Independent Auditor's Report

To the Plan Administrator
EverQuote 401k Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of EverQuote 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

EVERQUOTE 401k PLAN

Notes to Financial Statements

Note A - Description of Plan

The following description of EverQuote 401k Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of EverQuote, Inc. (the “Company”, “Plan Administrator”, or “Employer”). Employees are eligible to participate in the Plan as of the first day of their hire date. The Plan was originally adopted by the Employer on August 1, 2008 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All Plan assets are held with Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively, “Principal”), the trustee of the Plan, as of December 31, 2023 and 2022.

SECURE ACT 2.0

In December 2022, Congress passed the Consolidated Appropriations Act of 2023 which included the SECURE Act 2.0. The SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since the SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan documents accordingly. Certain provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2023 financial statements.

Contributions

Each year participants may contribute up to the maximum allowable amount under the Internal Revenue Code (“IRC”) and participants who have attained age 50 are eligible for additional catch-up contributions under a provision of the Internal Revenue Service (“IRS”). Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants direct the investment of their investments into various investment options offered by the Plan. The Company may make discretionary matching contributions, to be determined periodically by the Company. For the Plan year ended December 31, 2023, the Company made \$691,642 of discretionary matching contributions which is recorded as employer contributions on the statement of changes in net assets available for benefits.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, any Company contribution, and Plan earnings from investments and is charged for specific administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant’s account.

Vesting

Participants are vested immediately in their contributions and Company contributions plus actual earnings thereon.

EVERQUOTE 401k PLAN

Notes to Financial Statements

Note A - Description of Plan (continued)

Payment of Benefits

Upon retirement, death, or other termination of service, participants may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount or a direct rollover into an individual or qualified retirement account. Vested account balances that do not exceed \$5,000 will be distributed following the participant's termination, retirement, or disability. A participant may also obtain in-service withdrawals of vested amounts, subject to federal and state income taxes if he or she has reached the minimum age requirement of 59½ or through a hardship distribution. Participants may elect to withdraw any rollover contributions at any time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances, reduced by the highest outstanding loan amount during the one-year period ending on the day before the loan is made. The loans are secured by the balance in the participant's account. The loan interest rate will be based on rates available for similar loans from commercial lending institutions. The loan terms are limited to five years, unless loan proceeds are applied to acquire a principal residence, in which case, at the discretion of the Plan Administrator, the term shall be limited to a period consistent with a commercial home loan. Interest rates are fixed for the duration of the loan. Principal and interest is paid ratably through bi-weekly payroll deductions.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Investments in collective trust funds and pooled separate accounts are reported at their net asset value as a practical expedient. Investment in the fixed income guaranteed option, which is considered a fully benefit responsive contract, is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Dividend income includes capital gain distributions from the investments. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

EVERQUOTE 401k PLAN

Notes to Financial Statements

Note B - Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Loans which are deemed to be in default are recorded as distributions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses.

Evaluation of Subsequent Events

Management has evaluated subsequent events through October 14, 2024, the date these financial statements were available to be issued.

Note C - Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, *Level 2* inputs in general consist of quoted prices for similar assets in active markets, and *Level 3* inputs are unobservable inputs which have the lowest priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement priority. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

1. Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
2. Collective trust funds: The collective trust funds are valued based on the net asset value per unit reported to the Plan. The net asset value is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the funds less its liabilities. Participant purchases and sales of the funds may occur daily.
3. Pooled separate accounts: The pooled separate accounts are valued based on the net asset value per unit reported to the Plan. The net asset value is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the accounts less any operating expenses accrued but not deducted. Principal reserves the right to defer, limit, or stop participant contributions and transfers from/to separate accounts.

Note C - Fair Value Measurements (continued)

Collective Trust Funds	Investment Objective
Principal LifeTime Hybrid 2065 CIT Z	To seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor who expected to retire in 2065.
Principal LifeTime Hybrid Income CIT Z	To seek current income and, as a secondary objective, capital appreciation.

Pooled Separate Accounts	Investment Objective
Principal SmallCap S&P 600 Index Separate Account-Z	The investment seeks long-term growth of capital and normally invests the majority of assets in common stocks of companies that compose the S&P SmallCap 600 Index.
Principal MidCap S&P 400 Index Separate Account-Z	The investment option normally invests the majority of assets in common stocks of companies that compose the S&P MidCap 400 Index.

The above collective trust funds and pooled separate accounts have no unfunded commitments, and purchases and redemptions occur daily with one day's notice with no redemption restrictions.

Note D - Fully Benefit-Responsive Investment Contract

A portion of the Plan's assets are invested in the Principal Fixed Income Guarantee Option (the "Fixed Option") which is considered a fully benefit-responsive guaranteed investment contract. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount normally received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made into the Fixed Option, plus earnings, less participant withdrawals, and administrative expenses. Participant transactions (purchases and sales) may occur daily. The Principal may in its sole discretion impose restrictions on purchases or redemptions within the Fixed Option.

The Fixed Option provides a guaranteed principal and interest rate that is credited daily and subject to a contractual minimum rate. Amounts allocated to the Fixed Option are held in Principal Life Insurance Company's general account which supports their insurance and annuity obligations. Principal Life Insurance Company's general account is managed on an aggregate basis and supports all of the company's financial commitments. No portion of the general account is attributable to a particular plan nor do plans have any undivided ownership interest in general account assets. The credited interest rate is determined periodically by Principal Life Insurance Company and is subject to a guaranteed minimum rate. The actual credited interest rate was 6.05% in 2023.

If the Company decides to terminate the Fixed Option balance, the Principal Life Insurance Company will pay out the value of the Fixed Option less any surrender charges.

Notes to Financial Statements

Note E - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note F - Tax Status

The Company adopted a non-standardized pre-approved profit sharing 401(k) plan. The non-standard preapproved profit plan received a favorable opinion letter from the IRS on June 30, 2020 which stated that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since the non-standardized pre-approved profit plan received the favorable opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest expense or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note G - Information Certified by Trustee (Unaudited)

At December 31, 2023 and 2022, Principal held the Plan's investments. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

Note H - Related Party Transactions and Parties-In-Interest Transactions

Certain operating expenses of maintaining the Plan are paid by the Company. Additionally, employees of the Company perform certain routine administrative services for the Plan without charge.

Certain Plan investments are in a guaranteed fixed option and units of collective trust funds and pooled separate accounts managed by Principal, and therefore qualifies as a party-in-interest. The Plan incurred \$13,095 in recordkeeping fees to the Principal for the year ended December 31, 2023 which are reported as administrative expenses on the statement of net assets available for benefits. Participant notes receivable also qualify as party-in-interest transactions.

Note I - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note J - Reconciliation of Financial Statements to Form 5500

The net assets available for benefits and changes in net assets available for benefits per these financial statements agree to Schedule H of Form 5500. There are no reconciling items.

Note K – Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participants contributions. Excess participant contributions totaling \$530,921 were returned to certain active participants in March 2024 for the Plan year ended December 31, 2023.
