## INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of  
Line-X, LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Line-X, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 29, 2023 and December 31, 2022, the related statements of changes in net assets available for benefits for the period from January 1, 2023 through September 29, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 29, 2023 and December 31, 2022, and for the period from January 1, 2023 through September 29, 2023 and the year ended December 31, 2022 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter-Plan Merger**

As discussed in Note 1 to the financial statements, the 401(k) Committee of Line-X, LLC, the Plan's sponsor, approved on March 28, 2023, to merge the Plan into the Innovative Xcessories & Services, LLC 401(k) Plan effective September 29, 2023. All plan assets transferred to the Innovative Xcessories & Services, LLC 401(k) Plan on September 29, 2023. Our opinion has not been modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, schedule h, line 4a – schedule of delinquent participant contributions for the period ended September 29, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## LINE-X, LLC 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

---

#### NOTE 1. DESCRIPTION OF THE PLAN

The following is a brief description of the Line-X, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all non-union employees of Line-X, LLC and affiliates (the Company) who have six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan designed to meet the requirements of Section 401(k) of the Internal Revenue Code. The 401(k) Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective September 29, 2023, the Plan merged into the Innovative Xcessories and Services, LLC 401(k) Plan (the IXS 401(k) Plan). As a result of the merger, net assets including notes receivable from participants, of \$5,914,324 were transferred to the control of the IXS 401(k) Plan. The merger does not impact participant benefits as the benefit provisions were incorporated in the IXS 401(k) Plan.

**Contributions:** Each year, participants may contribute up to 86% of annual compensation on a pretax or Roth basis not to exceed the maximum annual limitations as provided by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in accordance with the default investment option established by the Plan, unless the participants direct otherwise. The Company matches contributions to the Plan equal to 100% of the first 3% of the participants' elective deferrals and 50% of the following 2% of the participants' elective deferrals. The Company may make non-elective contributions to eligible participants' accounts based on the percentage of the participant's compensation to total compensation of all eligible participants. There were no non-elective contributions made for the period ended September 29, 2023 and the year ended December 31, 2022.

**Participant Accounts:** Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's non-elective contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's matching and non-elective contributions and earnings are also vested immediately.

**Notes Receivable from Participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and must bear a reasonable rate of interest as determined at the time the loan is made. Principal and interest is paid ratably through payroll deductions. Effective June 1, 2023, the Plan was amended to remove the ability for participants to borrow from their fund accounts. The amendment only impacted the ability of participants to take new loans and did not impact loans entered into prior to June 1, 2023.

**Forfeitures:** Forfeited balances of terminated participants' non-vested accounts are used to pay administrative expenses or reduce future employer contributions. There were no forfeited nonvested accounts as of September 29, 2023 (\$353 - 2022). There were \$353 of forfeitures used to reduce employer contributions during the period ended September 29, 2023 (\$53,248 - 2022).

## LINE-X, LLC 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

---

#### NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

**Payment of Benefits:** On termination of service due to death, disability, retirement, or when a participant ceases to be an employee of the Company, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account. In addition, in-service distributions, without penalty, may be made upon the attainment of age 59 ½. The Plan also allows hardship distributions under certain circumstances.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting:** The Plan prepares its financial statements on the accrual basis of accounting.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment consultants and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

**Notes Receivable from Participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**Payment of Benefits:** Benefits are recorded when paid.

**Subsequent Events:** These financial statements have not been updated for subsequent events occurring after October 16, 2024, which is the date these financial statements were available to be issued.

#### NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) *Accounting Standards Codification* (ASC) 820: *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LINE-X, LLC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value December 31, 2022. There were no investments measured at fair value at September 29, 2023.

**Money market fund:** A money market fund is a public investment vehicle valued using \$1 for the Net Asset Value (NAV).

**Shares of registered investment companies:** Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common collective trust:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022. There were no assets in the Plan as of September 29, 2023.

	Investments at Fair Value as of December 31, 2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Shares of registered investment companies	\$ 5,098,250	\$ -	\$ -	\$ 5,098,250
Common collective trust (a)	-	-	-	112,584
Money market fund	<u>46,569</u>	<u>-</u>	<u>-</u>	<u>46,569</u>
Total investments at fair value	<u>\$ 5,144,819</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,257,403</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarize investments measured at fair value based on NAV per share as of December 31, 2022. There were no investments measured at fair value based on NAV per share as of September 29, 2023.

<b>December 31, 2022</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>
Common collective trust	\$112,584	n/a	Daily	none

#### NOTE 4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Management Trust Company (Fidelity), the Plan's trustee, and therefore these transactions qualify as party in interest transactions. Participant loans and fees paid to Fidelity also qualify as party-in-interest transactions.

#### NOTE 5. FINANCIAL CERTIFICATION

The following unaudited financial information regarding the Plan's assets at September 29, 2023 and December 31, 2022, as well as income and transactions for the period ended September 29, 2023 and the year ended December 31, 2022, has been derived from information provided by Fidelity, the trustee of the Plan. The information provided to the Plan Administrator has been certified as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on the certification and has not been audited by independent accountants.

#### NOTE 6. TAX STATUS

The Plan has adopted a non-standard form of a pre-approved plan. The pre-approved plan provider, FMR, LLC, has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to the Form 5500. There were no net assets available for benefits at September 29, 2023.

Net increase (decrease) in net assets available for benefits per the Form 5500	<u>\$ 584,211</u>	<u>\$ (1,425,997)</u>

#### NOTE 9. PROHIBITED TRANSACTION

The Company inadvertently failed to deposit approximately \$192 of participant elective deferral contributions for the period ended September 29, 2023 and \$24,615 of participant elective deferral contributions and loan payments for the year ended December 31, 2019, for a total of \$24,807 within the required time frame as stated by United States Department of Labor (DOL) regulations. The Plan administrator has corrected these operational errors, involving delinquent contributions by contributing the amounts to the Plan (with additional earnings) and paying the applicable excise tax to the Internal Revenue Service. The excise tax payments were made from the Plan Sponsor's assets and not the assets of the Plan.

#### NOTE 10. OPERATIONAL DEFECTS

The Company has identified certain operational defects related to the following:

- the calculation of eligible compensation for employee deferrals in accordance with the Plan document,
- the calculation of the annual true-up for the employer matching contributions
- prohibited transactions related to delinquent participant contributions and loan payments (see Note 9)
- potential compliance testing failures due to certain provisions of another defined contribution Plan sponsored by a related entity in the controlled group.
- missed deferrals and missed or miscalculated matching contributions related to prior Plan years.

During 2023, the Company received approval from the IRS, which accepted all of the proposed correction methods for the years in which the aforementioned operational errors occurred. The correction included the approval of the following retroactive amendments:

- Effective from June 11, 2010 through July 23, 2010, eligible compensation shall include severance pay.
- Effective May 1, 2019, the employer match will be calculated on a pay period basis.
- Effective for the March 23, 2020, payroll period only the employer match was 200% of the first 3% of eligible compensation and 100% of the next 2% of eligible compensation.
- Effective January 1, 2012, bonuses and commissions are excluded from the definition of compensation.

## INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of  
Line-X, LLC 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Line-X, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 29, 2023 and December 31, 2022, the related statements of changes in net assets available for benefits for the period from January 1, 2023 through September 29, 2023 and the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 29, 2023 and December 31, 2022, and for the period from January 1, 2023 through September 29, 2023 and the year ended December 31, 2022 stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Emphasis of Matter-Plan Merger**

As discussed in Note 1 to the financial statements, the 401(k) Committee of Line-X, LLC, the Plan's sponsor, approved on March 28, 2023, to merge the Plan into the Innovative Xcessories & Services, LLC 401(k) Plan effective September 29, 2023. All plan assets transferred to the Innovative Xcessories & Services, LLC 401(k) Plan on September 29, 2023. Our opinion has not been modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule, schedule h, line 4a – schedule of delinquent participant contributions for the period ended September 29, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## LINE-X, LLC 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

---

#### NOTE 1. DESCRIPTION OF THE PLAN

The following is a brief description of the Line-X, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all non-union employees of Line-X, LLC and affiliates (the Company) who have six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan designed to meet the requirements of Section 401(k) of the Internal Revenue Code. The 401(k) Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective September 29, 2023, the Plan merged into the Innovative Xcessories and Services, LLC 401(k) Plan (the IXS 401(k) Plan). As a result of the merger, net assets including notes receivable from participants, of \$5,914,324 were transferred to the control of the IXS 401(k) Plan. The merger does not impact participant benefits as the benefit provisions were incorporated in the IXS 401(k) Plan.

**Contributions:** Each year, participants may contribute up to 86% of annual compensation on a pretax or Roth basis not to exceed the maximum annual limitations as provided by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in accordance with the default investment option established by the Plan, unless the participants direct otherwise. The Company matches contributions to the Plan equal to 100% of the first 3% of the participants' elective deferrals and 50% of the following 2% of the participants' elective deferrals. The Company may make non-elective contributions to eligible participants' accounts based on the percentage of the participant's compensation to total compensation of all eligible participants. There were no non-elective contributions made for the period ended September 29, 2023 and the year ended December 31, 2022.

**Participant Accounts:** Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's non-elective contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's matching and non-elective contributions and earnings are also vested immediately.

**Notes Receivable from Participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and must bear a reasonable rate of interest as determined at the time the loan is made. Principal and interest is paid ratably through payroll deductions. Effective June 1, 2023, the Plan was amended to remove the ability for participants to borrow from their fund accounts. The amendment only impacted the ability of participants to take new loans and did not impact loans entered into prior to June 1, 2023.

**Forfeitures:** Forfeited balances of terminated participants' non-vested accounts are used to pay administrative expenses or reduce future employer contributions. There were no forfeited nonvested accounts as of September 29, 2023 (\$353 - 2022). There were \$353 of forfeitures used to reduce employer contributions during the period ended September 29, 2023 (\$53,248 - 2022).

## LINE-X, LLC 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

---

#### NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

**Payment of Benefits:** On termination of service due to death, disability, retirement, or when a participant ceases to be an employee of the Company, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account. In addition, in-service distributions, without penalty, may be made upon the attainment of age 59 ½. The Plan also allows hardship distributions under certain circumstances.

#### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting:** The Plan prepares its financial statements on the accrual basis of accounting.

**Use of Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment consultants and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the period.

**Notes Receivable from Participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

**Expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**Payment of Benefits:** Benefits are recorded when paid.

**Subsequent Events:** These financial statements have not been updated for subsequent events occurring after October 16, 2024, which is the date these financial statements were available to be issued.

#### NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) *Accounting Standards Codification* (ASC) 820: *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LINE-X, LLC 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value December 31, 2022. There were no investments measured at fair value at September 29, 2023.

**Money market fund:** A money market fund is a public investment vehicle valued using \$1 for the Net Asset Value (NAV).

**Shares of registered investment companies:** Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common collective trust:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following table set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022. There were no assets in the Plan as of September 29, 2023.

	Investments at Fair Value as of December 31, 2022

### NOTES TO THE FINANCIAL STATEMENTS

#### NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarize investments measured at fair value based on NAV per share as of December 31, 2022. There were no investments measured at fair value based on NAV per share as of September 29, 2023.

<b>December 31, 2022</b>	<b>Fair Value</b>	<b>Unfunded Commitments</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>
Common collective trust	\$112,584	n/a	Daily	none

#### NOTE 4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity Management Trust Company (Fidelity), the Plan's trustee, and therefore these transactions qualify as party in interest transactions. Participant loans and fees paid to Fidelity also qualify as party-in-interest transactions.

#### NOTE 5. FINANCIAL CERTIFICATION

The following unaudited financial information regarding the Plan's assets at September 29, 2023 and December 31, 2022, as well as income and transactions for the period ended September 29, 2023 and the year ended December 31, 2022, has been derived from information provided by Fidelity, the trustee of the Plan. The information provided to the Plan Administrator has been certified as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on the certification and has not been audited by independent accountants.

#### NOTE 6. TAX STATUS

The Plan has adopted a non-standard form of a pre-approved plan. The pre-approved plan provider, FMR, LLC, has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### NOTE 8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to the Form 5500. There were no net assets available for benefits at September 29, 2023.

	<u>2022</u>

Notes receivable from participants	(72,710)
Employer contribution receivable	<u>(13,183)</u>
Net assets available for benefits per the Form 5500	<u>\$ 5,330,113</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the periods ended September 29, 2023 and December 31, 2022.

	<u>2023</u>	<u>2022</u>
Net increase (decrease) in net assets available for benefits per financial statements	\$ 571,028	\$ (1,422,528)
Differences in:		
Employer contributions	1,116	3,469
Interest and dividend income	9,662	-
Net appreciation in fair value of investments	<u>2,405</u>	<u>-</u>
Net increase (decrease) in net assets available for benefits per the Form 5500	<u>\$ 584,211</u>	<u>\$ (1,425,997)</u>

#### NOTE 9. PROHIBITED TRANSACTION

The Company inadvertently failed to deposit approximately \$192 of participant elective deferral contributions for the period ended September 29, 2023 and \$24,615 of participant elective deferral contributions and loan payments for the year ended December 31, 2019, for a total of \$24,807 within the required time frame as stated by United States Department of Labor (DOL) regulations. The Plan administrator has corrected these operational errors, involving delinquent contributions by contributing the amounts to the Plan (with additional earnings) and paying the applicable excise tax to the Internal Revenue Service. The excise tax payments were made from the Plan Sponsor's assets and not the assets of the Plan.

#### NOTE 10. OPERATIONAL DEFECTS

The Company has identified certain operational defects related to the following:

- the calculation of eligible compensation for employee deferrals in accordance with the Plan document,
- the calculation of the annual true-up for the employer matching contributions
- prohibited transactions related to delinquent participant contributions and loan payments (see Note 9)
- potential compliance testing failures due to certain provisions of another defined contribution Plan sponsored by a related entity in the controlled group.
- missed deferrals and missed or miscalculated matching contributions related to prior Plan years.

During 2023, the Company received approval from the IRS, which accepted all of the proposed correction methods for the years in which the aforementioned operational errors occurred. The correction included the approval of the following retroactive amendments:

- Effective from June 11, 2010 through July 23, 2010, eligible compensation shall include severance pay.
- Effective May 1, 2019, the employer match will be calculated on a pay period basis.
- Effective for the March 23, 2020, payroll period only the employer match was 200% of the first 3% of eligible compensation and 100% of the next 2% of eligible compensation.
- Effective January 1, 2012, bonuses and commissions are excluded from the definition of compensation.
