INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Health Services Management, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of Health Services Management, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Plan Administrator of
Health Services Management, Inc. 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Health Services Management, Inc. 401(k) Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of the Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023 indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HEALTH SERVICES MANAGEMENT, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of Health Services Management, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was created on January 1, 2004, is a defined contribution plan and provides retirement benefits for employees of Health Services Management, Inc. and Subsidiaries (the “Company”) who adopt participation in the Plan. Employees are eligible to participate in the Plan beginning the month after reaching the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may elect to defer up to 100% of their compensation, not to exceed Internal Revenue Service (“IRS”) limits, as defined in the Plan document. Participants may also contribute amounts representing distributions from other qualified plans. Participants may change their salary deferral percentage at the beginning of each pay period. The Plan also allows for after-tax Roth contributions. Each quarter, the Company makes a Company-matching contribution equal to 50% of the first 2.5% of eligible participant's compensation. The Plan also allows for a Company discretionary contribution. Participants must be employed at the end of the year and work 1,000 hours to be eligible for the Company discretionary contribution. The Company elected not to make an employer discretionary contribution in 2023.

Participant Accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contribution, employer contribution, and allocations of Plan earnings, and charged with an allocation of administrative expenses, if any. Participant contributions and employer matching contributions and discretionary contributions are allocated, at the participant's election, to investment funds held at Fidelity Management Trust Company (the “Plan Custodian”). Plan earnings are allocated based on the actual earnings of the respective participants' investments.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances by executing a note in accordance with the Plan's provisions. The notes are collateralized by the vested balance in the participant's account and bear interest, as determined by the Plan administrator, based on prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Participants may only have one outstanding loan at any one time, and the loan must be generally repaid within five years from the date of the loan. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in Company contributions is based on years of continuous service. Participants are 100% vested after three years of service, as defined in the Plan. Prior to three years of service, participants have no vested rights to employer contributions.

Corrective Distributions

Corrective distributions may be required in the event that employee contributions exceed contribution limitations of the Plan. These amounts are recorded as a liability as of the Plan's year end and are reflected on the statement of changes in net assets available for benefits as an offset to participant contributions.

Payment of Benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or their beneficiaries upon normal retirement age, death, disability or termination of employment. In-service withdrawals are permitted by participants who have reached the age of 59 1/2. Early withdrawals may also be made in the case of financial hardship, as determined by the Company. As of December 31, 2023 and 2022, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Forfeitures

Forfeitures of terminated participants' non-vested accounts are used to reduce Company-matching contributions or pay Plan administrative expenses. As of December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately \$70,000 and \$51,000, respectively. There were no significant forfeitures used during the year ended December 31, 2023.

Investment Valuation and Income Recognition

As of December 31, 2023 and 2022, the Plan's funds were invested in a money market fund, various mutual funds, and a collective investment trust fund.

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The money market fund is valued at the reported market price.

Mutual funds are valued at the daily closing price, as reported by the fund. The mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are considered Level 1 investments within the fair value hierarchy.

The Plan uses net asset value ("NAV") per unit to value the collective investment trust fund (see Note 4). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

In accordance with the Plan's policy of stating marketable securities at fair value, the net appreciation or depreciation for each year is reflected in the Plan's statement of changes in net assets available for benefits in the net change in fair value of investments.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance, plus accrued but unpaid interest.

Contributions

Contributions to the Plan are recorded in the period in which they become obligations of the Company.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative and Other Costs

During the year ended December 31, 2023, administrative and other costs associated with the Plan amounting to \$12,500 were paid directly by the Company. Plan administrative expenses of approximately \$40,000 were charged directly to the Plan. Certain other investment-related fees, commissions, and reporting expenses are included in net appreciation in fair value of investments.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles and with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

Subsequent Events

The Company has evaluated subsequent events for recognition and disclosure through October 17, 2024, which is the date the financial statements were available to be issued.

NOTE 3 - PLAN CERTIFICATION

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment and participant notes receivable information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, net appreciation in fair value of investments, and dividends and interest for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritize the inputs of valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety.

The three levels of the fair value hierarchy are described below:

Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Significant, unobservable inputs used for valuing the asset or liability in which little or no market data exists.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:

Investments measured at NAV:				
Collective investment trust fund (a)				<u>56,227</u>
Total investments at fair value				<u>\$ 7,779,100</u>

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Investments:				
Investments in the fair value hierarchy:				
Money market fund	\$ 81,709	\$ -	\$ -	\$ 81,709
Mutual funds	7,216,190	-	-	7,216,190
Total investments in the fair value hierarchy	<u>\$ 7,297,899</u>	<u>\$ -</u>	<u>\$ -</u>	7,297,899
Investments measured at NAV:				
Collective investment trust fund (a)				136,407
Total investments at fair value				<u>\$ 7,434,306</u>

- (a) Certain investments that were measured using the NAV per share practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2023:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Notice Redemption Period
Fidelity Advisor Stable Value Fund	\$ 56,227	None	Daily	Up to 12 months

The following table summarizes the investment for which fair value is measured using the NAV per share practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Notice Redemption Period
Fidelity Advisor Stable Value Fund	\$ 136,407	None	Daily	Up to 12 months

NOTE 5 - INCOME TAX STATUS

The original plan is a prototype plan prepared and maintained by a third party. The prototype plan obtained its latest determination letter on November 5, 2018, in which the IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The adopted Plan has been amended since receipt of the determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and the Plan assets shall be distributed in proportion to participants' respective account balances as of the date of termination.
