As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our

opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Information Required by ERISA

The supplemental information noted in the table of contents, as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial

statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of The Wenger Group Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of member companies of The Wenger Group, Inc. (the Company or the Plan Sponsor), except non-resident aliens, residents of Puerto Rico, interns, leased employees, and reclassified employees, who have completed sixty days of service. Eligible employees may enter the Plan on the first day of the month following the date on which the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Company is responsible for oversight of the Plan. The Profit Sharing Plan Committee (the Committee) determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

On April 27, 2023, the Company acquired Esbenshade Feed Mill. As a result, the Plan agreement was amended, effective May 29, 2023, to allow Esbenshade employees to participate in the Plan. New Plan participants from Esbenshade were credited with past service and are held to the same eligibility and vesting criteria as all other Plan participants.

Effective September 1, 2023, the Plan was restated, and Plan assets were transferred from Fidelity Management Trust Company to Empower Trust Company, LLC. See Note 3. In conjunction with the restatement, the Plan was also formally amended for the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, and other law changes.

Plan Merger

The Company acquired Leidy's LLC (Leidy's) in 2022. Effective December 18, 2023, the Leidy's 401(k) Retirement Plan was merged into the Plan, and the Plan was restated. The assets received by the Plan related to the merger totaled \$15,499,643 and are included in transfer of funds from plan merger on the statement of changes in net assets available for benefits for the year ended December 31, 2023.

Contributions

Prior to December 18, 2023, each year, participants could contribute up to 60 percent of pretax annual compensation, as defined in the Plan agreement. Effective December 18, 2023, the contribution limit was increased to 80 percent. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated target date fund until changed by the participant. Prior to September 1, 2023, unless an automatically enrolled participant affirmatively elected otherwise, automatic enrollment contributions were increased annually by 1 percent until reaching 8 percent of compensation. Effective September 1, 2023, the automatic escalation limit was increased to 15 percent of compensation.

Matching contributions may be made at the discretion of the Company's Board of Directors. During the year ended December 31, 2023, the Company's discretionary matching contribution equaled 100 percent of the first 1 percent and 50 percent of the next 5 percent (up to a maximum of 3.5 percent) of eligible compensation that a participant contributes to the Plan once the participant completes sixty days of service. Discretionary matching contributions are invested in the same manner as participant contributions. Additional nonelective amounts may be contributed at the option of the Company's Board of Directors and are invested as directed by the participants. The Company did not make a discretionary nonelective contribution for the year ended December 31, 2023.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company discretionary matching contributions, as well as allocations of the Company's discretionary nonelective contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants are not permitted to take loans from the Plan. The notes receivable from participants balance as of December 31, 2023, represents loans that were transferred into the Plan during the year ended December 31, 2023, as a result of the merger of the Leidy's 401(k) Retirement Plan into the Plan. In conjunction with the merger, the Plan was amended to allow the transfer and servicing of these participant loans. The collateralized balances in the participants' accounts have interest rates that range from 4.25 percent to 9.50 percent. Principal and interest is paid ratably through payroll deductions.

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Payment of Benefits

On termination of service due to death, disability, retirement, or separation, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Vested account balances of \$1,000 or less will be distributed as a lump sum without consent. Vested account balances between \$1,000 and \$5,000 will be distributed to an Individual Retirement Account or Annuity, unless otherwise directed by the participant. Provisions are available to allow withdrawals of benefits prior to termination of employment as defined in the Plan agreement and in compliance with the Internal Revenue Code (IRC).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year, and indirect investment expenses.

Contributions

Contributions from Plan participants and the discretionary matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation. The Company discretionary nonelective contribution is recorded when the related participant compensation is paid.

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023. If a participant ceases to make loan repayments and the participant loan is deemed to be in default, and a distributable event has occurred, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued. See Note 12.

3. INVESTMENTS

Effective September 1, 2023, Empower Trust Company, LLC (Empower Trust Company) holds the funds for the Plan and Empower Retirement, LLC (Empower Retirement) maintains an individual account for each participant. Contributions made on a participant's behalf under the Plan are directly allocated to that participant's account and are invested, based on the participant's direction, in mutual funds and/or common collective trusts. Prior to September 1, 2023, Fidelity Management Trust Company (FMTTC) held the funds for the Plan and Fidelity Workplace Services LLC (FWS), maintained an individual account for each participant.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Standards Board, Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the NAV of units held by the Plan at year end. NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 57,434,839	\$ -	\$ -	\$ 57,434,839

Investments at fair value	<u>\$ 57,434,839</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 59,769,821</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,824,974	\$ -	\$ -	\$ 36,824,974

Investments at fair value	<u>\$ 36,824,974</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 39,236,762</u>

^a In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

5. INFORMATION CERTIFIED BY QUALIFIED INSTITUTIONS

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedule was obtained by Plan management and agreed to or derived from information certified as complete and accurate by Empower Trust Company and FMTC, the trustees of the Plan:

- Investment balances included in the statements of net assets available for benefits at December 31, 2023 and 2022, and in the notes to the financial statements.
- Investment income and interest income on notes receivable from participants included in the statement of changes in net assets available for benefits for the year ended December 31, 2023, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties in interest are defined under Department of Labor regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third-party administrator (TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During the year ended December 31, 2023, the Plan made direct payments of \$21,299 to certain parties in interest for administration and investment advisory fees, as permitted by ERISA. The Plan sponsor pays directly any other fees related to the operation of the Plan.

Fees incurred by the Plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

As a result of the plan merger discussed in Note 1, the Plan has loans to participants, which are secured by the participants' account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS

The IRS determined and informed the Plan's former third-party administrator by a letter dated June 30, 2020, that the pre-approved plan previously adopted by the Plan, and in effect through August 31, 2023, is designed in accordance with applicable sections of the IRC. As discussed in Note 1, the Plan adopted a pre-approved plan document provided by Empower Retirement effective September 1, 2023. The Empower Retirement pre-approved plan received an opinion letter dated November 14, 2022, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. In addition, the opinion letter stated that an employer who adopts this pre-approved plan may rely on the opinion letter with respect to the qualification of its plan under the IRC. As such, effective September 1, 2023, the Plan began relying on this letter as evidence that the Plan is being operated in compliance with the applicable requirements of the IRC. Although the Plan has been amended since the pre-approved plans received the opinion letters, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment

THE WENGER GROUP PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

10. PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable. The Plan has contributions totaling \$128,463, all of which represented employee salary deferrals, that were not remitted timely. These contributions are considered prohibited transactions.

The Company will calculate lost investment earnings and file Form 5330, as applicable, and expects to compensate the Plan for the lost earnings in 2024.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022:

	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 39,236,762
Adjustment from NAV to fair value for the common collective trust fund	<u>(162,354)</u>
Net assets available for benefits per the Form 5500	<u>\$ 39,074,408</u>

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2023:

	<u>2023</u>

12. SUBSEQUENT EVENT

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2024 and later. Plan management is evaluating these provisions and will update the Plan's governance and operations.
