**To the Participants and Plan Administrator of the Plan
ASCENDUM MACHINERY, INC. 401(K) PLAN
Huntersville, North Carolina**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ASCENDUM MACHINERY, INC. 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023; and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Charles Schwab Trust Bank and Equitable Life Insurance Company, qualified institutions, as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- **the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ASCENDUM MACHINERY, INC. 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ASCENDUM MACHINERY, INC. 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ASCENDUM MACHINERY, INC. 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ASCENDUM MACHINERY, INC. 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held at End of Year), and Schedule H, line 4a, Schedule of Delinquent Participant Contributions as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN

The following description of ASCENDUM MACHINERY, INC. 401(K) PLAN (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of Ascendum Machinery, Inc. (the “Company”) who have completed two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). On December 19, 2023, the Plan sponsor transitioned trustees and record keepers, and the Plan’s assets were transitioned from Charles Schwab Trust Bank (“Charles Schwab”) to Equitable Life Insurance Company (“Equitable”) as trustee and from USI Consulting Group (“USI”) to Equitable as record keeper.

Contributions – Each year, participants may contribute up to 90 percent of annual compensation as defined in the Plan. The Plan also allows participants to designate a portion or all of their deferral contribution at the time the deferral election is made as a Roth deferral contribution. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation with an annual increase of 1 percent until a max of 6 percent is reached. Automatically enrolled participants have their contributions invested in a designated age based target date fund until changed by the participant. The Company may make discretionary matching contributions equal to a percentage of the participant’s elective deferrals, 100 percent of the first 2 percent and 50 percent of the next 4 percent of eligible compensation that a participant contributed to the Plan. The Company may also make profit sharing contribution to the plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution, (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or losses or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s matching and discretionary portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in matching and discretionary matching contributions after four years of credited service.

Investment Options – Upon enrollment in the Plan, a participant may direct employer and employee contributions in any of several investment options approved by ASCENDUM MACHINERY, INC. 401(K) PLAN’s Retirement Plan Committee. Participants may change their investment options daily.

**ASCENDUM MACHINERY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits – On termination of service, a participant, or their beneficiary, may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. Hardship distributions are permitted upon demonstration of a financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59 1/2.

Notes Receivable from Participants – Participants may borrow from their fund accounts from a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the Notes Receivable from Participants account. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest, at a reasonable rate per year, is paid ratably through payroll deductions.

Forfeited Accounts – Forfeited nonvested accounts may be used to pay administrative expenses or applied to employer contributions. In the current year, forfeited non-vested accounts in the amount of \$542 were used to reduce employer match corrective contributions. As of December 31, 2023 and 2022, forfeited nonvested accounts available to fund employer contributions and plan expenses totaled \$131,809 and \$38,111, respectively.

Reclassifications – Certain prior year amounts have been reclassified to confirm to the current year presentation. These reclassifications had no effect on the net assets available for benefits.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized gains and losses on investments are included in the net appreciation in fair value of investments on the accompanying statement of changes in net assets available for benefits.

**ASCENDUM MACHINERY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefits Paid – Benefits are recorded when paid. As of both December 31, 2023 and 2022, no benefits were due to participants who have withdrawn from participation from the Plan and requested a benefit distribution.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. No allowance for credit losses has been recorded at December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY TRUSTEES

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Charles Schwab Trust Bank and Equitable Life Insurance Company, the trustees, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustees that the information provided to the Plan Administrator by the trustees related to the following assets is complete and accurate. We have been informed by the Plan administrator that Equitable held the Plan's investment assets and executed transactions from December 19, 2023, to December 31, 2023, and that Charles Schwab held the Plan's investment assets and executed transactions for the period January 1, 2023 to December 18, 2023. Charles Schwab held the Plan's notes receivable from participants from January 1, 2023 to December 31, 2023.

Accordingly, as permitted by CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed Investment Contract: Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

Collective Trust Funds: Valued based on the share prices/net asset values ("NAV") reported on the plan summary reports for collective trust funds which are obtained directly from the fund house or other investment provider.

**ASCENDUM MACHINERY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Stable Value Fund: The fair values of participation units held in the stable value fund are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date. Accordingly, these NAV based investments have been excluded from the fair value hierarchy leveling.

Money Market Fund: Valued at the daily closing price as reported by the fund. The fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. The fund publishes its daily net asset value ("NAV") and transacts at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<i>Investments at Fair Value as of December 31, 2023</i>

**ASCENDUM MACHINERY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 5 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Equitable provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (“MSA”) between the Company and Equitable. Equitable receives revenue from mutual fund service providers for services Equitable provides to the funds. This revenue is used to offset certain amounts owed to Equitable for its administrative services to the Plan.

If the revenue received by Equitable from such mutual fund service providers exceeds the amount owed under the MSA, Equitable remits the excess to the Plan’s trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2023 there were no excess amounts. The Plan or Plan Sponsor may make a payment to Equitable for administrative expenses not covered by revenue sharing.

Certain Plan investments are shares of mutual funds managed by Equitable who is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Administrator fees paid by the Plan for the 2023 investment services totaled \$10,068.

NOTE 6 TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan administrator believes that the Plan is designed and is currently operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and all amounts of a participant’s account will become 100% vested.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The net assets available for benefits per the financial statements agree with the net assets available for benefits per the Form 5500.

There are no reconciling differences between benefits paid to participants between the financial statement and the Form 5500. Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31 but not yet paid as of that date. No approved benefit claims existed at December 31, 2023, which were not paid.

NOTE 10 DELINQUENT EMPLOYEE DEFERRALS AND LOAN REPAYMENTS

During 2022 the Company erroneously failed to timely remit certain employee deferrals and loan repayments to the plan aggregating \$93,295. These deferrals and loan repayments were pending correction as of October 15, 2024 at which time the Company had submitted the lost earnings on these 2022 delinquent deferrals and was in the process of computing and subsequently making a contribution for lost earnings to the affected participants in the Plan.

NOTE 11 SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 15, 2024, the date the financial statements were available to be issued.
