INDEPENDENT AUDITORS' REPORT

To the Plan Oversight Committee
Platinum Nine Holdings, LLC - 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Platinum Nine Holdings, LLC dba NW Ambulance 401(k) Plan, formerly Platinum Nine Holdings, LLC (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements related to assets held for investment of the Plan by a bank or similar institution that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transaction that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLATINUM NINE HOLDINGS, LLC dba NW AMBULANCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Platinum Nine Holdings, LLC dba NW Ambulance 401(k) Plan, formerly the 401(k) plan named "Platinum Nine Holdings, LLC" (the Plan), provides only general information. Participants should refer to the Plan Document and related Adoption Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution 401(k) plan covering substantially all employees of Platinum Nine Holdings, LLC (the Company). Until it was changed in 2023, the Plan and the Company utilized the same name. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974, as amended, and is designed as an ERISA Section 404(c) plan. Accordingly, the participants, and not the Plan fiduciaries, are responsible for investment decisions relating to their participant account assets under the Plan.

The Plan was amended and restated effective January 1, 2022, to comply with regulatory requirements. The Plan was amended and restated effective July 1, 2023, in connection with changes in service providers. Changes made with the 2023 restatement are integrated into the information below, as relevant.

Eligibility – Until July 1, 2023, employees of the Company are eligible to participate in the Plan upon completing three months of service. Effective July 1, 2023, employees are immediately eligible to participate in the Plan. Participation begins on the first day of the month following meeting the service requirement. The Plan does not include employees who are nonresident aliens or residents of Puerto Rico.

Contributions – The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code. Participants are permitted to elect to contribute from 1% to 90% of their eligible compensation, subject to statutory limits. Participants may elect to make either pre-tax or after-tax "Roth" contributions based on eligible compensation as defined in the Plan. The Plan allows participants that have attained the age of 50 to make catch-up contributions. The Plan includes an automatic enrollment feature. Unless a participant elects a different rate, the automatic enrollment feature provides for a 1% contribution rate.

Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Plan provides that the Company will make a matching contribution equal to 100% of employee salary deferrals of up to 5% of eligible compensation measured on a pay-period basis. Effective July 1, 2023, the measurement used for matching was changed to an annual basis.

The Plan provides that the Company may also make discretionary matching contributions or annual profit-sharing contributions to eligible participants. There were no discretionary matching or profit sharing contributions for the years ended December 31, 2023 and 2022.

Vesting - Participants are immediately vested in their pre-tax account, amounts rolled over from other qualified plans, and any earnings thereon. The Company's matching and profit-sharing contributions, and any earnings thereon, are fully vested using a cliff vesting schedule after three years of continuous service. Participants are 100% vested in all accounts upon reaching normal retirement age, death, or disability.

See independent auditors' report

PLATINUM NINE HOLDINGS, LLC dba NW AMBULANCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN, (continued)

Participant accounts - Each participant's account is credited with the participant's contribution, Company contributions, and allocations of Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct their investments into a variety of mutual funds. Prior to the change in service providers on July 1, 2023, investment offerings also included collective trust funds. The asset values of mutual funds are based on quoted market prices. The net asset values of the collective trust funds are not publicly quoted. The net asset values for these investments are reported by the fund manager daily and as of the financial statement dates based on recent transaction prices. The collective trust funds provide for daily redemption by the Plan at reported net asset value.

Notes receivable from participants - Participants may borrow from their participant accounts a minimum of \$500 up to a maximum equal to the lesser of one-half of their vested account balance, excluding Roth deferral accounts and related earnings thereon, or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loan repayment terms are five years or less, except loans used to acquire a primary residence may be repaid over thirty years or less. The loans are secured by the participant's vested account balance. Prior to July 1, 2023, loans bore interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Effective July 1, 2023, loans bear interest at the Prime Rate as reported by the Wall Street Journal.

A participant may have only one loan outstanding at any time. The loans are secured by the participant's vested account balance and bear interest at a rate commensurate with prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions. If a participant terminates, their loan plus accrued interest becomes due and payable to the Plan.

If a participant terminates or fails to make payments when due, the loan will be in default. Upon default, the entire principal balance and interest will become due and payable to the Plan. The amount of the outstanding loan will be treated as a distribution. No allowance for uncollectable notes receivable from participants was considered necessary as of December 31, 2023 or 2022.

Payment of benefits – Upon termination of service due to death, disability, retirement or termination of employment, a participant, or their beneficiary in the case of death, will receive a benefit equal to the value of the participant's vested interest in his or her account in the form of a lump-sum payment, installment payments, or a direct rollover to an eligible retirement plan. Prior to July 1, 2023 the Plan provided that installment payments must be \$500 or greater. Effective July 1, 2023, that provision was eliminated. If the participant's account balance is \$5,000 or more, the Participant may choose to defer receiving payment until required under Required Minimum Distribution rules and regulations.

If the vested account balance of a terminated participant is less than \$5,000, the Plan may automatically distribute the funds. If the balance is over \$1,000 the funds will be rolled over into an individual retirement account for the benefit of the participant. If the balance is \$1,000 or less the amount will be paid in a lump-sum distribution.

Participants that have attained age 59 ½ may withdraw participant contributions in their account while still employed by the Company.

See independent auditors' report

PLATINUM NINE HOLDINGS, LLC dba NW AMBULANCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN, (continued)

Participants that incur a financial hardship, as defined in the Plan, may request to receive a distribution. Hardship distributions are made subject to approval by the Company in a non-discriminatory manner.

Forfeitures - Forfeitures of terminated participants' non-vested account balances can be used to pay plan expenses and/or to reduce the Sponsor's matching contributions. Forfeited non-vested account balances were \$61,334 and \$3,747 at December 31, 2023 and 2022, respectively. During the year ended December 31, 2023, forfeited non-vested accounts were utilized to reduce employer matching contributions by \$74,271 and pay plan expenses of \$7,660. During the year ended December 31, 2022, forfeited non-vested accounts were utilized to reduce employer matching contributions by \$86,818.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by its investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees may be charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document and related Adoption Agreement.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by applicable laws and regulations are recorded as excess contributions payable. The amounts have been recorded as reductions to contributions for the years in which the contributions were made.

Payment of benefits - Benefits to participants and beneficiaries are recorded when paid.

See independent auditors' report

PLATINUM NINE HOLDINGS, LLC dba NW AMBULANCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses - The Plan provides that certain expenses of the Plan may be paid by the Plan or the Company. Expenses paid directly by the Company are excluded from these financial statements. Investment-related expenses are included within net appreciation of fair value of investments. General administrative expenses not paid by the Company are allocated to participant accounts based on net assets. Participant specific expenses related to participant notes receivable and distributions are charged to specific participants' accounts. During the years ended December 31, 2023 and 2022, the Company paid significant costs of administering the Plan.

Subsequent events – Plan management has evaluated subsequent events up to October 15, 2024, the date when the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data through correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

PLATINUM NINE HOLDINGS, LLC dba NW AMBULANCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 3. FAIR VALUE MEASUREMENTS, (continued)

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund to the custodian. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are considered actively traded.

Collective Trust Funds: A collective trust's Net Asset Value ("NAV") is based on the market value of its underlying investments. The NAV is not a publicly quoted price in an active market. The unit value of the fund is calculated daily and available to Plan Administrators and client investors on the recordkeeper's website. Underlying holdings are primarily valued using independent appraisals or independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in this account and redemption can occur daily; however, there are no notice periods required for liquidation by individuals. Certain fees may apply in the event of contract termination.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,673,692	\$ -	\$ -	\$ 2,673,692
	<u>\$ 2,673,692</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,673,692</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,602,929	\$ -	\$ -	\$ 1,602,929
Collective trust funds	-	160,886	-	160,886
	<u>\$ 1,602,929</u>	<u>\$ 160,886</u>	<u>\$ -</u>	<u>\$ 1,763,815</u>

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 5. FEDERAL INCOME TAX STATUS

Effective January 1, 2022, the Plan adopted a Non-Standardized Pre-Approved Profit-Sharing Money Purchase Plan with CODA developed by ADP. ADP received a favorable opinion letter for their plan which was dated October 6, 2020, and which states that the plan as submitted is acceptably designed and in compliance with Section 401 of the Internal Revenue Code.

See independent auditors' report

PLATINUM NINE HOLDINGS, LLC dba NW AMBULANCE 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5. FEDERAL INCOME TAX STATUS (continued)

Effective July 1, 2023, the Plan adopted a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA developed by Ascensus LLC (Ascensus). Ascensus received a favorable opinion letter for their plan which was dated June 30, 2020, and which states that the plan as submitted is acceptably designed and in compliance with Section 401 of the Internal Revenue Code.

The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. With certain exceptions, the Plan is no longer subject to examination by U.S. federal tax authorities three years after the filing date.

NOTE 6. RISK AND UNCERTAINTIES

The Plan allows participants to direct contributions into funds of various investment securities. The underlying securities of these funds are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain underlying securities and the level of uncertainty related to changes in the values of the funds, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 7. CERTIFICATION

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Ascensus, LLC, an authorized representative of Ascensus Trust Company and Newport Trust Company, the custodian of the Plan effective July 1, 2023 has certified as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023, and the activities reported in the statement of changes in net assets for the period from July 1, 2023 through December 31, 2023, and the supplementary Schedule of Assets (Held at End of Year) as of December 31, 2023.
