Plan Administrator
Peachtree Packaging, Inc. 401(k) Plan
Lawrenceville, Georgia

Attention: Brian Ziegler, Plan Administrator

This letter is to inform the Plan Administrator of Peachtree Packaging, Inc. 401(k) Plan (the "Plan") about significant matters related to the conduct of our audit as of and for the year ended December 31, 2023, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America ("GAAS") (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibility under GAAS has been described to you in our engagement letter dated January 25, 2024. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication regarding the planned scope and timing of our audit and identified significant risks.

Significant Accounting Practices, Including Policies, Estimates and Disclosures

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America ("GAAP"), in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Management's Judgments and Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses its knowledge and experience about past and current events, and certain assumptions about future events. You may wish to monitor throughout the year the process used to determine and record these accounting estimates. We did not identify any significant accounting estimates reflected in the Plan's financial statements.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit. We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA-Required Supplemental Schedule

We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Reportable Findings and Internal Control Matters

We are required to communicate, in writing and in a timely manner, to those charged with governance all reportable findings and all material weaknesses and significant deficiencies that have been identified in the Plan's internal control over financial reporting. The definitions of a reportable finding, significant deficiency and material weakness are as follows:

Category	Definition
Reportable Finding	Matters that are one or more of the following: • An identified instance of noncompliance or suspected noncompliance with laws or regulations • A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process • An indication of deficiencies in internal control identified during the audit that have not been communicated by management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention
Significant Deficiency	A deficiency or a combination of deficiencies in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or a combination of deficiencies in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected on a timely basis.

A reportable finding may also be considered a significant deficiency or a material weakness.

We considered the Plan's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and/or all reportable findings.

We have identified the following other matters related to internal control that we determined did not constitute reportable findings, significant deficiencies or material weaknesses:

Approved Pay Rate Documentation

During our audit, we noted documentation supporting approved rate of pay was not available for several participants hired prior to 2019.

We recommend the Company implement processes and procedures to ensure historical pay rate information within the approved pay rate system is complete and accurate. In 2023, the Company implemented an approved pay rate system.

Meeting Minutes

During our audit, it was noted that while the Finance Committee periodically discusses Plan operations, no minutes are maintained for the meetings.

We recommend the Committee documents the results of the meetings in writing, including resolutions and approval of the minutes.

Formal Cybersecurity Program

During our audit, it was noted that the Plan does not have sufficient cybersecurity policies in place to prevent a breach in the event of a cyber-attack.

We recommend the Plan develop a formal cybersecurity program that includes appropriate access controls, cyber liability insurance, disaster recovery plans, awareness training, and encryption that will help prevent a sensitive data leak in the event of a cyber-attack.

Participant Funds Not Refunded Timely

During our audit, it was noted that the Plan did not refund participant money that could not be remitted to the participant's account or attributed to a loan.

We recommend the Plan develop a process to issue refunds to employees, as needed, and ensure the funds are returned in a timely manner.

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management’s judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed or Subject to Correspondence With Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a joint responsibility and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (“AICPA”) independence rules. For Smith and Howard (“S+H”) to fulfill its professional responsibility to maintain and monitor independence, management, the Plan Administrator, and S+H each play an important role.

Our responsibilities	
- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. S+H is to ensure that the AICPA’s General Requirements for performing non-attest services are adhered to and included in all letters of engagement. - Maintain a system of quality management over compliance with independence rules and firm policies.	

Your responsibilities

- Timely inform S+H, before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors or officers.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
