This representation letter is provided in connection with your audits of the financial statements and the supplemental schedules of the Vopak North America, Inc. Incentive Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (collectively, the financial statements).

We elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan (the investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency (a qualified institution) that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certifications meet the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered to be material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date above, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 2nd, 2024, including our responsibility for the preparation and fair presentation of the financial statements.
2. The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
4. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - a. The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b. A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c. The certification meets the 29 CFR 2520.103-5 requirements.
 - d. The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7. The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable in accordance with U.S. GAAP.
8. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
9. We believe the effects of the uncorrected financial statement misstatements summarized in the attached schedule (Appendix A) are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted an attorney concerning litigation, claims, or assessments.
11. We have not consulted legal counsel and there are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that must be disclosed in the Plan's financial statements.

13. Financial instruments with concentrations of credit risk, if any, have been properly recorded or disclosed in the financial statements.
14. Guarantees, whether written or oral, under which the Plan is contingently liable, if any, have been properly recorded or disclosed in accordance with U.S. GAAP.
15. The supplemental schedules or financial statements disclose the following, as applicable:

 - b. Investments or loans in default or considered to be uncollectible.
 - c. Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations thereunder).

- 18. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 19. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
- 20. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 21. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- 22. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted an attorney concerning litigation, claims, or assessments.
- 23. We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
- 24. The Plan has satisfactory title to all owned assets, which are recorded at fair value. There are no liens, encumbrances, or security interests that require disclosure in the financial statements.

 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.

26. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
27. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
28. Management has determined the fair value of financial instruments, including nonreadily marketable securities. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable and appropriate. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes. No subsequent events have occurred that would require adjustment to the accounting estimates or disclosures included in the financial statements.
29. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the *measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
30. All required amendments to and filings of the Plan's documents with the appropriate agencies have been made.
31. The Plan is qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
32. Prior to January 1, 2022, the Plan operated under a prototype plan document, which had obtained a determination letter from the Internal Revenue Service (IRS) dated April 29, 2014, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. Effective January 1, 2022, the Plan was amended and restated via its adoption of a pre-approved plan. The pre-approved plan received an opinion letter from the IRS dated December 4, 2020, stating that it was in compliance with the applicable requirements of the IRC. The Plan and the pre-approved plan have both been amended since receiving their IRS letters; however, the plan administrator believes that the Plan continues to be designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

33. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.
34. U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.
35. Except as disclosed, the Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions and loan repayments to trusts containing assets for the Plan.
36. The Plan has complied with the fidelity bonding requirements of ERISA.
37. There have been no written and/or oral communications with regulatory agencies concerning the operation of the Plan.
38. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
39. We acknowledge our responsibility for presenting Schedule H, Line 4a—Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2023 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) December 31, 2023, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
40. Plan management has obtained and reviewed the SOC 1 report for the Plan's recordkeeper and plan sponsor's payroll provider, as applicable. We have implemented the relevant user controls and they were in operation for the year ended December 31, 2023. With respect to the exceptions identified in the SOC 1 reports, as applicable, we are not aware of any such issues relating to the Plan and/or our payroll processing for the year ended December 31, 2023.
41. Pursuant to Accounting Standards Update 2014-15, *Presentation of Financial Statements—Going Concern (Subtopic 205-40) Disclosure of Uncertainties about an Entity's Ability to Continue as a Going Concern*, management has assessed the Plan's ability to continue as a going concern and believes the Plan has the ability to continue as a going concern for at least one year from the date of this letter.

ERISA Required Supplemental Schedules

42. We believe the form and content of the supplemental schedules are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other

43. With regard to the non-attest services performed by you which may include financial statement preparation, cash to accrual adjustments and other services, as applicable, we have:

- a. Assumed all management responsibilities.
- b. Overseen the services by designating individuals who possess suitable skill, knowledge, and/or expertise.
- c. Evaluated the adequacy and results of the services performed.
- d. Accepted responsibility for the results of the services.
- e. Ensured that the Plan's data and records are complete and that we received sufficient information to oversee the services.

To the best of our knowledge and belief, no events have occurred subsequent to the date of the Plan's financial statements and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
