cumulative List of Notice 2017-37, 2017-29 Internal Revenue Bulletin (IRB) 89. Our opinion relates only to the acceptability of the form of the plan under the IRC. We did not consider the effect of other federal or local statutes.

You must provide the following to each employer who adopts this plan:

- . A copy of this letter
- . A copy of the approved plan
- . Copies of any subsequent amendments including their dates of adoption
- . Direct contact information including address and telephone number of the plan provider

Our opinion on the acceptability of the plan's form is a determination as to the qualification of the plan as adopted by a particular employer only under the circumstances, and to the extent, described in Revenue Procedure (Rev. Proc.) 2017-41, 2017-29 I.R.B. 92. The employer who adopts this plan can generally rely on this letter to the extent described in Rev. Proc. 2017-41. Thus, Employee Plans Determinations, except as provided in Section 12 of Rev. Proc. 2020-4, 2020-01 I.R.B. 148 (as updated annually), will not issue a determination letter to an employer who adopts this plan. Review Rev. Proc. 2020-4 to determine the eligibility of an adopting employer, and the items needed, to submit a determination letter application. The employer must also follow the terms of the plan in operation.

Except as provided below, our opinion doesn't apply to the requirements of IRC Sections 401(a)(4), 401(l), 410(b), and 414(s). Our opinion doesn't apply to IRC Sections 415 and 416 if an employer maintains or ever maintained another qualified plan for one or more employees covered by this plan. For this purpose, we will not consider the employer to have maintained another defined contribution plan provided both of the following are true:

- . The employer terminated the other plan before the effective date of this plan
- . No annual additions have been credited to any participant's account under the other plan as of any date within the limitation year of this plan

Also, for this purpose, we'll consider an employer as maintaining another defined contribution plan, if the employer maintains any of the following:

- . A welfare benefit fund defined in IRC Section 419(e), which provides post-retirement medical benefits allocated to separate accounts for key employees as defined in IRC Section 419A(d)
