The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LUEDER LARKIN & HUNTER LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 2005, Lueder, Larkin & Hunter, LLC (the "Company") adopted a Section 401(k) profit sharing plan. The Plan allows all eligible employees of the Company, who have 1 year of service of a minimum of 1,000 service hours and have attained age 21 to participate, excluding union employees and nonresident aliens. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first day of the month coinciding with or next following date requirements met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan includes Center Professional Title LLC, One Legacy Title LLC, Title Connections LLC, and Tradition Title LLC as participating employers in the Plan.

Contributions - The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth deferrals.

Participants become eligible for safe harbor matching contributions at the beginning of the calendar quarter subsequent to completion of one year of service. For the years 2023 and 2022, the Plan contributed 100% of the first 4% of elective deferrals that a participant contributed to the Plan. The Company may make non-elective discretionary contributions. The Company made no non-elective discretionary contributions for the years 2023 and 2022. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Voya Institutional Trust Company is Trustee of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment option the participant contribution, employer match, and discretionary contribution are to be invested.

Vesting - Participants are immediately vested in their voluntary contributions, safe harbor matching contributions, rollovers and corresponding earnings. The following schedule will be used to determine vesting in the discretionary non-elective contributions and its corresponding earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 2	0%
3	100%

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Notes Receivable From Participants - Participants may borrow from the Plan in any amount between \$500 and \$50,000, but not more than 50% of their vested balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Loan terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions. Participants may have only one loan outstanding at any given time.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or partial withdrawals, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of the employee deferral and rollover amounts for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. There were no forfeitures used during 2023 and 2022. Unallocated forfeitures at December 31, 2023 and 2022 were \$777 and \$742.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet. Deferral percentages can be changed via the enrollment form or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan entered into an Expense Account for Service Expenditures ("EASE Account") Agreement that allows the Plan to accumulate any excess revenue into this EASE Account and to use the funds to defray the reasonable expenses of administering the Plan. The Company may pay certain administrative expenses of the Plan that are not paid by the EASE Account. The EASE Account is included in Plan assets and is invested in the Voya Fixed Account. The excess revenue is accumulated into the account at the end of each month. All payment requests must be submitted prior to the close of business on March 31 following the end of the year in which the excess revenue was credited to the EASE Account. The unused balance after submission of the expenses will be allocated solely to the forfeiture account. Income in the amount of \$2,693 and \$2,603 was used to pay various administrative expenses of the Plan in 2023 and 2022. The balance in the EASE Account was \$1,078 and \$2,693 at December 31, 2023 and 2022.

Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for specific transactions, such as loans and distribution withdrawals, are paid by the individual participant.

Reclassifications - Certain amounts in the 2022 financial statements have been reclassified to conform to the 2023 financial statement presentation.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2024, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments, and interest and dividends for the years 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Institutional Trust Company (the Trustee of the Plan).

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market fund: Valued based on the valuation formula contained in the contract of the underlying fund; provides a daily mil-rate for income accretion.

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Fair Value
Money market fund	\$ 766	\$ -	\$ -	\$ 766
Pooled separate accounts	-	11,477,803	-	11,477,803
	<u>\$ 766</u>	<u>\$ 11,477,803</u>	<u>\$ -</u>	<u>\$ 11,478,569</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Fair Value
Money market fund	\$ 731	\$ -	\$ -	\$ 731
Pooled separate accounts	-	8,487,553	-	8,487,553
	<u>\$ 731</u>	<u>\$ 8,487,553</u>	<u>\$ -</u>	<u>\$ 8,488,284</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Voya Fixed Account is a fully benefit-responsive investment contract that provides a stated rate of return. The objective of the fund is to preserve principal and provide interest income, while maintaining liquidity. Investment contracts have elements of risk due to lack of a secondary market and resale restrictions. The crediting interest rate is determined semiannually, based on factors such as investment experience, projected cash flows, and maturity of investments.

The crediting interest rates are based on an agreed-upon formula with Voya Institutional Trust Company. The interest rates are reviewed on a quarterly basis for resetting by Voya Institutional Trust Company. The contract is included in the statements of net assets available for benefits as a fully benefit-responsive investment contract at its contract value.

Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Voya Institutional Trust Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Voya Institutional Trust Company. Thus, Voya Institutional Trust Company, as Trustee defined by the Plan, qualifies as a party-in-interest. Fees paid by the Plan for administrative services for the years 2023 and 2022 totaled \$950 and \$1,100.

Brady, Ware & Schoenfeld, Inc., as auditor, qualifies as a party-in-interest. A portion of audit fees paid by the Plan Sponsor were reimbursed from the Plan in the amount of totaled \$2,693 and \$2,603 for the years 2023 and 2022.

Gallagher Benefit Services, Inc. and Kestra Advisory Services, LLC provided advisory services to the Plan and qualify as parties-in-interest. Fees paid to these parties were indirect and totaled \$26,553 and \$22,283 for the years 2023 and 2022.

The Plan Sponsor provides certain accounting, recordkeeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 10 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2023 and 2022, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LUEDER LARKIN & HUNTER LLC 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Lueder Larkin & Hunter LLC 401(k) Profit Sharing Plan & Trust** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On January 1, 2005, Lueder, Larkin & Hunter, LLC (the "Company") adopted a Section 401(k) profit sharing plan. The Plan allows all eligible employees of the Company, who have 1 year of service of a minimum of 1,000 service hours and have attained age 21 to participate, excluding union employees and nonresident aliens. Upon satisfaction of the eligibility requirements, employees may enter the Plan on the first day of the month coinciding with or next following date requirements met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan includes Center Professional Title LLC, One Legacy Title LLC, Title Connections LLC, and Tradition Title LLC as participating employers in the Plan.

Contributions - The Plan provides for employee salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for Roth deferrals.

Participants become eligible for safe harbor matching contributions at the beginning of the calendar quarter subsequent to completion of one year of service. For the years 2023 and 2022, the Plan contributed 100% of the first 4% of elective deferrals that a participant contributed to the Plan. The Company may make non-elective discretionary contributions. The Company made no non-elective discretionary contributions for the years 2023 and 2022. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Voya Institutional Trust Company is Trustee of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment option the participant contribution, employer match, and discretionary contribution are to be invested.

Vesting - Participants are immediately vested in their voluntary contributions, safe harbor matching contributions, rollovers and corresponding earnings. The following schedule will be used to determine vesting in the discretionary non-elective contributions and its corresponding earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 2	0%
3	100%

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Notes Receivable From Participants - Participants may borrow from the Plan in any amount between \$500 and \$50,000, but not more than 50% of their vested balance. Loans bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Loan terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions. Participants may have only one loan outstanding at any given time.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or partial withdrawals, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of the employee deferral and rollover amounts for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. There were no forfeitures used during 2023 and 2022. Unallocated forfeitures at December 31, 2023 and 2022 were \$777 and \$742.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet. Deferral percentages can be changed via the enrollment form or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan entered into an Expense Account for Service Expenditures ("EASE Account") Agreement that allows the Plan to accumulate any excess revenue into this EASE Account and to use the funds to defray the reasonable expenses of administering the Plan. The Company may pay certain administrative expenses of the Plan that are not paid by the EASE Account. The EASE Account is included in Plan assets and is invested in the Voya Fixed Account. The excess revenue is accumulated into the account at the end of each month. All payment requests must be submitted prior to the close of business on March 31 following the end of the year in which the excess revenue was credited to the EASE Account. The unused balance after submission of the expenses will be allocated solely to the forfeiture account. Income in the amount of \$2,693 and \$2,603 was used to pay various administrative expenses of the Plan in 2023 and 2022. The balance in the EASE Account was \$1,078 and \$2,693 at December 31, 2023 and 2022.

Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for specific transactions, such as loans and distribution withdrawals, are paid by the individual participant.

Reclassifications - Certain amounts in the 2022 financial statements have been reclassified to conform to the 2023 financial statement presentation.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 15, 2024, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments, and interest and dividends for the years 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Institutional Trust Company (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Money market fund: Valued based on the valuation formula contained in the contract of the underlying fund; provides a daily mil-rate for income accretion.

Pooled separate accounts: Valued at the net asset value (NAV) of units held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured on a recurring basis at fair value as of December 31, 2022:

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Voya Fixed Account is a fully benefit-responsive investment contract that provides a stated rate of return. The objective of the fund is to preserve principal and provide interest income, while maintaining liquidity. Investment contracts have elements of risk due to lack of a secondary market and resale restrictions. The crediting interest rate is determined semiannually, based on factors such as investment experience, projected cash flows, and maturity of investments.

The crediting interest rates are based on an agreed-upon formula with Voya Institutional Trust Company. The interest rates are reviewed on a quarterly basis for resetting by Voya Institutional Trust Company. The contract is included in the statements of net assets available for benefits as a fully benefit-responsive investment contract at its contract value.

Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Voya Institutional Trust Company. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested with Voya Institutional Trust Company. Thus, Voya Institutional Trust Company, as Trustee defined by the Plan, qualifies as a party-in-interest. Fees paid by the Plan for administrative services for the years 2023 and 2022 totaled \$950 and \$1,100.

Brady, Ware & Schoenfeld, Inc., as auditor, qualifies as a party-in-interest. A portion of audit fees paid by the Plan Sponsor were reimbursed from the Plan in the amount of totaled \$2,693 and \$2,603 for the years 2023 and 2022.

Gallagher Benefit Services, Inc. and Kestra Advisory Services, LLC provided advisory services to the Plan and qualify as parties-in-interest. Fees paid to these parties were indirect and totaled \$26,553 and \$22,283 for the years 2023 and 2022.

The Plan Sponsor provides certain accounting, recordkeeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
