Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Seminole Indian Casino 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of fiduciary net position as of December 31, 2023 and 2022, and the related statements of changes in fiduciary net position for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Seminole Indian Casino 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seminole Indian Casino 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seminole Indian Casino 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Retirement Solutions Committee
Seminole Indian Casino 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Seminole Indian Casino 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seminole Indian Casino 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters - Required Supplementary Information

Management has omitted the Management Discussion and Analysis that the Governmental Accounting Standards Board requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

SEMINOLE INDIAN CASINO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of Seminole Indian Casino 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (IRC). The Plan was originally effective January 1, 2001. The Plan has been restated and amended throughout the years to comply with tax legislation. The Plan was most recently amended effective November 1, 2023. The sponsor of the Plan is the Seminole Tribe of Florida, a sovereign Indian tribe, and is subject to the reporting provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established for the purpose of providing eligible employees in the Seminole Gaming Administration, Seminole Indian Casino – Hollywood, Seminole Indian Casino – Coconut Creek, Seminole Indian Casino – Immokalee, Seminole Indian Casino – Brighton, Seminole Hard Rock Hotel and Casino – Hollywood, and Seminole Hard Rock Hotel and Casino – Tampa and their beneficiaries' funds for retirement. These entities are herein after referred to collectively as the "Casinos."

Eligibility

An employee becomes an eligible participant in the Plan immediately upon employment. Participants will be eligible for Employer matching contributions and nonelective contributions, if any, after completing one year of service based on the elapsed time method. For the purposes of matching contributions and nonelective contributions, if any, participants enter the Plan on the first date of each quarter following the date on which they meet the eligibility requirements. Excluded employees, in general, are nonresident aliens, leased employee, reclassified employee, a J-1 Visa employee, employee of a controlled group that does not adopt the plan, and certain highly compensated employees, as defined by the Plan.

Participant Contributions

An employee participating in the Plan may elect to contribute up a percentage of annual compensation, as defined by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. The auto-enrollment provision includes an automatic increase provision for enrolled participants, whereby contributions increase 1% annually, up to a maximum deferral percentage of 15%.

**SEMINOLE INDIAN CASINO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Contributions (Continued)

Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Service (IRS). Participants may also contribute post tax "Roth" amounts and amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions or may increase or decrease their level of participation in the Plan at any point in time. Contributions are subject to certain IRS limitations.

Allowable Investments

When a participant becomes eligible to participate in the Plan they may select from a variety of professionally managed investment funds. Participants that do not make an election will be automatically enrolled in a Transamerica LifeGoal Target Date Fund based on the year in which the participant will attain age 65.

Employer Contributions

The Casinos may contribute to the Plan, on behalf of the participants, a discretionary matching contribution based on participants' deferrals contributed to the Plan. Catch-up contributions are not matched by the Casinos. For the years ended December 31, 2023 and 2022, the Casinos contributed a matching contribution equal to 25% of the participant's contribution, up to the first 16% of eligible compensation. No discretionary nonelective contributions were authorized or paid for the years ended December 31, 2023 and 2022.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of mutual funds and collective funds with varying investment objectives as investment options. Each participant's account is credited with the participant's contributions, the Employer matching contributions, Employer nonelective contributions, and the proportionate share of Plan earnings since the preceding valuation date. Each participant's account is reduced by withdrawals, losses on investments, any forfeitures and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in all salary deferral contributions and in all Employer matching and discretionary nonelective contributions once they are actually made, plus actual earnings thereon.

**SEMINOLE INDIAN CASINO 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

The participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in their account under several options, including lump sum, rollover distribution, or annuity. In the event that the participant's vested accrued benefit is less than \$5,000, the Plan administrator may make a distribution without the election or request of a terminated participant. The Plan requires that such distributions of amounts less than \$5,000 but greater than \$1,000 be rolled over to an individual retirement account unless the participant elects to receive the distribution directly. The Plan also allows for in-service distributions for serious financial hardship such as certain expenses for medical care, the purchase of a primary residence, and tuition payments.

Forfeited Accounts

Forfeited nonvested accounts are first used to reduce administrative expenses and then are used to reduce future Company contributions. Forfeited nonvested accounts as of December 31, 2023 and 2022 totaled approximately \$8,900 and \$8,000, respectively. There were no forfeitures used to pay administrative expenses or to reduce Company contributions for the years ended December 31, 2023 and 2022.

Notes Receivable from Participants

Participants are able to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at Prime + 1%. Principal and interest are paid ratably through payroll deductions. Notes receivable may be repaid over a period of up to five years, however the repayment period may be set for a term that will extend up to 15 years for the purchase of a primary residence.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

The financial statements of the Plan for years ended December 31, 2023 and 2022, have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as applied to governmental units, using the accrual method of accounting. The Governmental Accounting Standards Board (GASB) is the accepted standards setting body for establishing governmental accounting and financial reporting principles.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

All expenses, except for account maintenance fees, transaction fees and investment fund management fees have been paid by the Casinos and are excluded from these financial statements. Participants are charged for service fees for any loan and distribution transactions they request which are included in administrative expense.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent notes receivable are recorded as distributions based on the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2024, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

State Street Bank and Trust Company, Transamerica Trust Company (formerly Massachusetts Fidelity Trust Company), and Transamerica Life Insurance Company have supplied the Plan administrator with certifications as to the completeness and accuracy of notes receivable from participants and all investment information reflected on the accompanying statements of fiduciary net position as of December 31, 2023 and 2022, and the statements of changes in fiduciary net position for the years then ended and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 4 FAIR VALUE OF INVESTMENTS

GASB 72 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2023 and 2022. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Mutual Funds/Money Market Fund – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Funds – Valued at the NAV of units as determined by the bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective fund, the issuer reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner. Therefore, they are valued at Level 2.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

In 2021, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Transamerica Financial Life Insurance Company (TRS). TRS maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by TRS, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 INVESTMENTS

Investment securities are exposed to various risks that can affect the value of the Plan's investments such as custodial risk, interest rate risk, credit risk, concentration risk, and foreign currency risk. The Plan invests in registered investment companies (mutual funds and money market fund) and collective funds. Mutual funds and money market funds with holdings in equity securities respond to such factors as economic conditions, individual company earnings performance, and market liquidity, which holdings in debt securities are particularly sensitive to credit risk and changes in interest rates.

NOTE 6 INVESTMENTS (CONTINUED)

Custodial Credit Risk – Custodial credit risk is the risk that in the event of a failure by the counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's policies do not specifically address custodial credit risk, but all of the Plan's investments are held by the Plan or its agent in the Plan's name.

Foreign Currency Risk – Foreign currency risk is the risk that changes in exchange rates will adversely impact the fair value of an investment denominated in a foreign currency. The Plan does not hold any direct investment or instruments denominated in foreign currency.

The Plan's foreign currency risk exposure resides within the following mutual fund holdings:

2023	Amount
American Funds New World R2E	\$ 1,037,662
BlackRock International Index Instl	1,038,018
MFS International Growth R3	1,079,239

BlackRock International Index Instl	815,393
MFS International Growth R3	825,462
Vanguard International Value	537,129

Interest Rate Risk – Interest rate risk arises from the likelihood that interest rates will rise or fall during the holding period of a fixed rate security and adversely affect the selling price of the security prior to maturity. The price of a debt security typically moves in the opposite direction of the change in interest rates. As of December 31, 2023 and 2022, the Plan had the following mutual fund investments subject to interest rate risk:

Bond Funds	Weighted Maturity (Years)	
	2023	2022
Prudential Total Return Bond Z	8.1	8.9

DECEMBER 31, 2023 AND 2022

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of fiduciary net position.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Seminole Tribe of Florida has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 9 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore, not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letters. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by Transamerica Retirement Solutions, LLC on behalf of State Street Bank and Trust Company, Transamerica Trust Company (formerly Massachusetts Fidelity Trust Company), and Transamerica Life Insurance Company. Transamerica Retirement Solutions, LLC on behalf of State Street Bank and Trust Company and Transamerica Life Insurance Company is the trustee and insurance company as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Upon transferring employment, their retirement plan balances may also be transferred to a related subsidiary's plan. These transfers between plans are included in net transfers on the statement of changes in fiduciary net position.
