Independent Auditors' Report

To the Plan Administrator of Plan de Compensación
Diferida 1081.01(d) de la Cooperativa de
Seguros de Vida de Puerto Rico:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Plan de Compensación Diferida 1081.01(d) de la Cooperativa de Seguros de Vida de Puerto Rico (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, LLC and Empower Annuity Insurance Company as of December 31, 2023 and for the period from June 20, 2023 to December 31, 2023, and Transamerica Life Insurance Company as of December 31, 2022 and for the period from January 1, 2023 to June 19, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Change in Service Providers

As further discussed in Note 7 to the financial statements, on May 17, 2023, the Sponsor changed its plan record-keeper and custodian. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Page 3

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedules of Assets (Held at End of Year) and of Reportable Transactions as of or for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Page 4

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

December 31, 2023 and 2022

(1) Description of Plan

The following brief description of Plan de Compensación Diferida 1081.01(d) de la Cooperativa de Seguros de Vida de Puerto Rico (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan adopted on August 1, 2008. It covers all full-time employees of Cooperativa de Seguros de Vida de Puerto Rico and Puerto Rico Sales and Marketing Agency, Inc. (PRISMA) (collectively, the Sponsor or COSVI) who have at least one year of service and are eighteen years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Puerto Rico Internal Revenue Code of 2011 (the 2011 Code), as amended.

Effective May 17, 2023, Empower Trust Company, LLC was appointed as custodian and record-keeper of the Plan, respectively. Refer to Note 7 to the financial statements for further disclosure.

(b) Contributions

Each year, participants may contribute an amount not to exceed the maximum deferral amount specified by the Puerto Rico tax law. Annual deferral limit under the 2011 Code is \$15,000 for the taxable years ended December 31, 2023 and 2022. Participants may also contribute amounts representing distributions from other qualified plans. Participants may make voluntary contributions to the Plan from 1% to 10% of their compensation, or as otherwise provided under Section 4.3 of the Plan. The Plan was amended effective January 1, 2020 to allow the Sponsor to make a discretionary contribution to be allocated to all active employees on a basis of percentage of compensation. The availability of this contribution will be determined in a year to year basis and subject to the approval of the Board of Directors of the Sponsor through duly executed corporate resolutions. For the years ended December 31, 2023 and 2022, the Sponsor made contributions to the Plan amounting to \$71,704 and \$68,950, respectively.

Participants over age 50 are permitted to make an additional \$1,500 catch up contribution after contributing the Plan limit of \$15,000 of their pre-tax annual compensation.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution as well as allocations of Plan's earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) *Vesting*

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after completing three years of credited service.

(e) *Payments of Benefits*

Normal retirement pension benefits are payable upon the date a participant reaches 60 years of age. On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified period or over the remaining life expectancy of the participant (or designated beneficiaries) if the vested interest exceeds \$5,000. However, if the amount in the participant's account is \$5,000 or less, the participant or designated beneficiaries will receive that amount in one lump-sum payment. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(f) *Early Retirement*

For participants that elect early retirement, the pension benefits are payable upon the date a participant reaches 55 years of age with 3 years of service.

(g) *Excess Contributions*

Amounts payable to participants for contributions in excess of amounts allowed by the Puerto Rico Internal Revenue Code are recoded as a liability with a corresponding reduction to contributions.

(h) *Hardship Withdrawals*

Under certain conditions, participants, while still employed by the Sponsor, are permitted to withdraw, in a single sum, the employee contribution portion of their account balance. These conditions include un-reimbursed medical expenses, the purchase of a principal residence, the payment of postsecondary education tuition or to prevent eviction from or foreclosure on a principal residence or any other cause that has produced an immediate financial need. A participant's right to make deferrals to the Plan will be suspended for 12 months after the receipt of the hardship withdrawal.

(i) *Forfeited Accounts*

Forfeitures under the Plan will be added to the employer contributions and allocated accordingly. There were no forfeitures in 2023 and 2022, respectively.

(j) Administrative Expenses

All administrative expenses, to the extent not paid by the Sponsor, are paid from the Plan's assets.

(k) Investments Options

Effective May 17, 2023, the Sponsor changed its plan record-keeper and custodian from Transamerica Life Insurance Company to Empower Trust Company, LLC. On June 20, 2023, the assets of the Plan were transferred to the new record-keeper and custodian. The investment options available to employees prior to June 20, 2023, also were replaced with the investment securities offered by the new record-keeper and custodian. The deposit administration contract with COSVI was settled at contract value and no penalties were assessed.

Participants may direct their contributions to various mutual funds and a group annuity contract with Empower Annuity Insurance Company as described in Notes 4 and 5, respectively.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

(b) Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 5 for disclosure of Group Annuity Contract with Insurance Company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payments of Benefits

Benefits are recorded when paid.

(d) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(3) Information Prepared and Certified by Custodians

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company as of December 31, 2023 and for the period from June 20, 2023 to December 31, 2023, and by Transamerica Life Insurance Company (Transamerica) as of December 31, 2022 and for the period from January 1, 2023 to June 19, 2023, respectively, the Custodians of the Plan.

(4) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

**Plan de Compensación
Diferida 1081.01(d) de
la Cooperativa de Seguros de
Vida de Puerto Rico**

Notes to Financial Statements

December 31, 2023 and 2022

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

<i>Mutual funds:</i>	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
----------------------	--

<i>Pooled Separate Accounts:</i>	The unit value of the pooled separate account is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the net asset value (NAV), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Notes to Financial Statements

December 31, 2023 and 2022

The preceding methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,319,748	—	—	4,319,748
Investments at fair value	\$ 4,319,748	—	—	4,319,748

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2022:

Pooled Separate Accounts				
Year	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
2022	\$ 3,386,138	No	Daily	Daily

(5) Group Annuity Contract with Empower Annuity Insurance Company

In 2023, the Plan entered into a traditional fully benefit-responsive investment contract with Empower Annuity Insurance Company (EAIC). EAIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and the credited interest rate established and declared to the Plan. The guaranteed minimum interest rate will be equal to 0.00%.

Prior to June 20, 2023, the Plan had a traditional fully benefit-responsive guaranteed investment contract with Cooperativa de Seguros de Vida de Puerto Rico (COSVI). This agreement had similar terms and conditions as the new contract with EAIC. Due to the change in custodian on May 17, 2023, the contract with COSVI was settled at contract value.

Both contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by EAIC

and COSVI, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022, was \$2,483,096 and \$2,585,697, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0% for EAIC contract and 1% for COSVI agreement. Such interest rates are reviewed on a quarterly basis for resetting.

The methodology for calculating the interest crediting rate of the contract with EAIC is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

Certain events might limit the Plan's ability to transact at contract value with EAIC and COSVI. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal or state income taxes or any required prohibited transaction exemption under ERISA, (e) premature termination of the contract. Termination of contract may also occur by virtue of plan change in asset management. In any of these cases, the value of participants' interest in the funds is determined taking into consideration the end of the day value divided by the number of units then outstanding.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured violation of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a breach of material obligation under the contract, or (d) a material misrepresentation.

(6) Plan Termination

Although the Sponsor has not expressed any intention to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, reduction, or suspension, no further contributions are required from the Sponsor and the accounts of all participants will become fully vested and non-forfeitable.

(7) Change in Custodian and Record-Keeper

On May 17, 2023, Empower Trust Company, LLC (Empower) was appointed as the new custodian and record-keeper of the Plan. All of the Plan's assets were transferred to Empower amounting to \$6,215,056. The Plan's assets were comprised of pooled separate accounts and a deposit administration contract and were liquidated and transferred in cash to Empower. All of the assets were mapped to new investment funds offered by Empower. The conversion to Empower initiated a "blackout period" beginning on May 31, 2023 and continuing through June 16, 2023. During this period participants were unable to engage in certain transactions including applying for withdrawals, distributions, contribution rate changes, changes to investment allocations for contributions, and investment exchanges for existing balances. As required by law, participants were notified of the blackout period and restrictions of certain transactions in advance.

(8) Tax Status

The Puerto Rico Treasury Department (PRTD) has determined and informed the Sponsor by letter dated March 10, 2017, that the Plan and related trust are designed in accordance with applicable sections of the 2011 Code, therefore, the Plan is qualified and tax-exempt.

On June 12, 2020, the Puerto Rico Treasury Department determined and informed the Sponsor that has no objection to the Plan amendments to include PRISMA as a Participant Employer under the Plan, effective as of June 1, 2019 and to authorize discretionary employer matching contributions under the Plan, effective as of January 1, 2020.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal, state and/or local taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risk and Uncertainties

The Plan invests in several investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Notes to Financial Statements

December 31, 2023 and 2022

(10) Party-in-Interest Transactions

As of December 31, 2023 and 2022, the Plan held certain investments that are managed by Empower, Transamerica and COSVI. Empower is the custodian and record-keeper for the Plan, Transamerica is the former custodian and record-keeper and COSVI is the Sponsor, therefore, these transactions qualify as party in interest transactions permitted under the provisions of ERISA.

(11) Subsequent Events

The Plan has evaluated subsequent events through October 11, 2024, the date at which the financial statements were available to be issued. The Plan Administrator has determined that no events exist in that period that require disclosure in or any adjustments to the accompanying financial statements.
