INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Trustees and Participants of
Childrenfirst 401(k) Plan
Orlando, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Childrenfirst 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements are comprised of the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Childrenfirst 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information,

are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Childrenfirst 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Childrenfirst 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Childrenfirst 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Childrenfirst 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHILDRENFIRST 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

A. Description of the plan:

The following description of the Childrenfirst 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Millenia Pediatrics, LLC (the "Company"), who have completed ninety days of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may contribute up to 100% of compensation, as defined in the Plan, subject to Internal Revenue Code limitations. Participants who have attained the age of fifty before the end of the Plan year are eligible to make catch-up contributions. The Company's contributions to the Plan are at its discretion. The Company did not make or elect to make any discretionary contributions during 2023 and 2022. Participants direct the investment of their accounts into various investment options offered by the Plan.

Voluntary "rollover" contributions may be accepted by the Plan under certain terms and conditions.

Participant accounts:

Each participant's account is credited with the participant's contributions plus Company matching contributions and allocations of the Company's discretionary profit sharing contribution and Plan earnings, and is charged with administrative expenses, as required. Allocations are based on participant compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. Description of the plan (continued):

Vesting:

Participants are immediately vested in all their contributions plus actual earnings thereon. Vesting in the Company's contributions plus actual earnings is based on years of service. Participants are vested in the Company's contributions and earnings thereon based on a three-year cliff schedule. Any participant employed at the date of total and permanent disability, death or the attainment of normal retirement age, as defined, is deemed to be 100% vested.

Participant notes receivable:

Participants may borrow from their account a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years or longer if for the purchase of a primary residence. The loans are secured by the balance in the participants' accounts and bear interest at rates commensurate with local prevailing rates, as determined by the plan administrator at the time of issuance. Principal and interest are repaid ratably through payroll deductions.

Forfeitures:

Forfeited accounts represent non-vested Company contributions forfeited by employees who terminate their employment or withdraw from the Plan. Forfeitures are retained by the Plan and used to reduce future Company contributions and administrative expenses. At December 31, 2023 and 2022, there were no forfeited non-vested accounts.

Payment of benefits:

Upon termination of service, death, disability or retirement, a participant may elect to receive a lump-sum payment equal to the vested value of his or her account.

The Plan also allows for in-service distributions of the participant's vested accounts upon reaching the age of 59½ or under certain qualifying conditions, as defined by the Plan.

B. Summary of significant accounting policies:

Basis of accounting:

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP).

Use of estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition:

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The change in fair value of investments and realized gains (losses) are reflected in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. The realized gains or losses on investments are the difference between the proceeds received and the fair value of the investment sold at the beginning of the Plan year.

Participant notes receivable:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of benefits:

Benefits are recorded when paid.

C. Information prepared and certified by custodian:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The investment information included in the accompanying financial statements and supplemental schedule was obtained from data that has been certified as complete and accurate to the plan administrator by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower"), the custodians of the Plan at December 31, 2023 and 2022. Incorporation of this financial information in the accompanying financial statements and supplemental schedule is based solely on those certifications.

The investment income reported in the statement of changes in net assets available for benefits for the year ended December 31, 2023 was certified by Empower.

D. Fair value measurements :

The Fair Value Measurements and Disclosures Topic of FASB ASC requires disclosure of a fair value hierarchy of inputs the Plan uses to value an asset or a liability. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

Level 1: Quoted and readily available prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date. For the Plan, Level 1 inputs include marketable securities that are actively traded.

Level 2: Inputs other than Level 1 that are observable for the asset or liability, either directly or indirectly. The Plan did not have any Level 2 assets at December 31, 2023 or 2022.

D. Fair value measurements (continued):

Level 3: Inputs that represent financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. The Plan did not have any Level 3 assets at December 31, 2023 or 2022.

Following is a description of the valuation methodologies used for assets measured at fair value during the year ended December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-ended funds that are registered with the National Securities Clearing Corporation and/or directly from the fund house or secondary pricing source.

Collective Investment Trusts: Valued at the net asset value of shares held by the Plan at year end using a practical expedient to estimate fair value or using the fair value of pooled separate accounts and mutual funds that comprise the collective investment trusts depending on the assets held by the collective investment trusts at year end.

Guaranteed Investment Contracts: Guaranteed investments contracts are valued at contract value by the Custodian.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	Level 1	Total
Mutual funds	$ 550,683	$ 550,683
Total assets in the fair value hierarchy	550,683	550,683
Investments measured at net asset value		5,276,500
Investments at fair value	$ 550,683	$ 5,827,183

D. Fair value measurements (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Total
Mutual funds	$ 548,241	$ 548,241
Total assets in the fair value hierarchy	548,241	548,241
Investments measured at net asset value		4,477,024
Investments at fair value	$ 548,241	$ 5,025,265

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust accounts	$ 5,276,500	n/a	Daily	n/a

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust accounts	$ 4,477,024	n/a	Daily	n/a

E. Guaranteed investment contracts:

The Plan has a traditional, fully benefit-responsive investment contract (the "Contract") with the Custodian. The Custodian maintains the contributions in a general account. The Contract is credited with earnings on underlying investments and is charged for participant withdrawals and administrative expenses. The Contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this

E. Guaranteed investment contracts (continued):

is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the Contract, plus investment income credited to the Contract based on contract rates currently earned by Empower, less funds used to make benefit payments to participants and to pay administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the traditional investment contract at December 31, 2023 and 2022 was $182,548 and $190,848, respectively. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events, such as the premature termination of the Contract by the Plan or the termination of the Plan, would limit the Plan’s ability to transact at contract value with Empower. The Plan administrator believes the occurrence of such events that would also limit the Plan’s ability to transact at contract value with Plan participants is not probable.

F. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

G. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will be 100% vested in their accounts.

H. Administrative expenses:

Administrative expenses associated with custody, recordkeeping, loan and other transaction fees are charged to participants. The Company provides certain accounting and management services to the Plan at no charge and pays for the annual audit of the Plan.

I. Tax status:

The Plan has adopted a prototype plan that has been determined by the Internal Revenue Service, in an opinion letter dated June 30, 2020, to be in accordance with applicable sections of the Code. The Plan has since been amended; however, the Plan administrator believes that the Plan is currently designed and being operated in accordance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

J. Related party transactions:

Certain Plan investments are shares of funds managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions.

K. Subsequent events:

Subsequent events were evaluated through October 15, 2024, which is the date the financial statements were available to be issued.
