The Investment Committee  
Ovia Health 401(k) Plan  
Burlington, North Carolina

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Ovia Health 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of April 9, 2024 and December 31, 2023 (in Liquidation), and the related statement of changes in net assets available for benefits for the period from January 1, 2024 to April 9, 2024 (in Liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of April 9, 2024 and December 31, 2023 and for the period from January 1, 2024 to April 9, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter – Basis of Accounting***

As described in Notes 1 and 2 to the financial statements, the Plan was terminated on August 11, 2021. As a result, in accordance with accounting principles generally accepted in the United States of America, liquidation basis of accounting has been used in presenting the financial statements.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# OVIA HEALTH 401(K) PLAN

Notes to Financial Statements

April 9, 2024 and December 31, 2023

## **NOTE 1: DESCRIPTION OF PLAN**

The following description of the Ovia Health 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

### **Plan Description**

The Plan is a defined contribution plan covering all eligible employees of Ovuline, Inc (the “Company” or the “Plan Sponsor”). Prior to December 16, 2020, all employees were immediately eligible to participate in the Plan provided the employee was 21 years of age or older. Effective December 16, 2020, the Plan was amended to include a one month service requirement.

During 2024 and 2023, Fidelity Management Trust Company (“Fidelity”) served as the Plan’s trustee (the “Trustee”), and Fidelity Workplace Services LLC served as the Plan’s recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

### **Plan Termination**

On August 12, 2021 (the “Acquisition Date”), the Plan Sponsor was acquired by Laboratory Corporation of America Holdings. The Plan was terminated on the day immediately preceding the Acquisition Date and participation in the Plan was frozen. On November 22, 2023, the Plan received a final determination letter from the Internal Revenue Service. Plan participants were offered the opportunity to roll their account balances over into the Laboratory Corporation of America Holdings 401(k) Plan, or elect to withdraw their account balances from the Plan. Liquidation of the Plan was completed on April 9, 2024.

### **Contributions**

No contributions are permitted as of or after the Acquisition Date.

### **Participants’ Accounts**

Each participant’s account is credited with Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

# OVIA HEALTH 401(K) PLAN

Notes to Financial Statements

April 9, 2024 and December 31, 2023

## **NOTE 1: DESCRIPTION OF PLAN (concluded)**

### **Vesting**

Participants are immediately vested in their contributions, safe harbor employer matching contributions, and discretionary matching contributions, plus actual earnings thereon.

### **Payment of Benefits**

Prior to the final distribution payments made during 2024, payments under the Plan were permitted upon termination of employment, attainment of age 59 ½, retirement, disability, or death. A participant was permitted to elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Hardship distributions from the Plan were also permitted.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

On August 5, 2021, the Board of Directors of Laboratory Corporation of America Holdings elected to voluntarily terminate the Plan, effective August 11, 2021, as described in Note 1. Accordingly, the financial statements are presented on the liquidation basis of accounting. Under the liquidation basis of accounting, all assets and liabilities are recorded at their respective fair market values. This resulted in the accrual of dividends expected to be earned in liquidation in the 2023 financial statements.

Benefits are recorded when paid.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Notes to Financial Statements

April 9, 2024 and December 31, 2023

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)**

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the period from January 1, 2024 to April 9, 2024.

### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Trustee and recordkeeping fees incurred in connection with the general administration of the Plan that are paid by the Plan are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## **NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

All investment information disclosed in the accompanying financial statements, including investments held as of December 31, 2023, and net appreciation in fair value of investments for the period from January 1, 2024 to April 9, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

## **NOTE 4: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Notes to Financial Statements

April 9, 2024 and December 31, 2023

## NOTE 4: FAIR VALUE MEASUREMENTS (concluded)

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. All of the Plan's assets are valued using level 1 measurements.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes in the methodology used as of December 31, 2023.

**Money market fund and mutual funds** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

The Plan's investments were liquidated and all Plan assets were fully distributed as of April 9, 2024. The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023.

	<b>2023</b> <b>Investments at</b> <b>Fair Value</b> <b>Level 1</b>
Mutual funds	\$ 3,906,285
Money market fund	173,667
Total investments at fair value	<u>\$ 4,079,952</u>

Notes to Financial Statements

## **NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

The Plan invests in certain funds managed by the Trustee. These transactions qualify as party in interest transactions that are exempt from the prohibited transaction rules under ERISA. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

## **NOTE 6: INCOME TAX STATUS**

The Plan obtained a determination letter dated November 22, 2023, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (the "IRC"). The plan administrator and the Plan's tax counsel believe that the Plan was designed and operated in compliance with the applicable requirements of the IRC from inception through April 9, 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

## **NOTE 7: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2023 to Schedule H of Form 5500:

	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 4,084,180
Accrued dividends expected to be earned in liquidation	<u>(4,228)</u>
Net assets available for benefits per Form 5500	<u>\$ 4,079,952</u>

## OVIA HEALTH 401(K) PLAN

Notes to Financial Statements

April 9, 2024 and December 31, 2023

### **NOTE 7: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (concluded)**

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the period from January 1, 2024 to April 9, 2024 to the Form 5500:

Net decrease in net assets available for benefits per the financial statements	\$ 4,084,180
Accrued dividends expected to be earned in liquidation	<u>(4,228)</u>
Net decrease in net assets available for benefits per Form 5500	<u>\$ 4,079,952</u>

The differences between the net assets available for benefits and the net decrease in net assets available for benefits per the Plan's financial statements and net assets available for benefits and the net decrease in net assets available for benefits per the Form 5500 are because the financial statements were prepared using the liquidation basis of accounting and the Form 5500 was prepared using the cash basis of accounting.

### **NOTE 8: SUBSEQUENT EVENTS**

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
