INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of

401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.

Notes to Financial Statements

December 31, 2023 and 2022

Note A – Description of Plan

The following description of the 401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A. (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a safe harbor plan covering all eligible employees of the Central Florida Hospitalist Partners, P.A. (the “Employer” or “Company”). The Plan was formed and adopted July 1, 2001, last restated July 1, 2021 and last amended September 30, 2022, to comply with the Internal Revenue Service (“IRS”) Post-PPA (Cycle 3) Plan restatement requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Employees are eligible to participate in the Plan on the later date of employment or upon turning 18 years of age and completing one year of service, including 1,000 hours. Employees may enter the plan on the first day of the first or seventh month of the Plan year. The Plan excludes union employees, leased employees, non-resident aliens and employees acquired as part of a Code 410(b)(6)(C)(iii) transaction.

Administration of the Plan

The Plan is administered by the Company. The Plan’s assets are maintained and administered by Prudential Retirement Insurance and Annuity Company (the “Custodians”) and Prudential Bank & Trust, F.S.B. (the Trustee) who were acquired by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, respectively, effective April 1, 2022. On October 3, 2022, Prudential Retirement Insurance and Annuity Company was renamed Empower Annuity Insurance Company and the Plan was officially migrated on October 20, 2023.

Contributions were held by the Custodians, who invested cash received, interest and dividend income, as directed by the participant, and made distributions to participants.

Contributions

Participants may contribute 100% of their compensation, subject to certain limitations, under Internal Revenue Code (“IRC”) Section 401(k). The maximum participant deferral for the year ended December 31, 2023 was \$22,500. A participant who has attained the age of 50 may also make catch up contributions, subject to IRS limitations of \$7,500 for the year ended December 31, 2023. Participants may also contribute amounts representing distributions from other qualified plans. Contributions received from participants are net of excess deferral contributions refunded, as required to satisfy the relevant nondiscrimination provisions of the Plan. Participants also have the option to make Roth contributions.

Each year the Company makes a safe harbor contribution equal to 3% of Plan compensation. Additionally, the Company may, at its discretion, elect to make a profit-sharing contribution to the Plan. For the year ended December 31, 2023, the Company profit-sharing contribution amounted to \$334,852. Participants are eligible for the profit-sharing contribution if they meet the eligibility requirements above, complete 1,000 hours of service during the Plan year, and are employed on the last day of the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching and profit-sharing contributions and Plan earnings or losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.

Notes to Financial Statements

December 31, 2023 and 2022

Note A – Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have a maximum of one loan outstanding at any given time. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The maximum note repayment period is five years. Principal and interest payments with respect to the notes are credited solely to the account of the borrowing participant from which the note was made.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan Administrator shall consider a loan in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of a death, the entire outstanding principal and accrued interest shall be immediately due and payable. Upon determination that the loan has been defaulted, the loaned funds will be treated as a taxable distribution from the Plan.

Vesting

Participants are immediately vested in their contributions and the Company safe harbor contributions, plus actual earnings thereon. Vesting in the Company profit-sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. Vesting is based on a three year cliff model. A participant will have 0% vesting until the completion their third year of credited service where at which point they will reach 100% vesting.

Years of Services	Vesting Percentage
Less than 3	0%
3	100%

Notwithstanding the above, a participant is fully vested upon reaching normal, or early, retirement age, death, or permanent disability.

Investment Options

Under the Plan, participants may currently direct investments to any of 27 investment options. Participants may change their investment elections daily through a telephone access system or online system.

Distribution of Benefits

On termination of service due to death, disability, separation of service or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount or in installment payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan allows participants to withdraw a portion of their elective deferral and Roth account balances in the event of a qualifying financial hardship or reaching age 59 ½.

Forfeitures

Forfeitures occur when a participant terminates employment and has not vested in a portion of the Company's contribution amount. Forfeitures may be applied to reduce Employer contributions and Plan expenses. During the Plan year ended December 31, 2023, no forfeitures were used to pay Plan expenses or reduce Employer contributions.

401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.

Notes to Financial Statements

December 31, 2023 and 2022

Note A – Description of Plan (continued)

Forfeitures (continued)

At December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately \$2,000 and \$1,000, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account will become fully vested and non-forfeitable. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of changes in net assets during the reporting period. Such estimates include those regarding fair value. Actual results could differ from these estimates.

Valuation of Investments

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value as described in Note G. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value ("NAV") of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the participants, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Fair Value Measurements

The Financial Accounting Standards Board ("FASB") has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.

Notes to Financial Statements

December 31, 2023 and 2022

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

- Level 1* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2* Inputs to the valuation methodology include:
 Quoted prices for similar assets or liabilities in active markets;
 Quoted prices for identical or similar assets or liabilities in inactive markets;
 Inputs other than quoted prices that are observable for the asset or liability;
 Inputs that derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

<u>Fair Value Measurements at Reporting Date Using:</u>		
	Assets Measured at Fair Value at 12/31/2023	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ 27,300,565	\$ 27,300,565
Self-directed funds	2,638,666	2,638,666

Fair Value Measurements (continued)

<u>Fair Value Measurements at Reporting Date Using:</u>		
	Assets Measured at Fair Value at 12/31/2022	Quoted Prices in Active Markets (Level 1)

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodians, a qualified institution. As of December 31, 2023 and 2022, and for the year ended December 31, 2023, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Custodian, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Income Tax Status

The underlying standardized prototype plan has received an opinion letter from the IRS dated September 16, 2022, stating that the written form of the underlying prototype document is qualified under Section 401(a) of IRC, and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2020.

401(k)/Profit Sharing Plan and Trust for Employees of Central Florida Hospitalist Partners, P.A.

Notes to Financial Statements

December 31, 2023 and 2022

Note E – Risks and Uncertainties

The Plan provides for various investment options which are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note F – Party-In-Interest Transactions

Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain Plan investments and the related transactions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, were in investment funds managed by the Custodians; therefore, these investments and transactions qualify as party-in-interest transactions. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$24,000 during the year ended December 31, 2023.

Note G – Fully Benefit-Responsive Investment Contracts

Fully benefit-responsive investment contracts, at contract value on the statement of net assets consist of the following investment(s):

<u>Investment Type</u>	<u>Investment name</u>	<u>December 31, 2023</u>	<u>December 31, 2022</u>
Fixed Annuities	Guaranteed Income Fund	\$ 1,407,078	
Guaranteed interest account	Prudential Guaranteed Income Fund		\$ 756,016

The Plan invests in a fully benefit-responsive guaranteed interest account with the Custodians ("Fixed account" or "the Fund"). The Custodians maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed income fund is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The investments are included in the financial statements at contract value as reported to the Plan by the Fund.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events limit the ability of the Plan to transact at contract value with the issuer. Specific coverage provided by each contract may be different from each issuer and can be found in the contract of the Fund. Examples of such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investments options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.
