Independent Auditor's Report

To Plan Administrator
Triad Logistics Services Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Triad Logistics Services Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of Triad Logistics Services Corporation 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section

- the amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Triad Logistics Services Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Triad Logistics Services Corporation 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Triad Logistics Services Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Triad Logistics Services Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of Triad Logistics Services Corporation 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 1, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Triad Logistics Services Corporation 401(k) Plan

Notes to Financial Statements

December 31, 2023

1. Description of the Plan

The following brief description of the Triad Logistics Services Corporation 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for complete information.

General

The Plan is a defined contribution 401(k) plan covering all eligible employees of Triad Logistics Services Corporation (the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and qualifies under Section 401(a) of the Internal Revenue Code (the “IRC”). The custodian and trustee is Fidelity Personal Trust Company, FSB (“Fidelity”).

Eligibility

Employees are eligible to participate in the Plan immediately upon hire. There is no age or service requirement for enrollment. Employees covered under a collective bargaining agreement, non-resident aliens and leased employees are not eligible to participate in the Plan.

Contributions

Each year, participants may contribute a percentage of their eligible compensation, as defined in the Plan, on both a pre-tax basis and after-tax (“Roth”) basis, not to exceed the annual limit established by the IRC. Participants may also contribute amounts representing distributions from other qualified plans. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions.

Each payroll period, the Company will make a prevailing wage contribution in an amount equal to the balance of the fringe benefit payment for each participant based on the hourly contribution rate based on the participant’s employment classification.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Triad Logistics Services Corporation 401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's contribution and Plan earnings and losses, and is charged with withdrawals and applicable administrative expenses. Plan earnings are allocated based on the participant's share of the net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Administrative Expenses

All reasonable expenses of administration of the Plan may be paid from the assets of the Plan. The Company may, at its discretion, pay such expenses.

Vesting

Participants are immediately vested in their contributions, rollover contributions and the Company's prevailing wage contributions plus actual earnings thereon.

Payment of Benefits

Vested benefits are paid to participants upon death, disability, retirement or termination of employment by either arranging for a rollover to another plan, partial payments or lump sum payment. Hardship withdrawals are available. For terminated participants' account balances that are less than \$5,000, the plan administrator may distribute the entire amount in a lump sum without the participant's consent. If the participant's vested portion is greater than \$5,000, the participant may elect to maintain the vested portion in the Plan.

Triad Logistics Services Corporation 401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Forfeitures

Forfeitures are used to reduce future employer contributions or pay administrative expenses. At December 31, 2023 and 2022, forfeited account balances totaled \$0.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the balances of all individual accounts will be distributed as soon as administratively practicable after the Plan terminates.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are reported on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States. Benefits are recorded when paid to participants.

Contributions and contributions receivable

Contributions from the employer and the participants are due to the Plan in the period the contributions are earned and deducted from the paycheck. Contributions receivables are contributions earned and withheld as of December 31 which were transferred to the Plan subsequent to year end.

Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

Triad Logistics Services Corporation 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and the accompanying notes and schedule. Accordingly, actual results could differ from these estimates.

Valuation of Investments and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Investments

All investment information disclosed in the accompanying financial statements, notes and schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity, the custodian.

4. Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Triad Logistics Services Corporation 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Level 2—Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liabilities;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

The Plan's investments in shares of mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The following tables represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023

5. Party-in-Interest Transactions

Plan investments are managed by Fidelity. Transactions such as these qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules.

6. Income Tax Status

The underlying non-standardized prototype plan has received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the form of the plan is qualified under Section 401(a) of the IRC, and therefore, the related trust is tax exempt. The plan administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Subsequent to receiving the IRS opinion letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

7. Subsequent Events

The Plan has evaluated subsequent events through October 23, 2024, the date the financial statements were available to be issued.

IRS reminder to disaster area taxpayers with extensions: Parts of 8 states need to file 2023 returns by Nov. 1; others have until Feb. 3 or May 1

IR-2024-279, Oct. 23, 2024

WASHINGTON — Now that the Oct. 15 extension deadline has come and gone, the Internal Revenue Service today reminded disaster-area taxpayers who received disaster extensions to file their 2023 returns that, depending upon their location, their returns are due on Nov. 1, 2024, Feb. 3, 2025, or May 1, 2025.

Currently:

- Taxpayers in parts of [Arkansas](#), [Iowa](#), [Kentucky](#), [Mississippi](#), [New Mexico](#), [Oklahoma](#), [Texas](#) and [West Virginia](#) have until Nov. 1, 2024, to file their 2023 returns.
- Taxpayers in the entire states of [Louisiana](#) and [Vermont](#), all of [Puerto Rico](#) and the [Virgin Islands](#) and parts of [Arizona](#), [Connecticut](#), [Illinois](#), [Kentucky](#), [Minnesota](#), [Missouri](#), [New York](#), [Pennsylvania](#), [South Dakota](#), [Texas](#) and [Washington state](#) have until Feb. 3, 2025, to file their 2023 returns.
- Taxpayers in the entire states of [Alabama](#), [Florida](#), [Georgia](#), [North Carolina](#) and [South Carolina](#), and parts of [Tennessee](#) and [Virginia](#) will have until May 1, 2025, to file their 2023 returns. For these taxpayers, May 1 will also be the deadline for filing their 2024 returns and paying any tax due.

Eligible taxpayers are individuals and businesses affected by various disasters that occurred during the late spring, summer and early fall of this year. For extension filers, **payments** on the 2023 tax year returns are not eligible for the additional time because they were originally due last spring before any of these disasters occurred.

The IRS normally provides relief, including postponing various tax filing and payment deadlines, for any area designated by the [Federal Emergency Management Agency \(FEMA\)](#) . As long as their address of record is in a disaster-area locality, individual and business taxpayers automatically get the extra time, without having to ask for it. The current list of eligible localities is always available on the [disaster relief](#) page on IRS.gov.

In addition, the IRS will work with any taxpayer who lives outside the disaster area but whose records necessary to meet a deadline occurring during the postponement period are located in the affected area. Taxpayers qualifying for relief who live outside the disaster should contact the IRS at [866-562-5227](tel:866-562-5227). This also includes workers who assisted with relief activities who are affiliated with a recognized government or philanthropic organization.

Special relief for terrorist attacks in Israel

Taxpayers who live or have a business in Israel, Gaza or the West Bank, and certain other taxpayers affected by the terrorist attacks in the [State of Israel](#) have until Sept. 30, 2025, to file and pay. This includes all 2023 and 2024 returns. Please note **payments** on the 2023 tax year returns are not eligible for the additional time because they were originally due prior to the terrorist attacks.

IRS provides Hurricane Milton relief; May 1 deadline now applies to individuals and businesses in all of Florida; many businesses qualify for deposit penalty relief

IR-2024-264, Oct. 11, 2024

WASHINGTON — Due to Hurricane Milton, the Internal Revenue Service today announced relief for individuals and businesses in 51 counties in Florida.

Individuals and businesses in six counties that previously did not qualify for relief under either Hurricane Debby or Hurricane Helene will receive disaster tax relief beginning Oct. 5, 2024, and concluding on May 1, 2025. They are Broward, Indian River, Martin, Miami-Dade, Palm Beach and St. Lucie.

In addition, individuals and businesses in 20 counties previously receiving relief under Debby, but not Helene will receive disaster tax relief under Hurricane Milton, from Aug. 1, 2024, thru May 1, 2025. They are Baker, Brevard, Clay, DeSoto, Duval, Flagler, Glades, Hardee, Hendry, Highlands, Lake, Nassau, Okeechobee, Orange, Osceola, Polk, Putnam, Seminole, St. Johns and Volusia counties.

As a result, affected taxpayers in all of Florida now have until May 1, 2025, to file various federal individual and business tax returns and make tax payments, including 2024 individual and business returns normally due during March and April 2025 and 2023 individual and corporate returns with valid extensions and quarterly estimated tax payments.

The IRS is offering relief to any area designated by the [Federal Emergency Management Agency \(FEMA\)](#) . Individuals and households that reside or have a business in any one of the localities listed above qualify for tax relief. The current list of eligible localities is always available on the [Tax relief in disaster situations](#) page on IRS.gov.

Filing and payment relief

Hurricane Milton-related tax relief postpones various tax filing and payment deadlines that occurred beginning on Oct. 5, 2024, and ending on May 1, 2025 (postponement period). As a result, affected individuals and businesses will have until May 1, 2025, to file returns and pay any taxes that were originally due during this period.

This means, for example, that the May 1, 2025, deadline now applies to:

- Any individual or business that has a 2024 return normally due during March or April 2025.
- Any individual, C corporation or tax-exempt organization that has a valid extension to file their calendar-year 2023 federal return. The IRS noted, however, that payments on these returns are not eligible for the extra time because they were due last spring before the hurricane occurred.
- 2024 quarterly estimated tax payments normally due on Jan. 15, 2025, and 2025 estimated tax payments normally due on April 15, 2025.
- Quarterly payroll and excise tax returns normally due on Oct. 31, 2024, Jan. 31, 2025, and April 30, 2025.

In addition, for localities affected by Hurricane Milton, penalties for failing to make payroll and excise tax deposits due on or after Oct. 5, 2024, and before Oct. 21, 2024, will be abated, as long as the deposits are made by Oct. 21, 2024. Localities eligible for this relief are: Alachua, Baker, Bradford, Brevard, Broward, Charlotte, Citrus, Clay, Collier, Columbia, DeSoto, Dixie, Duval, Flagler, Gilchrist, Glades, Hamilton, Hardee, Hendry, Hernando, Highlands, Hillsborough, Indian River, Lafayette, Lake, Lee, Levy, Madison, Manatee, Marion, Martin, Miami-Dade, Monroe, Nassau, Okeechobee, Orange, Osceola, Palm Beach, Pasco, Pinellas, Polk, Putman, Sarasota, Seminole, St. Johns, St. Lucie, Sumter, Suwannee, Taylor, Union and Volusia counties.

Deposit penalty relief and other relief was previously provided to taxpayers affected by Debby and Helene. For details, see the [Florida](#) page on IRS.gov. The [Disaster assistance and emergency relief for individuals and businesses](#) page also has details, as well as information on other returns, payments and tax-related actions qualifying for relief during the postponement period.

The IRS automatically provides filing and penalty relief to any taxpayer with an IRS address of record located in the disaster area. These taxpayers do not need to contact the agency to get this relief.

It is possible an affected taxpayer may not have an IRS address of record located in the disaster area, for example, because they moved to the disaster area after filing their return. In these unique circumstances, the affected taxpayer could receive a late filing or late payment penalty notice from the IRS for the postponement period. The taxpayer should call the number on the notice to have the penalty abated.

In addition, the IRS will work with any taxpayer who lives outside the disaster area but whose records necessary to meet a deadline occurring during the postponement period are located in the affected area. Taxpayers qualifying for relief who live outside the disaster area need to contact the IRS at [866-562-5227](tel:866-562-5227). This also includes

workers assisting the relief efforts who are affiliated with a recognized government or philanthropic organization. Disaster area tax preparers with clients located outside the disaster area can choose to use the [Bulk requests from practitioners for disaster relief](#) option, described on IRS.gov.

Additional tax relief

Individuals and businesses in a federally declared disaster area who suffered uninsured or unreimbursed disaster-related losses can choose to claim them on either the return for the year the loss occurred (in this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. For individual taxpayers, this means Oct. 15, 2025. Be sure to write the FEMA declaration number – **3622-EM** – on any return claiming a loss. See [Publication 547, Casualties, Disasters, and Thefts](#), for details.

Qualified disaster relief payments are generally excluded from gross income. In general, this means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See [Publication 525, Taxable and Nontaxable Income](#), for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

The tax relief is part of a coordinated federal response to the damage caused by the hurricane and is based on local damage assessments by FEMA. For information on disaster recovery, visit [DisasterAssistance.gov](#) .

IRS announces tax relief for victims of Hurricane Helene; various deadlines postponed to May 1, 2025

Updated 10/3/2024: This news release has been updated for clarification purposes. Tax deadlines remain Feb. 3, 2025, for areas of the state that received Debby-related relief, but not Helene-related relief. Currently, this includes the following 20 counties: Baker, Brevard, Clay, DeSoto, Duval, Flagler, Glades, Hardee, Hendry, Highlands, Lake, Nassau, Okeechobee, Orange, Osceola, Polk, Putnam, Seminole, St. Johns and Volusia. For further details, see below.

FL-2024-08, Oct. 1, 2024

WASHINGTON — The Internal Revenue Service announced today tax relief for individuals and businesses in parts of Florida that were affected by Hurricane Helene that began on Sept. 23, 2024. These taxpayers now have until May 1, 2025, to file various federal individual and business tax returns and make tax payments.

Following the disaster declaration issued by the [Federal Emergency Management Agency \(FEMA\)](#), individuals and households that reside or have a business in Alachua, Bay, Bradford, Calhoun, Charlotte, Citrus, Collier, Columbia, Dixie, Escambia, Franklin, Gadsden, Gilchrist, Gulf, Hamilton, Hernando, Hillsborough, Holmes, Jackson, Jefferson, Lafayette, Lee, Leon, Levy, Liberty, Madison, Manatee, Marion, Monroe, Okaloosa, Pasco, Pinellas, Santa Rosa, Sarasota, Sumter, Suwannee, Taylor, Union, Wakulla, Walton, and Washington counties qualify for tax relief.

Affected Taxpayers with returns and payments with due dates postponed until Feb. 3, 2025, due to Tropical Storm Debby in Florida ([FL-2024-07](#)) will also now have until May 1, 2025, to file and/or pay.

Together, the Helene-related and Debby-related declarations permit the IRS to postpone certain tax-filing and tax-payment deadlines for taxpayers who reside or have a business in the disaster area. In this instance, this means that certain deadlines falling on or after Aug. 1, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025. As a result, affected individuals and businesses will have until May 1, 2025, to file returns and pay any taxes that were originally due during this period.

The May 1, 2025, filing deadline applies to:

- Individuals who had a valid extension to file their 2023 return due to run out on Oct. 15, 2024. The IRS noted, however, that because tax payments related to these 2023 returns were due on April 15, 2024, those payments are not eligible for this relief.
- Businesses with an original or extended due date including, among others, calendar-year corporations whose 2023 extensions run out on Oct. 15, 2024.

The May 1, 2025, deadline also applies to any payment normally due during this period, including the quarterly estimated tax payments due on Sept. 16, 2024, and Jan. 15, and April 15, 2025. Please note that for areas of the state that received Debby-related relief, but not Helene-related relief, tax deadlines remain Feb. 3, 2025.

Currently, this includes 20 counties: Baker, Brevard, Clay, DeSoto, Duval, Flagler, Glades, Hardee, Hendry, Highlands, Lake, Nassau, Okeechobee, Orange, Osceola, Polk, Seminole, and Volusia. The May 1, 2025, deadline also applies to the quarterly payroll and excise tax returns normally due on Oct. 31, 2024, and Jan. 31 and April 30, 2025. In addition, penalties on payroll and excise tax deposits due on or after Sept. 23, 2024, and before Oct. 8, 2024, will be abated as long as the tax deposits are made by Oct. 8, 2024.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area should call the IRS disaster hotline at [866-562-5227](tel:866-562-5227) to request this tax relief. Tax preparers located in the disaster area with clients located outside the disaster area can choose to use the [Bulk requests from practitioners for disaster relief](#) option, described on IRS.gov.

Covered disaster area

The localities listed above constitutes a covered disaster area for purposes of Treas. Reg. §301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses (including tax-exempt organizations) whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Under section 7508A, the IRS gives affected taxpayers until May 1, 2025, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; annual information returns of tax-exempt organizations; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Sept. 23, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

Affected taxpayers that have an estimated income tax payment originally due on or after Sept. 23, 2024, are postponed through May 1, 2025, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before May 1, 2025.

The IRS also gives affected taxpayers until May 1, 2025, to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2018-58, 2018-50 IRB 990 (December 10, 2018), that are due to be performed on or after September 23, 2024, and before May 1, 2025, are granted additional time to file through May 1, 2025.

This relief also includes the filing of Form 5500 series returns that were required to be filed on or after Sept. 23, 2024, and before May 1, 2025, are postponed through May 1, 2025, in the manner described in section 8 of Rev. Proc. 2018-58. The relief described in section 17 of Rev. Proc. 2018-58, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2018-58, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098 or 1099 series; to Forms 1042-S, 3921, 3922 or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Sept. 23, 2024, and before Oct. 8, 2024, will be abated as long as the tax deposits were made by Oct. 8, 2024.

Casualty losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. In this instance, the 2024 return normally filed next year), or the return for the prior year (the 2023 return filed this year). Taxpayers have extra time – up to six months after the due date of the taxpayer’s federal income tax return for the disaster year (without regard to any extension of time to file) – to make the election. See [Publication 547](#) for details. Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684, Casualties and Thefts](#) [PDF](#) and its [instructions](#) [PDF](#). Affected taxpayers claiming the disaster loss on their return should put FEMA disaster declaration number, FEMA-3615--EM on any return. See [Publication 547](#) for details.

Other relief

The IRS will waive the usual fees and requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned FEMA declaration number **(3615-EM)**, in bold letters at the top of [Form 4506, Request for Copy of Tax Return](#) [PDF](#), or [Form 4506-T, Request for Transcript of Tax Return](#) [PDF](#), as appropriate, and submit it to the IRS.

Qualified disaster relief payments are generally excluded from gross income. This means that affected taxpayers can exclude from their gross income amounts received from a government agency for reasonable and necessary personal, family, living or funeral expenses, as well as for the repair or rehabilitation of their home, or for the repair or replacement of its contents. See [Publication 525](#) for details.

Additional relief may be available to affected taxpayers who participate in a retirement plan or individual retirement arrangement (IRA). For example, a taxpayer may be eligible to take a special disaster distribution that would not be subject to the additional 10% early distribution tax and allows the taxpayer to spread the income over three years. Taxpayers may also be eligible to make a hardship withdrawal. Each plan or IRA has specific rules and guidance for their participants to follow.

The IRS may provide additional disaster relief in the future.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may [download forms and publications](#) from the official IRS website, IRS.gov.

Reminder about tax return preparation options

- Eligible individuals or families can get free help preparing their tax return at [Volunteer Income Tax Assistance \(VITA\)](#) or [Tax Counseling for the Elderly \(TCE\)](#) sites. To find the closest free tax help site, use the [VITA Locator Tool](#) [↗](#) or call 800-906-9887. **Note that normally, VITA sites cannot help claim disaster losses.**
- To find an AARP Tax-Aide site, use the [AARP Site Locator Tool](#) [↗](#) or call 888-227-7669.
- Any individual or family whose adjusted gross income (AGI) was \$79,000 or less in 2023 can use [IRS Free File's Guided Tax Software](#) at no cost. There are products in English and Spanish.
- Another Free File option is [Free File Fillable Forms](#). These are electronic federal tax forms, equivalent to a paper 1040 and are designed for taxpayers who are comfortable filling out IRS tax forms. Anyone, regardless of income, can use this option.
- [MilTax](#), a Department of Defense program, offers free return preparation software and electronic filing for federal tax returns and up to three state income tax returns. It's available for all military members and some veterans, with no income limit.
