INDEPENDENT AUDITOR'S REPORT

To The Participants and Administrator of the
Century, LLC Profit Sharing and
401(k) Plan and Trust
Traverse City, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Century, LLC Profit Sharing and 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Century, LLC Profit Sharing and 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Century, LLC Profit Sharing and 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Century, LLC Profit Sharing and 401(k) Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Century, LLC Profit Sharing and 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Century, LLC Profit Sharing and 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Participant Accounts - Each participant's account is credited with the participant's contribution, the employer's matching contribution, if applicable, and Plan earnings. Notes Receivable from Participants - Participants may request a loan from the Plan of up to 50% of their vested balance or \$50,000, whichever is lower. Only one loan can be approved in a twelve month period and a participant may only have one loan outstanding at any time. The loan term is limited to five years unless it is for the purchase of a principal residence. The loan is secured by the participant's account and bears interest at prevailing rates as determined by the plan administrator. Principal and interest are paid through payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 1 - Description of the Plan (Continued)

Participants' Withdrawals - Upon a participant's retirement date or upon a participant's death or total and permanent disability, all amounts credited to his or her account shall become fully vested. Upon termination, the non-vested portion of a participant's account shall be forfeited.

Distribution of the vested portion of a participant's account shall be made upon termination of employment. The vested portion of the account is payable to the participant or the beneficiary as a lump-sum amount. If the vested portion of the account is less than \$5,000, the Administrator has the option of a distribution without the participant's consent. If the vested portion of the participant's account exceeds \$5,000, a distribution before normal retirement age can only be made with the participant's consent. The non-vested portion of a participant's account shall be forfeited and used to pay administrative expenses or reduce future employer matching contributions.

Hardship Withdrawals - Participants may request that all or a portion of their account be distributed in the case of severe financial hardship, as defined in the Plan document. Hardship distributions are only available after other distributions or loans have been utilized. Distributions may only be made from pre-tax elective deferral accounts. The Company must approve any such hardship withdrawal.

Forfeited Accounts - At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0 and \$1,450, respectively. The forfeitures of non-vested employer matching contributions from terminated participant accounts may be used to pay administrative expenses or reduce employer matching contributions. \$1,450 and \$0 were used to pay administrative expenses at December 31, 2023 and 2022, respectively.

SECURE Act and CARES Act - The Plan has implemented certain provisions of the SECURE Act, which was effective January 1, 2020, and the CARES Act, which was signed into law in March 2020. The Plan has until December 31, 2025 to adopt amendments to reflect these provisions.

Basis of Accounting - The financial statements were prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 2 - Significant Accounting Policies

Investment Valuation and Income Recognition - The Plan's investments are stated at current fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded when received. Unrealized appreciation (depreciation) of investments is the change between market value of investments at the beginning of the year and market value of investments at the end of the year.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan sponsor pays for certain expenses associated with the administration of the Plan, which are excluded from these financial statements. Fees for the administration of notes receivable from participants and processing of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - Management has evaluated events and transactions through October 10, 2024, the date the financial statements were available to be issued. There were no subsequent events that require adjustments to or disclosure in the financial statements.

NOTE 3 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

Total Assets at Fair Value	<u>\$ 1,833,754</u>	<u>\$ 8,782,429</u>	<u>\$ 10,616,183</u>

The Plan's investments are reported at fair value in the statements of net assets available for benefits, except for fully benefit-responsive investment contracts, which are reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels which are described below. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Level 1 Fair Value Measurements

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Level 2 inputs consist of quoted prices for similar assets in active and inactive markets and other observable corroborated market data. Level 2 inputs are only used when Level 1 inputs are not available. This includes, but not limited to, quoted prices for similar assets or liabilities in markets that are not active.

Level 3 Fair Value Measurements

Level 3 inputs have the lowest priority. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There are no Level 3 assets.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 4 - Investments

The Plan's investments include the Principal Fixed Income Guaranteed Option, which is considered a fully benefit-responsive investment contract offered by Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute. The contract is included in the respective statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

There are no events that allow Principal Life Insurance Company to terminate the contract and which require the plan to settle at an amount different than contract value, and generally there are no events that could limit the ability of the Plan to transact at contract value.

NOTE 5 - Net Change in Fair Value of Investments

The net change in fair value by type of investments is as follows:

	<u>2023</u>	<u>2022</u>
Common Collective Trusts	\$ 1,010,844	\$(1,265,906)
Pooled Separate Accounts	636,151	(738,427)
Mutual Funds	<u>188,325</u>	<u>(501,826)</u>
Total	<u>\$ 1,835,320</u>	<u>\$(2,506,159)</u>

NOTE 6 - Information Certified by Trustee

The financial statements, accompanying notes and Schedule of Assets (Held at End of Year) were prepared in part from information certified by Principal Trust Company, the trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The information certified includes: investments, notes receivable from participants, investment income and participant loan interest.

CENTURY, LLC PROFIT SHARING AND 401(k) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED) December 31, 2023 and 2022

NOTE 7 - Related Party and Party-in-Interest Transactions

Plan investments include common collective trusts, pooled separate accounts and an unallocated insurance contract managed by entities related to Principal Trust Company, the Plan's trustee. Therefore, these investments qualify as party-in-interest transactions. In addition, Principal Life Insurance Company provides recordkeeping services to the Plan. The Company participates in the Plan and is considered a party-in-interest. The administrative expenses paid by the Plan include plan administration and investment advisory services, and the service providers are considered parties-in-interest.

NOTE 8 - Plan Termination

Although it has not expressed any intent to do so, the Company shall have the right at any time to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to the affected participants' accounts shall become 100% vested.

NOTE 9 - Tax Status

The Plan is a prototype plan sponsored by Principal Financial Group (Principal). Principal has obtained a determination letter in which the Internal Revenue Service stated that the prototype plan was in compliance with the applicable requirements of the Internal Revenue Code. Management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The plan administrator has concluded that as of December 31, 2023 there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 10- Trust Agreement

Principal Trust Company is the Trustee of the Plan. In accordance with the powers and duties of the Trustee as designated in the Trust Agreement, the Trustee invests the Plan's assets and the income therefrom for the benefit of the Plan participants. At the employer's discretion, Trustee fees may be paid from the Plan's assets.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 11- Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 12- Timely Remittance of Contributions

Amounts withheld for employee contributions and loan repayments are required to be remitted to the trustee as soon as they can be reasonably segregated. Untimely remittance of participants' contributions constitutes a prohibited transaction under ERISA section 406. For two pay periods during 2023, the Plan sponsor did not remit the amounts withheld within the specified time frame, and will be correcting this by remitting the lost earnings.
