Report of Independent Certified Public Accountants

To the Plan Administrator of
GFR Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **GFR Retirement Savings Plan** (f/k/a GFR Services, Inc. Retirement Savings Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 30, 2023 and 2022, and for the year ended December 30, 2023, stating that the certified investment information, as described in Note (2) to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kevane Grant Thornton LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and each member firm are a separate legal entity. Services are delivered independently by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **GFR Retirement Savings Plan** and to meet other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **GFR Retirement Savings Plan**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **GFR Retirement Savings Plan**'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **GFR Retirement Savings Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA
The supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 30, 2023 and Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) **Plan description and summary of significant accounting policies:**

(a) **Plan description** -

The following description of the GFR Retirement Savings Plan (f/k/a GFR Services, Inc. Retirement Savings Plan) ("the Plan") provides only general information. Participants should refer to the Summary Plan Description or the Plan Document for a more complete description of the Plan's provisions and amendments.

i. **General** -

The Plan is a defined contribution plan that covers the administrative employees of the following affiliates: GFR Media, LLC (formerly known as El Día, Inc., and as successor sponsor for the employees of El Día, Inc. and Editorial Primera Hora, Inc.), Kingbird Property Management, LLC (previously known as CV, LLC) and GFR Services, LLC [(previously known as GFR Services, Inc. (on February 26, 2021, GFR Services, Inc. changed its name to GFR Services, LLC)] (together "the Employers"). Administrative employees with at least 90 days of service and 18 years of age are eligible to participate in the Plan.

The Plan qualifies under Section 1081 of the Internal Revenue Code for a New Puerto Rico ("IRC-NPR") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2020, the Plan was amended to designate eMotions Production, LLC, an affiliate of the Employers, as an employing company under the Plan and amend the Plan to add the specific provisions applicable to eMotions Production, LLC and its employees.

The Puerto Rico Treasury Department ("PRTD") issued Circular Letter of Internal Revenue No. 20-23 with the purpose of amending Circular Letter of Internal Revenue 20-09 to include under the definition of Eligible Expenses for the purpose of Special Disaster Distribution certain expenses incurred as a result of the state of emergency declared by the Governor of Puerto Rico because of the COVID-19 pandemic. Effective January 1, 2020, the Plan allows withdrawals up to $100,000 for special disaster distributions.

Effective January 1, 2021, the Plan was amended to designate Digo Hispanics Media, LLC, an affiliate of the Employers, as an employing company under the Plan and amend the Plan to add the specific provisions applicable to Digo Hispanics Media, LLC and its employees.

On July 1, 2023, the Plan was amended and restated to include past amendments and provide for the following effective January 1, 2024:

(a) the Plan year changed to be a calendar year (ending December 31);

(b) the Plan increased the minimum involuntary cash-out limit from $5,000 to $7,000;

(c) an employee may not make rollovers from other qualified defined benefit or defined contribution plan, until the eligibility requirements are met.

As of December 30, 2023, and 2022, there were 627 and 621 participants, respectively, with account balances in the Plan.

ii. **Contributions** -

Each year, participants may contribute up to $15,000 of pre-tax annual compensation, as established by Act No. 1 of January 31, 2011 of the IRC-NPR. Participants who have attained age fifty (50) before the end of the plan year are eligible to make additional catch-up contributions of $1,500 per year.

Total annual contributions made by the Employers and participants are limited to the lesser of $66,000 or the total compensation paid by the Employers to participants during the plan year.

Compensation for matching purposes means the total compensation currently includible in income for income tax purposes paid to a participant by an employing company during the plan year, excluding severance payments or payments in lieu of notice, overtime, all bonuses and awards (statutory or otherwise), commissions, expense reimbursements, non-taxable and taxable fringe benefits, non-cash compensation, and other forms of deferred compensation; and/or other amounts which received special tax benefits, or contributions made by the employing company (whether or not under a salary reduction agreement) towards the purchase of an annuity contract (whether or not the contributions are actually excludable from the gross income of the Employee for income tax purposes). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plan (rollover contributions). Participants may also make after-tax contributions to the Plan up to 10% of their total compensation. Compensation for after-tax contribution purposes excludes additional mid or long-term incentives and allowances.

The Employers contribute an amount equal to 50% of the participant's pre-tax contribution for each payroll period. In addition, the Employers may contribute an additional amount ranging from 2.5% to 5.5% as individually determined by each Employer, of the participant's salary, which is determined based on a formula that considers both the participant's age and years of service. Effective January 2014, the Employers suspended these additional contributions indefinitely until their respective board of directors take action to restore these contributions.

Effective July 1, 2021, the Employers made contributions in an amount equal to 25% of the participant's pre-tax contribution up to a maximum of $3,750 per year. Effective October 1, 2022, the Plan Sponsor commenced to contribute an amount equal to 50% of the participant's pre-tax contribution up to a maximum of $7,500 per year.

Additional discretionary amounts may be contributed to active Plan participants who have been employed by the Employers as of December 30th of the Plan's year at the option of each Employers' board of directors. For employees of former El Día, Inc. to be eligible for the additional discretionary amounts, the employee should accumulate at least nine (9) months of service as of December 30th of the Plan's year for which the additional discretionary amount, if any, is made. No additional discretionary contributions were made to the Plan by any of the Employers during the year ended December 30, 2023.

iii. **Investment options** -

Upon enrollment in the Plan, a participant may direct contributions into various investment options. The Plan currently offers various mutual funds, fixed annuities and collective trust funds as investment options for participants. Contributions to a participant account who has not chosen an investment option are invested in a default portfolio of funds, which may be changed by participants at any time thereafter. The Plan also allows participants to change their investments options.

iv. **Participant accounts** -

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Employers' contribution, (b) Plan earnings, and (c) at the discretion of the benefit committee as designated by each employer, forfeitures of terminated participants' non-vested accounts. Accounts are charged with withdrawals and an allocation of the Plan investment earnings, as well as, with an allocation of administrative expenses. Allocations are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

v. **Vesting** -

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employers' matching and discretionary contributions portion of their accounts is based on years of service. A participant is 100% vested after 3 years of credited service. The vesting schedule based on years of service is as follows:

Years of Service	Vested Percentage
Less than one (1)	0%
At least one (1) but less than two (2)	33%
At least two (2) but less than three (3)	67%
Three (3) or more	100%

vi. **Payment of benefits** -

Immediate distributions may be made at participants' election upon termination of employment or retirement in a lump sum payment or in monthly installments over a period certain to be determined by the participant without limitation, if the account's balance exceeds $5,000, as elected by the participants. Participants who have chosen to receive monthly installments may request a change in the installment amount once a year. The normal retirement age is the date a participant attains their 65th birthday. For 100% vested balances, no pre-retirement distributions are permitted. A participant may withdraw amounts at any time from the salary after-tax contributions account, subject to uniform and nondiscriminatory standards established by the Plan administrator. Participants with account balances over $5,000 may elect to leave their funds at the Plan until the participant reaches the age of 70 ½ years or for an additional period if requested in writing after 60 days before end of the fiscal year in which the participant reaches such age.

Participants upon termination or resignation, or retirees, upon retirement, may elect to transfer their savings to/from other plans qualified by the Puerto Rico Treasury Department.

Under the provisions of the Plan, participants are permitted to make hardship withdrawals for an amount, not to exceed 50% of the balance of the participant's pre-tax, catch-up and rollover contributions, reduced by any loan outstanding as of the financial hardship distribution date. Hardship withdrawal is only permitted if: (a) financial hardship is demonstrated, (b) the withdrawal is approved by the Plan administrator and (c) the withdrawal is allowable under the IRC-NPR. Hardship withdrawals for the purchase or construction of a participant's principal residence are limited to once in a lifetime.

Any participant who makes a hardship withdrawal cannot contribute to their participant tax-deferred contribution account for a period of one year thereafter.

vii. **Notes receivable from participants** -
Under the terms of the Plan, participants may borrow from their accounts a maximum of 25% of deferred contributions up to $25,000 adjusted for the previous higher loan amount during the last twelve months before the date of the new loan and may not have more than one outstanding loan. The loans are collateralized by the balance in the participants' accounts and bear interest at a rate commensurate with local market rates for similar loans. The interest rate will be fixed and will not change for the duration of the loan. Interest rates are within a range from 3.25% to 8.50% at December 30, 2023. Principal and interest is paid through payroll deductions. A $25 loan origination fee is charged to the participant's account.

viii. **Forfeitures** -
The portion of a participants' account not vested at the date of his/her termination of employment is forfeited immediately. Forfeitures of non-vested account balances in any given year are used to reduce future employer contributions. At the Employers' discretion, forfeitures may also be redistributed to active participants in the Plan as of December 30th of the year in which forfeitures were made. As of December 30, 2023 and 2022, forfeitures of non-vested accounts amounted to $37,524 and $26,076, respectively. During the year ended December 30, 2023, no forfeitures were used to reduce Employer's contributions.

ix. **Administrative expenses** -
Administrative expenses are assumed by the Plan and by the Employers. Custody, recordkeeping and investment advisory fees are paid by the Plan. Other costs for administering the Plan such as audit, legal advice, use of other specialists, among other charges are paid by the Employers.

(b) Summary of significant accounting policies -

i. **Basis of accounting** -
The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

ii. **Basis of presentation** -
The Plan's fiscal year ends of December 30th of each year. All references to years in these notes to financial statements represent years ended on December 30th unless otherwise noted. The Plan has evaluated subsequent events through October 18, 2024, the date the financial statements were available to be issued.

iii. **Use of estimates** -
The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

iv. **Investments valuation and income recognition** -
The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note (3) and note (4) for discussion of fair value measurements and contract value, respectively.

Net appreciation in the fair value of investments includes the plan's gains and losses on investments bought and sold, as well as, held during the year. Realized gains or losses on the disposal of investments are determined by specific identification and recognized on the trade date basis. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

v. **Notes receivable from participants** -
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 30, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

vi. **Risks and uncertainties** -
The Plan invests in various investments securities. Investments securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

vii. **Benefits** -
Benefit payments to participants are recorded when paid.

viii. **Administrative expenses** -
The Plan's expenses are either paid by the Plan or the Employers, as provided by the plan document. Expenses that are paid directly by the Employers are excluded from these financial statements.

Certain administrative expenses were paid by the Plan for the year ended December 30, 2023. Administrative expenses that are allocable to a participant account are paid from that account. Investment related expenses are included in administrative expenses in the accompanying statement of changes in net assets available for benefits.

(2) **Information certified by qualified institution:**

The Plan Administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the investments and notes receivable from participants' information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) were obtained or derived from information obtained by the Plan Administrator and certified as complete and accurate by Great-West Trust Company, LLC, qualified institution, and in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Great-West Trust Company, LLC, the trustee of the Plan, held the Plan's investment assets and executed investment transactions as of December 30, 2023 and 2022, and for the year ended December 30, 2023.

Information obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great-West Trust Company, LLC:

- Investments (at fair value and contract value), and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 30, 2023 and 2022.
- Investment activity, as shown in the statements of changes in net assets available for benefits for the year ended December 30, 2023, as follows:
    - Interest and dividend income in the amount of $1,163,044
    - Net appreciation in fair value of investments in the amount of $5,667,596
    - Interest income on notes receivable from participants in the amount of $29,450
- The information for all investments and the participant loans listed in the schedule of assets (held at end of year) as of December 30, 2023 as shown in the ERISA-required supplemental schedule.

(3) Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

(a) Quoted prices for similar assets or liabilities in active markets;

(b) Quoted prices for identical or similar assets or liabilities in inactive markets;

(c) Inputs other than quoted prices that are observable for the asset or liability; and

(d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 30, 2023 and 2022.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end, based on quoted market prices in active markets, adjusted for fees and expenses.

Collective trust funds: The Plan holds an interest in a collective investment trust (Putnam Large Cap Value Trust I) valued at NAV of units held, which are generally obtained directly from the fund or other investment provider. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 30, 2023 and 2022:

	Assets at fair value as of December 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 36,702,148	$ -	$ -	$ 36,702,148
Collective trust funds measured at net asset value*	-	-	-	5,005,168
	$ 36,702,148	$ -	$ -	$ 41,707,316

	Assets at fair value as of December 30, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 39,052,950	$ -	$ -	$ 39,052,950

**In accordance with ASC 820-10, certain investments that were measured at the net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.*

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model–based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

The Plan evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 30, 2023, there were no transfers in or out of levels 1, 2, or 3.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 30, 2023 and 2022:

Investment Type	Fair Value December 30, 2023	Fair Value December 30, 2022	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust fund	$ 5,005,168	$ -	$ -	Daily	Daily

(4) Guaranteed investment contract with insurance company:

The Plan entered into a fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (the Insurance Company). It covers its Key Guaranteed Portfolio Fund, which is a general account product. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The average interest earned by the Plan was 1.40% for the year ended December 30, 2023. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the fully benefit-responsive contract criteria, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West Trust Company, LLC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 30, 2023 and 2022 was $7,397,220 and $5,014,413, respectively. The crediting interest rate is compounded daily to the effective annual interest rate. The interest rate to be credited during the calendar year will be determined by Great-West Trust Company, LLC prior to the last day of the previous calendar year and shall be reset annually. The effective annual interest rate will never be less than 1%.

Certain events might limit the ability of the Plan to transact at contract value with the insurance company. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the Employers or other Employers' events that cause a significant withdrawal from the Plan, (iv) premature termination of the contract, among others. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The Insurance Company may not terminate the contract at any amount less than the contract value.

(5) Tax status:

The Plan has received its latest determination letter from the PRTD dated March 18, 2019, stating that the Plan is qualified under section 1081 of the IRC-NPR, and therefore, the related trust is exempt from taxation.

The Plan's administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC-NPR.

Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

(6) Plan termination:

Although it has not expressed any intent to do so, the Employers have the right under the Plan to reduce, suspend or discontinue its contributions at any time and to terminate the Plan subject to compliance with certain ERISA provisions. In the event of Plan termination, the interest of each participating employee in the Plan will become 100% vested and such termination shall not reduce the interest of any participating employee or their beneficiaries accrued under the Plan up to the date of termination.

(7) Non-exempt transactions:

In accordance with the Department of Labor's Regulation 2510.3-102, an employer is required to segregate participants' contributions from its general assets as soon as practical but no later than 15 business days, when amounts are contributed by participants or withheld from their wages for a pension benefit plan such as the Plan.

The costs incurred by the Plan as a result of the unintentional untimely remittances of participants' contributions and loans, as shown in the ERISA-required Schedule of Delinquent Participant Contributions, are absorbed by the Plan Sponsor.

(8) Other contribution remittances:

During 2024, the plan administrator discovered that certain employer matching contributions and employee deferrals for the years ended December 30, 2020, 2021, 2022 and 2023 were not made. The additional amount required for the correction, $14,483 (including lost earnings of $1,567), were recorded as contributions receivable and other contributions in the 2023 financial statements, respectively.

(9) Subsequent events:

(a) Effective April 1, 2024, the Plan was amended to designate A+: Education and Consulting Solutions, LLC, an affiliate of the Employers, as an employing company under the Plan and amend the Plan to add the specific provisions applicable to A+: Education and Consulting Solutions, LLC and its employees.

(b) On June 2024, the Plan Sponsor approved a voluntary early retirement program from which 20 plan participants with active account balances amounting to $1,153,686 on December 30, 2023, are eligible under the requirements stated by the Plan Sponsor.

(c) Effective July 31, 2024, Digo Hispanics Media, LLC, ceased to be an Employer and a participating company under the Plan. The entity had one (1) participant with a vested balance of $3,665.

IRS announces tax relief for victims of Tropical Storm Ernesto in Puerto Rico; various deadlines postponed to Feb. 3, 2025

Updated 10/04/2024: This news release has been updated to reflect a correction on payroll and excise tax deposits due dates.

PR-2024-05, Aug. 23, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in Puerto Rico that were affected by severe storms and flooding that began on Aug. 13, 2024. These taxpayers now have until Feb. 3, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the Federal Emergency Management Agency (FEMA), individuals and households that reside or have a business in all 78 municipalities qualify for tax relief.

The declaration permits the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Aug. 13, 2024, and before Feb. 3, 2025, are granted additional time to file through Feb. 3, 2025. As a result, affected individuals and businesses will have until Feb. 3, 2025, to file returns and pay any taxes that were originally due during this period.

The Feb. 3, 2025, filing deadline applies to:

- Individuals who had a valid extension to file their 2023 return due to run out on Oct. 15, 2024. The IRS noted, however, that because tax payments related to these 2023 returns were due on April 15, 2024, those payments are not eligible for this relief.
- Businesses with an original or extended due date including, among others, calendar-year partnerships and S corporations whose 2023 extensions run out on Sept. 16, 2024, and calendar-year corporations whose 2023 extensions run out on Oct. 15, 2024.

The Feb. 3, 2025, deadline also applies to any payment normally due during this period, including the quarterly estimated tax payments due on Sept. 16, 2024, and Jan. 15, 2025, and the quarterly payroll and excise tax returns normally due on Oct. 31, 2024, and Jan. 31, 2025. In addition, penalties on payroll and excise tax deposits due on or after Aug. 13, 2024, and before Aug. 28, 2024, will be abated as long as the tax deposits are made by Aug. 28, 2024.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at 866-562-5227 to request this tax relief. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the Bulk requests from practitioners for disaster relief option, described on IRS.gov.

Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until Feb. 3, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Aug. 13, 2024, and before Feb. 3, 2025, are granted additional time to file through Feb. 3, 2025.

Affected taxpayers that have an estimated income tax payment originally due on or after Aug. 13, 2024, are postponed through Feb. 3, 2025, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before Feb. 3, 2025.

The IRS also gives affected taxpayers until Feb 3, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after Aug. 13, 2024, and before Feb. 3, 2025, are granted additional time to file through Feb. 3, 2025.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Aug. 13, 2024, and before Feb. 3, 2025, are postponed through Feb. 3, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Aug. 13, 2024, and before Aug. 28, 2024, will be abated as long as the tax deposits were made by Aug. 28, 2024.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer's federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. See Publication 547 for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see Form 4684, Casualties and Thefts PDF and its instructions PDF. Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, 3610-EM on any return. See Publication 547 for details.

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number **(3610-EM)**, in bold letters at the top of Form 4506, Request for Copy of Tax Return PDF, or Form

4506-T, Request for Transcript of Tax Return PDF, as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See Publication 525 for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, IRS.gov.

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) sites. To find the closest free tax help site, use the VITA Locator Tool or call 800-906-9887. **Note that normally, VITA sites cannot help claim disaster losses.**
- To find an AARP Tax-Aide site, use the AARP Site Locator Tool or call 888-227-7669.
- Any individual or family whose adjusted gross income (AGI) was $79,000 or less in 2023 can use IRS Free File's Guided Tax Software at no cost. There are products in English and Spanish.
- Another Free File option is Free File Fillable Forms. These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
- MilTax, a Department of Defense program, offers free return preparation software and electronic filing for federal tax returns and up to three state income tax returns. It's available for all military members and some veterans, with no income limit.
