Plan Administrator
Strada Services, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Strada Services, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Strada Services, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Strada Services, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Strada Services, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Strada Services, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Strada Services, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STRADA SERVICES, LLC 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Strada Services, LLC 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

Strada Services, LLC 401(k) Retirement Plan (the "Plan") is a defined contribution plan covering all eligible employees of Strada Services, LLC (Strada or the Company).

The Plan was adopted effective November 1, 2013 and restated July 1, 2016. Employees of the Company are eligible to become participants in the plan after one year of service or from the date of hire and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and various provisions of the Internal Revenue Code. The Plan changed its name through restatement effective January 1, 2023 from Strada Services, Inc. 401(k) Retirement Plan to Strada Services, LLC 401(k) Retirement Plan.

In April 2020, certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) relating to participant distributions and participant loans were enacted. The CARES Act allows for utilization of these provisions immediately. The Plan elected to implement the provisions related to participant distributions and participant loans. As of December 2023, the Plan Sponsor has been reviewing amendment paperwork and has until December 31, 2025 to formally adopt.

2. Contributions

Under the Plan, eligible participants may elect to contribute 90% of their annual compensation for the year, not to exceed \$22,500 in 2023, as well as a \$7,500 catch up contribution if age 50 or over. In addition, the employer may also make a discretionary profit-sharing contribution if the participant has completed 1,000 hours of service during the Plan year and employed by the Company on the last day of the Plan year. Employees elect the investment vehicles(s) with the John Hancock Life Insurance Company in which their funds and employer matching contributions are invested.

3. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous services. A participant is 100% vested after five years of credited service.

4. Forfeitures

Forfeitures may first be used to pay administrative expenses, then to reduce future Plan sponsor contributions.

5. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

6. Payment of Benefits

Upon termination of service, a participant may receive the value of the participant's vested interest in his or her account in a lump-sum amount.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

7. Investments

The Plan is participant directed and participants may invest their contributions in any of the investment funds offered by the Plan. The Plan's trustee is John Hancock Life Insurance Company ("John Hancock").

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those assets.

2. Valuation of Investments and Income Recognition

The Plan follows the fair value measurement requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, which defines fair value as the exchange price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The Plan Sponsor's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the gains and losses on investments bought and sold during the year as well as the change in the unrealized appreciation or depreciation on those investments during the year.

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Excess Contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

4. Payment of Benefits

Benefits are recorded when paid.

5. Use of Estimates

Management of the Plan has made certain estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent assets and liabilities to prepare these financial statements in conformity with generally accepted accounting principles. Actual results could differ from those estimates.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. Subsequent Events

In preparing these financial statements, the Plan has evaluated subsequent events and transactions for potential recognition and disclosure through October 18, 2024, which is the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: The investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2023 and 2022, the Plan's participant-directed investments measured at fair value on a recurring basis by the fair value hierarchy levels described above are as follows:

STRADA SERVICES, LLC 401(K) RETIREMENT PLAN**NOTES TO FINANCIAL STATEMENTS****December 31, 2023****NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)**

Fair Value Measurements as of December 31, 2023				
Description	Level 1	Level 2	Level 3	Total

Fair Value Measurements as of December 31, 2022				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,812,258	\$ -	\$ -	\$ 3,812,258

NOTE D – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, John Hancock, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, and for the years then ended:

	2023	2022
Mutual funds, at fair value	\$ 5,659,095	\$ 3,812,258
Net appreciation in fair value of investments	647,683	N/A

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

John Hancock was the trustee of the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023. Therefore, transactions with this entity qualify as exempt party-in-interest transactions. Plan investments at December 31, 2023 and 2022 included shares of mutual funds and the investment contract with the insurance company, managed by John Hancock. Fees paid by the Plan to the trustee for contract administrator fees were \$57,388 for the year ended December 31, 2023. Certain Plan investments included shares of mutual funds managed by the trustee and, therefore, those transactions qualify as party-in-interest transactions.

NOTE F – CORRECTIVE DISTRIBUTIONS

At December 31, 2023 and 2022, the Plan had excess contributions payable of \$46,992 and \$36,017, respectively. These amounts are included in the Plan's statement of net assets available for benefits as excess contributions payable.

NOTE G – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes of risk associated with certain investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their plan sponsor contributions.

NOTE I – RECONCILIATIONS OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits at December 31, 2023 and 2022, per the financial statements to Form 5500:

	2023	2022
Net assets available for benefits, per the financial statements	\$ 5,740,202	\$ 3,925,945
Excess contributions payable	46,992	36,017
Net assets available for plan benefits per the Form 5500	<u>\$ 5,787,194</u>	<u>\$ 3,961,962</u>

The following is a reconciliation of benefits paid and corrective distributions for 2023, per the financial statements to Form 5500:

Corrective distributions, per the financial statements	\$ 12,862
Change in excess contributions payable	(10,975)
Corrective distributions per the Form 5500	<u>\$ 1,887</u>

NOTE J – TAX STATUS

The Plan has adopted a standardized form of a volume submitter prototype plan sponsored by Bates & Company. The volume submitter prototype plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service (IRS) as to the volume submitter prototype plan's qualified status. The volume submitter prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the letter. However, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain positions that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
