Independent Auditor's Report

To the Board of Trustees and Participants
LAFC Sports, LLC 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LAFC Sports, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with Those Charged with Governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2023 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LAFC Sports, LLC 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of LAFC Sports, LLC 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

a. General

The Plan is a defined contribution plan, established October 1, 2015, covering substantially all eligible employees of LAFC Sports, LLC (the "Company"). The Plan provides for contributions pursuant to Section 401(a) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Employees are eligible to participate in the Plan if they are full-time employees and 18 years or older. Effective January 1, 2021, the plan was amended to include an auto-enrollment feature. Eligible participants are automatically enrolled into the plan and a deferral of 3% of their pretax eligible compensation is used as their contribution.

b. Contributions

Each active participant may elect to make salary deferral contributions up to 100% of their eligible compensation, subject to the annual limits set by the Internal Revenue Code (\$22,500 and \$20,500 for years ended December 31, 2023 and 2022, respectively). Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions to a maximum of \$7,500 and \$6,500 for the years ended 2023 and 2022 respectively. Participants may also contribute amounts representing rollovers from other qualified plans. Effective January 1, 2023, the Plan calls for employer matching contributions. The Company will match the employees' elective contributions 100% for the first 3% of the employees' eligible compensation plus 50% of the employees' contributions between 3% and 5% of eligible compensation. In addition to the Company's matching contributions, the Company may make other discretionary contributions. There were no discretionary contributions for the years ended December 31, 2023 or 2022.

c. Vesting

Participants are fully vested at all times in their contributions, Company match, and related earnings. Participants vest in employer discretionary contributions and related earnings as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
After one year	20%
After two years	40%
After three years	60%
After four years	80%
After five years	100%

LAFC Sports, LLC 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 1 - Description of Plan - Continued

d. Notes Receivable from Participants

Plan participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance minus any outstanding loans. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period determined by the Plan administrator. Under the Plan agreement, participants' loans bear a reasonable rate of interest as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. A participant may be granted two loans during any one-year period, but only one loan may be outstanding at any one time, for which the combined loan amounts may not exceed the maximum value as defined above. Interest rates are based on the rates available for similar loans from commercial lending institutions. At December 31, 2023, interest rates on outstanding loans range from 5.25% to 10.50%. Loans are valued at their outstanding balances.

e. Forfeitures

The portion of a participant's account balance that is non-vested upon termination of employment is forfeited and remains in the Plan. Forfeitures may be used to reduce employer contributions or to offset administrative expenses of the Plan. There were no forfeitures at December 31, 2023 and 2022.

f. Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons such as hardships, participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

g. Participant Accounts

Participants may select one or more predetermined investment options to invest their contributions and allocated earnings. Such contributions are deposited directly into the participant elected investment vehicle. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching and other contributions, (b) Plan earnings and losses, and (c) an allocation of administrative expenses, as applicable. Allocations are based on a participant's account balances, contributions, or compensation, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

h. Administrative Costs

Most costs incurred to administer the Plan are paid by the Company; however, certain administrative fees for contract administration and investment advisory services are paid by the Plan, net of forfeitures.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Financial Statement Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

LAFC Sports, LLC 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 2 - Summary of Significant Accounting Policies - Continued

b. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator and management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are stated at fair value. Investments in pooled separate accounts and common/collective trusts are valued at the net asset value (the "NAV") per unit, as determined by the custodian at year end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying assets held by the fund, less its liabilities, and then divided by the number of shares outstanding.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments (net investment gain or loss) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, operating expenses are reflected in the net appreciation or depreciation in the fair market value of such investments.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans, if any, are reclassified as distributions based upon the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company and are excluded from these financial statements. Certain fees and the cost of administration of notes receivable from participants that are charged directly to the participant's account, are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

g. Subsequent Events

Subsequent events have been evaluated through October 15, 2024, the date the financial statements were approved and authorized for issue by the Plan administrator.

Years Ended December 31, 2023 and 2022

Note 3 - Information Certified and Provided by Plan Trustee

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by the Principal Life Insurance Company, the trustee and custodian of the Plan. The Plan administrator has obtained certifications from the trustee that information provided to the Plan administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following investments and income, gains, and losses:

	December 31,	
	2023	2022
Pooled separate accounts	\$ 2,746,347	\$ 2,109,413
Common collective trusts	\$ 5,225,380	\$ 3,141,102
	Years Ended December 31,	
	2023	2022
Investment income		
Net appreciation in fair value of investments	\$ 1,158,678	\$ (1,210,755)

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

LAFC Sports, LLC 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 4 - Investments and Fair Value Measurements - Continued

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2023 and 2022:

Common/collective trust funds are valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pooled separate accounts are valued based on the NAV of the underlying units of the separate account. The NAV, as provided by the custodian is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments comprising the units of the separate account held trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Note 4 - Investments and Fair Value Measurements - Continued

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments in Entities that use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022:

Note 5 - Plan Termination

While the Company intends to continue the Plan, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, assets of the Plan will be used to provide benefits according to the priority described in the Plan.

Note 6 - Tax Status

The Plan document is a prototype defined contribution plan that received a favorable opinion letter from the IRS on March 31, 2014, which stated that the prototype plan, as then designed, was in accordance with applicable sections of the IRC. Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Notes to Financial Statements

Years Ended December 31, 2023 and 2022

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 8 - Prohibited Transactions

During the years ended December 31, 2023 and 2022, the Plan administrator determined that, due to administrative errors, the Company failed to remit \$315 and \$47,540, respectively, of participant contributions and loan repayments to the Plan within the time period prescribed by Department of Labor regulations. The failure to remit such contributions and loan repayments on a timely basis represents a prohibited transaction under ERISA.

Note 9 - Party in Interest Transactions

At December 31, 2023 and 2022, certain Plan investments are invested in shares of investments funds managed by an entity affiliated with Principal, the custodian of the Plan. These transactions qualify as party-in-interest transactions.

During the years ended December 31, 2023 and 2022, there were transactions involving certain participants who borrowed from the Plan. As of December 31, 2023 and 2022, the outstanding notes from participants were \$89,995 and \$42,512, respectively, with varying interest rates and maturity dates. Participants are a party-in-interest to the Plan. These notes are considered as exempt party-in-interest transactions pursuant to Section 408(b)(1) of ERISA.
