REPORT OF INDEPENDENT AUDITORS

To the Trustee of
Employee Benefit Plan of United States Equestrian Federation, Inc.
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Employee Benefit Plan of United States Equestrian Federation, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Trustee of
Employee Benefit Plan of United States Equestrian Federation, Inc.
Lexington, Kentucky

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material

Employee Benefit Plan of United States Equestrian Federation, Inc.

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Employee Benefit Plan of United States Equestrian Federation, Inc.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of United States Equestrian Federation, Inc. (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by the United States Equestrian Federation, Inc. (the Company) for the benefit of substantially all employees of the Company. The Plan was established January 1, 2001 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Eligible employees, as defined in the plan document, are able to make or receive contributions under the Plan beginning on their date of hire. Employees are included as a participant in the plan on the first day of the month coinciding with the date of hire.

Contributions

Employees may make annual Roth and pre-tax deferral contributions up to the maximum annual deferral amount defined by the Internal Revenue Code (IRC). The Plan provides for an automatic employee salary deferral contribution of 2 percent of an employee's eligible compensation, unless the employee opts to elect a different deferral percentage or elects to not make a salary deferral contribution within 30 days of hire date. The automatic contribution begins immediately after a new participant meets eligibility requirements.

The Company will determine annually the rate at which elective contributions will be matched, and the maximum amount of elective contributions which will be matched. The employee must be employed on the last day of the plan year to receive a matching contribution. In addition, the Company may make an additional non-matching discretionary contribution to the Plan, however, no such contribution was made for the year ended December 31, 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of any Company contributions, as well as allocations of plan earnings or losses. Each participant's account is charged with his or her withdrawals and an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

EMPLOYEE BENEFIT PLAN OF UNITED STATES EQUESTRIAN FEDERATION, INC.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Vesting

Participants are vested immediately in their elective and rollover contributions, plus actual earnings thereon. A participant is vested in the Company's contribution portion of their account, if any, plus actual earnings thereon based upon a vesting schedule that provides vesting of 20% after one year of service and increasing by 20% for each additional year of service until fully vested after five years of service. Participants are 100% vested in their entire account balances upon reaching normal retirement age (as defined), disability, or death.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account. In-service distributions are allowed for vested employer contributions for participants who are at least 55 years of age or have 20 years of service, and are allowed for all contributions once a participant reaches age 59-1/2. As defined in the plan documents, certain participants are also eligible for hardship distributions, consistent with the provisions of the Internal Revenue Code.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled to \$8,984 and \$6,133, respectively. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company matching contributions or reduce plan expenses. For the year ended December 31, 2023, no forfeitures were used to pay Plan expenses or reduce Company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

EMPLOYEE BENEFIT PLAN OF UNITED STATES EQUESTRIAN FEDERATION, INC.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are maintained in pooled separate accounts and represent the number of participation units owned by the Plan. The Plan values its investments at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in fair value of investments are reflected in the statement of changes in net assets available for benefits in the year in which such changes occur. Changes in fair value of investments include the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investment Management Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

EMPLOYEE BENEFIT PLAN OF UNITED STATES EQUESTRIAN FEDERATION, INC.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

Subsequent Events

Plan management has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is October 14, 2024.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, and investment-related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). However, in accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are not participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 6,018,189	\$ Not applicable	Daily	None
December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 4,614,587	\$ Not applicable	Daily	None

EMPLOYEE BENEFIT PLAN OF UNITED STATES EQUESTRIAN FEDERATION, INC.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

5. FULLY-BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan holds a deposit administration contract that meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The Interest Accumulation Account is a deposit administration contract issued by Mutual of America Life Insurance Company, the custodian of the Plan. Mutual of America Life Insurance Company maintains the contributions in an unallocated fund, whose assets are invested with other asset in the general account of Mutual of America Life Insurance Company. The account is credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses charged by Mutual of America Life Insurance Company. The deposit administration contract is included in the financial statements at contract value of approximately \$62,000 and \$69,000 as of December 31, 2023 and 2022, respectively. The deposit administration contract paid a rate of approximately 1.60% and 0.25%, as of December 31, 2023 and 2022.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

EMPLOYEE BENEFIT PLAN OF UNITED STATES EQUESTRIAN FEDERATION, INC.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

6. RELATED-PARTY AND PARTY-IN-INTEREST

Parties-in-interest are defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. Investment management fees are paid to the custodian and group annuity contract holder, Mutual of America Life Insurance Company. Mutual of America Life Insurance Company, is also the Plan's third party administrator. Blue & Co., LLC is the independent auditor of the Plan. The aforementioned parties generally receive payment from the Company. Additionally, the Trustee is a participant in the Plan.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the company contribution portion of their accounts.

8. TAX STATUS

The Internal Revenue Service (IRS) has determined by an opinion letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

EMPLOYEE BENEFIT PLAN OF UNITED STATES EQUESTRIAN FEDERATION, INC.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
