INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Ned Davis Research, Inc.
Ned Davis Research Inc. and Affiliated Companies 401(k) Plan
Venice, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ned Davis Research Inc. and Affiliated Companies 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule referred to in the index is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NED DAVIS RESEARCH INC. AND AFFILIATED COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan:

The following description of Ned Davis Research Inc. and Affiliated Companies 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which is offered to all eligible employees of Ned Davis Research, Inc. and Davis, Mendel & Regenstein (collectively, the "Plan Sponsor"). Employees are immediately eligible to become participants once they have reached twenty-one years of age or older and have completed one month of eligible service, as defined in the plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Directors oversees governance of the Plan, determines the appropriateness of the Plan's investments, and monitors investment performance.

Contributions

Participants Contributions: Participants in the Plan may elect to contribute on a pre-tax basis up to 60% of their eligible compensation, as defined, subject to certain statutory limitations. Participants may also elect to make Roth 401(k) contributions, which are subject to federal income taxes in the year of deferral. For 2023 and 2022, the deferred amount may not exceed \$22,500 and \$20,500, respectively. Additionally, the Internal Revenue Code ("IRC") allows for participants over the age of 50 to make additional contributions (catch-up contributions) in excess of these limits. The maximum catch-up contributions for 2023 and 2022 was \$7,500 and \$6,500, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated balance fund until changed by the participants. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions: The Plan Sponsor makes a discretionary matching contribution of 50% of a participant's contribution up to 6% of their annual eligible compensation. In addition to this contribution, the Plan Sponsor may elect to make a discretionary nonelective contribution in an amount to be determined by the Board of Directors for each plan year. Discretionary nonelective contributions are allocated to eligible participants in the ratio that a participant's eligible compensation bears to the total eligible compensation paid to all eligible participants. In order to be eligible for the discretionary matching contribution, a participant must complete at least 1,000 hours of service during the plan year and be employed as of the last day of the plan year. The Plan Sponsor did not make discretionary nonelective contributions for the years ended December 31, 2023 and 2022.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's pre-tax and Roth 401(k) contributions, the Plan Sponsor's matching contribution, the Plan Sponsor's discretionary nonelective contributions, plan earnings or losses, and administrative expenses which are allocated proportionately among all participants based on their investment in each fund. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting

Participants Contributions: Participants are immediately vested in their pre-tax and Roth 401(k) contributions, and earnings and losses thereon.

NED DAVIS RESEARCH INC. AND AFFILIATED COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

1. Description of Plan (continued):

Vesting (continued)

Employer Contributions: Participants vest at a rate of 50% per year of employment and are fully vested after two years of employment in the Plan Sponsor's matching contributions and earnings or losses thereon. Participants vest at a rate of 20% per year of employment and are fully vested after five years of employment in the Plan Sponsor's nonelective contributions and earnings or losses thereon. Participants will also fully vest upon disability, retirement, or the attainment of the fifty-nine and a half years of age.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, subject to a minimum of \$1,000 and a maximum of \$50,000. Loan transactions are treated as a transfer between the investment funds and the loan fund. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at a rate approximating current commercial lending rates at the time of the loan. Principal and interest are paid ratably through after-tax payroll deductions on at least a quarterly basis. If repayment is not made by payroll deduction, a loan shall be repaid to the Plan by payment to the Plan Sponsor.

Benefits Paid to Participants

Upon termination of service, a participant may elect to receive either a lump-sum payment, an installment payment over a fixed number of years, or an investment in an annuity, or may elect a deferral option. Participants may withdraw all their pre-tax and Roth 401(k) contributions, subject to certain restrictions and tax penalties.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$13,974 and \$6,233, respectively. These accounts will be used first to pay administrative expenses of the Plan, and any remaining amount may be used to reduce employer contributions. During the years ended December 31, 2023 and 2022, \$2,250 and \$2,813, respectively, were used to pay administrative expenses of the Plan. Additionally, during the years ended December 31, 2023 and 2022, \$0 and \$22,076, respectively, were used to reduce employer contributions.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determine the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

NED DAVIS RESEARCH INC. AND AFFILIATED COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

2. Summary of Significant Accounting Policies (continued):

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Sponsor considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan agreement.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

3. Information Certified by Fidelity Management Trust Company:

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan (the "trustee").

	2023	2022
Investments at fair value	\$ 23,440,312	\$ 19,741,328
Notes receivable from participants	74,739	52,566
Net appreciation (depreciation) in fair value of investments	3,489,568	(5,754,771)
Interest	100,708	28,183
Dividends	511,911	1,154,074
Interest income on notes receivable from participants	5,470	2,289

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

4. Fair Value Measurements:

Fair value measurement guidance under GAAP defines fair value, establishes a consistent framework for measuring fair value, and establishes a fair value hierarchy based on the observability of inputs used to measure fair value. The objective of a fair value measurement is to determine the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Accordingly, the fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of fair value hierarchy are described as follows:

- Level 1 Unadjusted quoted market prices in active markets for identical unrestricted assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2 Other significant observable inputs, including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, and others. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no significant changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Fair Value Measurements:

Mutual funds:	Valued at the daily closing price as reported by the fund. Net asset values ("NAV") are generally obtained from The National Securities Clearing Corporation, directly from the fund house, and/or a secondary processing source.
---------------	---

Level 2 Fair Value Measurement:

Money fund:	Valued at NAV of shares held by the Plan at year end and amortized cost to approximate the current fair value of certain securities.
-------------	--

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NED DAVIS RESEARCH INC. AND AFFILIATED COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

4. Fair Value Measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 21,158,742	\$ -	\$ 21,158,742
Money fund	-	2,281,570	2,281,570
Total assets at fair value	\$ 21,158,742	\$ 2,281,570	\$ 23,440,312

Assets at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 17,622,934	\$ -	\$ 17,622,934
Money fund	-	2,113,155	2,113,155
Total assets at fair value	\$ 17,622,934	\$ 2,113,155	19,736,089
Investment measured using net asset value per share practical expedient			5,239
Total investments			\$ 19,741,328

The Plan invested in a stable value fund, which traded at the NAV per share practical expedient of the fund. This fund was not categorized within the fair value hierarchy.

There were no participant redemption restrictions for this investment; the redemption notice period was applicable only to the Plan. The following table summarizes an investment measured at fair value based on the NAV per share as of December 31, 2022:

	<u>2022</u>
Stable value fund:	
Fair value	\$ 5,239
Unfunded commitment	None
Redemption frequency	Daily
Redemption notice period	None

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2023 and 2022, are reported in net appreciation (depreciation) in fair value of investments.

NED DAVIS RESEARCH INC. AND AFFILIATED COMPANIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

5. Tax Status:

The Internal Revenue Service ("IRS") has determined and informed the trustee by a letter dated June 30, 2020 that the volume submitter plan, on which the Plan is based and the related trust, as then designed, was in accordance with the applicable regulations of the IRC. The volume submitter plan has been amended subsequent to that date. However, the Plan Sponsor believes that the Plan, which is based on the prototype plan, was at all times during the years ended December 31, 2023 and 2022 designed and operated in compliance with the applicable requirements of the IRC, and that the Plan and the related trust continued to be tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS, the U.S. Department of Labor, and/or the Florida Department of Revenue. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress..

6. Plan Termination:

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of any termination of the Plan, or upon complete or partial discontinuation of contributions, the accounts of each affected participant shall become fully vested.

7. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related-Party Transactions and Party-in-Interest Transactions:

Certain plan investments include mutual funds, a stable value fund, and a money fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Additionally, the Plan had notes receivable from participants as of December 31, 2023 and 2022. These notes, as well as all related transactions, qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. Assets Allocated to Terminated Participants:

Net assets available for benefits include amounts allocated to the accounts of participants who were terminated prior to year-end but had not yet received payment. At December 31, 2023 and 2022, the vested account balances of terminated participants are \$4,117,345 and \$4,731,667, respectively.
